A South You Never Ate Bernard L. Herman, 2019-08-20 Nestled between the Chesapeake Bay and the Atlantic Ocean and stretching from Hampton Roads to Assateague Island, Virginia's Eastern Shore is a distinctly southern place with an exceptionally southern taste. In this inviting narrative, Bernard L. Herman welcomes readers into the communities, stories, and flavors that season a land where the distance from tide to tide is often less than five miles. Blending personal observation, history, memories of harvests and feasts, and recipes, Herman tells of life along the Eastern Shore through the eyes of its growers, watermen, oyster and clam farmers, foragers, church cooks, restaurant owners, and everyday residents. Four centuries of encounter, imagination, and invention continue to shape the foodways of the Eastern Shore of Virginia, melding influences from Indigenous peoples, European migrants, enslaved and free West Africans, and more recent newcomers. Herman reveals how local ingredients and the cooks who have prepared them for the table have developed a distinctly American terroir, the flavors of a place experienced through its culinary and storytelling traditions. This terroir flourishes even as it confronts challenges from climate change, declining fish populations, and farming monoculture. Herman reveals this resilience through the recipes and celebrations that hold meaning not just for those who live there but for all those folks who sit at their tables and other tables near and far.

Chicken Soup for the Soul: Making Me Time Amy Newmark, 2021-02-16 Me time is the cure for what ails you. You know you need it. Here's how to take care of yourself so that you can be the very best version of you. Do you ever say that you'll take care of yourself after you finish your to-do list? The personal, revealing stories in this book will convince you to put yourself at the top of that list. Self-care and life balance are what we all neglect most. These 101 true stories from people who turned their lives around will show you how to take care of your physical and mental health. Whatever your psyche needs is your form of me time, and that's something that you deserve. There are many approaches, and at least one of them is bound to work for you. In these pages, you'll read about men and women who put an hour for themselves on their daily to-do lists, pursued long-delayed sports, hobbies, or volunteer work, discovered themselves through travel, fitness, or new careers, learned to ask for help instead of doing it all, started treating themselves as well as they would
