The Storyteller's Memory Palace Hanne Bewernick, 2010 Storytelling and remembering rely on similar practices they both arrange images in an ordered structure A story is initially memorised by the author in a mental structure which is transferred to the page via the author s choice of location organisation and imagery An interpretation that emphasises these features enhances the natural capacity for comprehension by mimicking the memory process This study describes and uncovers memory systems including the memory palace and the memory journey in medieval texts The ancient memory techniques are compared to cognitive psychology and used to interpret four modern novels A practical method of interpretation is devised which provides the reader with direct access to a story by opening the door into the storyteller s memory palace

Training Actors' Voices

Tara McAllister-Viel, 2018-08-06 Contemporary actor training in the US and UK has become increasingly multicultural and multilingual Border crossing cross cultural exchange in contemporary theatre practices and the rise of the intercultural actor has meant that actor training today has been shaped by multiple modes of training and differing worldviews How might mainstream Anglo American voice training for actors address the needs of students who bring multiple worldviews into the training studio When several vocal training traditions are learned simultaneously how does this shift the way actors think talk and perform How does this change the way actors understand what a voice is What it can should do How it can should do it Using adaptations of a traditional Korean vocal art p ansori with adaptations of the natural or free voice approach Tara

McAllister Viel offers an alternative approach to training actors voices by re considering the materials of training breath sound presence and text This work contributes to ongoing discussions about the future of voice pedagogy in theatre for those practitioners and scholars interested in performance studies ethnomusicology voice studies and intercultural theories and practices

Puppetry in Education and Therapy Edited by Matthew Bernier and Judith O'Hare, 2005-12-29 In *Puppetry in Education and Therapy* Unlocking Doors to the Mind and Heart one finds enormous variety ingenuity and creativity in the types of puppets and the ways they are used in education and in therapy Puppeteers therapists and educators articulate what is meant by puppetry in education and puppet therapy and how it is the same or different from puppet theatre They describe the unique characteristics and theory of puppetry in education and therapy the skills it takes to be successful in these areas the skills that are passed on to people who use puppets for personal expression and how to assess the impact of puppets on learning or behavior change Twenty six authors discuss topics such as puppetry and the multiple intelligences the process versus the product using puppetry in schools to promote literacy preserve cultural heritage and teach music how puppetry contributes to Core Curriculum Standards the theoretical underpinnings of therapeutic puppetry and a range of ways of facilitating growth and development If you re already using puppets this book will inspire you to understand your work differently and to explore new possibilities If you re a teacher or a therapist and you ve never used puppets before it will open a whole world of possibilities This book illustrates that puppetry arts can affect learning and behavior and that puppets indeed have the power to unlock doors to the mind and heart **School Library Journal** , 2002

Bringing the Outside in Sara B. Kajder, 2006 The reading that we value in school is becoming further and further distanced from the literacy students experience in their outside lives Inside the classroom we ask our students to immerse themselves in print texts and write purposefully Once out the door they are text

messaging blogging engaging in online multi player games and expertly integrating words images and music to create original texts Can we import these textual spaces and literacies into English class to help re connect students who don t see themselves as readers and writers English educator Sara Kajder s answer is an emphatic yes and in *Bringing the Outside In* she demonstrates myriad ways to employ students outside talents in the classroom Drawing on multiple examples of student work she shows how she adapts the curriculum to incorporate an expanded definition of literacy and literacy tools Sara offers teachers guidance on how to extend their repertoire of teaching strategies and help kids connect their natural curiosity and skills as readers and writers of both print and electronic texts while keeping reading and writing at the center of the curriculum Keying in on the visual aspects of literacy and building upon students growing interest in using words and images from their lives to read and write for authentic reasons and authentic audiences integrating such strategies as digital storytelling visual think alouds visual literature circles and others into English class Sara and her kids redefine what it means to be literate in today s world By adding visual components to class activities and projects integrating tools ranging from pencils and paper to weblogs and wikis even reluctant students can become engaged and see themselves as readers and writers for the first time

The Folkloral Voice Ian William Sewall,2017-07-12 In this narrative collage of ancient and contemporary storytelling modern theory and personal reflection Ian William Sewall seeks to infuse western pedagogy with a folkloral teaching voice Through multilayered conversations with individuals and groups traditional storytellers teachers children he examines the dynamic nature of oral culture its embodied nature its connection to place and its use of metaphor laughter ethnicity and intergenerational conversation to create unique kinds of interactions and learning Offering storytelling as an ancestral template of good teaching Sewall demonstrates how teachers can use the folkloral voice to inform and transform classroom practice [Solutions to GET Smart Book for Class 2](#) Leena Kapoor,Goyal Brothers

Prakashan,2021-01-01 Goyal Brothers Prakashan **From Text to Performance** Kelly R Iverson,2015-04-30 For the last two centuries biblical interpretation has been guided by perspectives that have largely ignored the oral context in which the gospels took shape Only recently have scholars begun to explore how ancient media inform the interpretive process and offer an understanding of the Bible The contributors to *From Text to Performance* recognise that the Jesus tradition was a story heard and performed and seek to re evaluate the constituent elements of narrative including characters structure narrator time and intertextuality within this performative context In dialogue with traditional literary approaches these essays demonstrate that an appreciation of performance yields fresh insights distinguishable in many respects from results of literary or narrative readings of the gospels
