their first guidebook From 1977 the pair wrote several backpacking guides and set up Bradt Guides This was just as well because Hilary s career in occupational therapy ended when potential employers noticed that time taken off for travel exceeded periods of employment During the 1980s Bradt Guides grew and became successful but that didn t stop Hilary travelling including as a tour leader Join Hilary as she relives in detail the rigours of travel before the days of the internet or mobile phones including smuggling her husband across an international border and frequently getting arrested despite efforts to be responsible tourists Learn how Hilary s lack of experience made the early days of publishing quite unlike those of any other successful publisher Laugh or cry at Hilary s ability to court media disasters while seeking the limelight including waving around condoms on BBC TV Taking the Risk comprises the collected stories of an inveterate intrepid traveller whose joyous exploration of the world has transformed the lives of hundreds of thousands of people anyone who has ever owned a Bradt Guide A unique book from a unique individual it will delight anyone who has ever travelled or ever wondered what goes into making the books we read Books in Print ,1991 American Book Publishing Record ,2005
