Violence in Europe Sophie Body-Gendrot,Pieter Spierenburg,2008-01-08 Sophie Body Gendrot How much related are present and past violence The answers are complex due to the limited knowledge scientists have gathered even after spending a life time studying this very enigmatic and most serious social phenomenon called violence All authors agree that the present level of interpersonal violence cannot be sufficiently understood without taking the earlier long term decrease into account Ted Robert Gurr 1981 1989 was one of these pioneers who und took a statistical overview of the development of homicides from the Middle Ages to the present looking at England in particular On his curve 20 ho cides per 100 000 inhabitants were recorded in the High and Late Middle Ages and one case in the twentieth century put an end to the curb Gurr interpreted this long term decrease in interpersonal violence as a manifestation of cultural change in Western society especially the growing sensitization to violence and the development of an increased internal and external control on aggressive behavior Gurr 1981 258 Currently both the present and the past have to be considered in any attempt to answer the following questions is the higher incidence of violence which still prevails a temporary exception or a

Rayfus,2014-06-08 The book centres on a mass family clearance of thirteen families from their homesteads in Rathcore a small rural village situated in south county Meath The circumstances surrounding those evictions bore all the hallmarks of extremely poor landlord tenant relations Central to an understanding of the period was a drastic fall in tillage farming practices throughout Ireland and the corresponding expansion of livestock grassland farming particularly so in the provinces of Munster and Leinster This shift in agricultural land use had serious implications for social structure all across post famine Ireland The 1865 Rathcore evictions aims to provide an insight into the whole complex nature of the landlord tenant relationship in Rathcore set to a backdrop and a period in time in which a trend facilitated by an expansion of land under grass was well under way in County Meath from the mid nineteenth century **Van Diemen's Women** Joan Kavanagh,Dianne Snowden,2015-10-05 On 2 September 1845 the convict ship Tasmania left Kingstown Harbour for Van Diemen s Land with 138 female convicts and their 35 children On 3 December the ship arrived into Hobart Town While this book looks at the lives of all the women aboard it focuses on two women in particular Eliza Davis who was transported from Wicklow Gaol for life for infanticide having had her sentence commuted from death and Margaret Butler sentenced to seven years transportation for stealing potatoes in Carlow Using original records this study reveals the reality of transportation together with the legacy left by these women in Tasmania and beyond and shows that perhaps for some this Draconian punishment was in fact a life saving measure Foul Deeds & Suspicious Deaths In Dublin Stephen Wade,2008-04-22 Tory gangs madmen war criminals frauds anarchists duelists kidnappers and more scandal makers throughout four centuries of

The World of Constable John Hennigan, Royal Irish Constabulary 1912 - 1922 Hal Hennigan,2018-11-16 In 1912 the average Irish Constable was a generally useful member of society filling in numerous forms in the role of minor bureaucrat and pursuing petty criminals He had little to do with firearms By 1922 he

had become an outcast to many and a friend to few Those who thought his treatment unjust were generally unwilling to take the risk of saying so This is the story of how an average country policeman was caught up in the swirl of political movements which led to murderous violence I look at the social and political contexts of historical events Caught between the hammer of IRA violence and the anvil of government obduracy the regular constables became sacrifices to political expediency Using the police career of John Hennigan as a framework this book follows public events in chronological order while bringing to mind the little details of everyday life
