Sourdough Sagas Pioneering And Gold In Alaska 1883 1923:

Alaska Claus M. Naske, Herman E. Slotnick, 2014-10-22 The largest by far of the fifty states Alaska is also the state of greatest mystery and diversity And as Claus M Naske and Herman E Slotnick show in this comprehensive survey the history of Alaska s peoples and the development of its economy have matched the diversity of its land and seascapes Alaska A History begins by examining the region s geography and the Native peoples who inhabited it for thousands of years before the first Europeans arrived The Russians claimed northern North America by right of discovery in 1741 During their occupation of Russian America the region was little more than an outpost for fur hunters and traders When the czar sold the territory to the United States in 1867 nobody knew what to do with Seward s Folly Mainland America paid little attention to the new acquisition until a rush of gold seekers flooded into the Yukon Territory In 1906 Congress granted Alaska Territory a voteless delegate and in 1912 gave it a territorial legislature Not until 1959 however was Alaska s long sought goal of statehood realized During World War II Alaska s place along the great circle route from the United States to Asia firmly established its military importance which was underscored during the Cold War The developing military garrison brought federal money and many new residents Then the discovery of huge oil and natural gas deposits gave a measure of economic security to the state Alaska A History provides a full chronological survey of the region s and state s history including the precedent setting Alaska Native Claims Settlement Act of 1971 which compensated Native Americans for their losses the effect of the oil industry and the trans Alaska pipeline on the economy the Exxon Valdez oil spill and Alaska politics through the early 2000s **Alaska, a History of the 49th State** Claus-M. Naske, Herman E. Slotnick, 1979 Notes p 285 296

Healy's West Gordon E. Tolton, 2014 Through his incredibly varied fifty year career John J Healy left an indelible mark on the Canadian and American west At different points in his storied life Healy was a soldier a trapper a prospector a free trader an explorer a horse dealer a scout a lawman a newspaper editor a speculator a merchant a capitalist a historian and a politician He defied classification while defining the lifestyle of a frontier adventurer and buccaneer capitalist in the late nineteenth century In *Healy's West* Gordon E Tolton cuts through the mythology and controversy of this larger than life character giving us the most complete and truly balanced account of Healy s life ever published From Irish famine to army saddle from scouting on the Oregon Trail to digging for mountain gold in Idaho from taking on powerful monopolies to trading with the Blackfoot from political manoeuvring to hunting down rustlers behind a sheriff s badge Healy challenged life nature enemies and governments head on in print in business and in physical combat An entertaining and critical portrayal of the west s most charismatic figure *Healy's West* is a must read for any history buff **University of California Union**
