South And Northeast And West The Oxfam Of Childrens Stories:

South and North, East and West Michael Rosen, 1994-07-11 A fairy tale from the Middle East a creation story from Brazil fables from Africa and Indonesia folk tales from Greece and Cyprus ghost stories from Jamaica and Vietnam these are just a few of the 25 selections in this volume illustrated in full color by 22 artists Royalties will benefit Oxfam s self help projects in Africa Asia Latin America and the Caribbean *Multicultural Literature for Children and Young Adults* Ginny Moore Kruse, 1997 A careful selection of children s and young adult books with multicultural themes and topics which were published in the United States and Canada between 1991 and 1996 Preface p vii *Creative Storytelling with Children at Risk* Sue Jennings, 2017-06-14 This second edition is fully updated and addresses ways in which we can apply stories and storytelling with children who are troubled Stories can empower children to take action and ask for help including help with changes and life plans Stories provide a secure structure with endings and closure The book develops the following topics Stories for assessment Stories for understanding emotions Stories for exploring the senses Stories for managing loss Stories for ritual and drama There are new and revised stories in particular addressing trauma and abuse This book is written for all those people with the welfare of children as their priority *How & why Stories* Martha Hamilton, Mitch Weiss, 1999 Did you ever look carefully at a spider s web If their purpose is strictly to catch flies why do spiders weave such beautiful intricate webs Did you ever wonder what causes thunder Why is the sea salty How did tigers get their stripes In this collection of delightful tales from around the world and through the ages each story explains why an animal plant or natural object looks or acts the way it does *Creative Play with Children at Risk* Sue Jennings, 2017-06-14 This second edition is fully updated with the latest good practice in play Based on an understanding of Neuro Dramatic Play the book shows that play is an essential part of children s healthy development and many children at risk are those who are unable to play It includes work with children with learning difficulties as well as those with developmental delay The book includes current thinking on neuroscience and illustrates the importance of mindfulness in our work with children Topics include creating the safe space understanding and working with fear understanding and working with anger and rage new stories and worksheets cross cultural understanding of play dressing up and enactment masks and puppets The book is written for teachers parents and therapists and all those who seek to enhance the lives of children **Myths and Hero Tales** Agnes Regan Perkins, 1997-11-25 This one stop cross cultural selective guide to recent retellings of myths and hero tales for children and young adults will enable teachers and library media specialists to select comparative myths and tales from various mostly non European cultures The focus is on stories from Native America Asia Africa the Middle East Central and South America and Oceania The Guide contains extensively annotated entries on 189 books of retellings of myths and hero tales both ancient and modern from around the world published between 1985 and 1996 Represented are 1 455 stories suitable for use with young people from mid elementary through high school The entries arranged alphabetically by writer contain complete

bibliographic data age and grade levels and evaluative annotations Seven indexes title author illustrator culture story type name and grade level make searching easy The story type index will enable teachers to select comparative myths and tales from different cultures on more than 50 types of myths and hero tales Among the many myth types cited are origin of human beings and the world comparative social customs and rituals natural and heavenly phenomena animal appearance and behavior searches and quests and tricksters Among the hero tale types are fools and buffoons kings and queens warriors monster slayers important female figures magicians voyagers and adventurers and spiritual leaders The Guide concludes with a bibliography of retellings published earlier that have come to be considered standard works **Connecting**

Cultures Rebecca L. Thomas, 1996-01-30 A comprehensive guide to multicultural literature for children this valuable resource features more than 1 600 titles including fiction folktales poetry and song books that focus on diverse cultural groups The selected titles published between the 1970s and 1990s are suitable for use with preschoolers through sixth graders and are likely to be found on the shelves of school and public libraries Topics are timely with an emphasis on books that reflect the needs and interests of today's children Each detailed entry includes bibliographic information Use level is also included as are cultural designation subjects and a summary The invaluable Subject Access section incorporates use level culture information **Keepers of the Story** Megan McKenna, 2004 Master storyteller Megan McKenna offers more wonderful tales and how to tell them A coyote a woodcutter a Buddhist Zen master a boy named Samuel a Sufi mystic two men walking to Emmaus all are central characters The authors explore how the storyteller becomes a theologian talking and teaching about God the Keeper of the story of us all *The Healing Heart for Communities* Allison Cox, David

Albert, 2009-03-01 The only book of its kind that demonstrates the power of storytelling to heal Relentless Progress Jack Zipes, 2013-02-01 Can fairy tales subvert consumerism Can fantasy and children's literature counter the homogenizing influence of globalization Can storytellers retain their authenticity in the age of consumerism These are some of the critical questions raised by Jack Zipes the celebrated scholar of fairy tales and children's literature In this book Zipes argues that despite a dangerous reconfiguration of children as consumers in the civilizing process children's literature fairy tales and storytelling possess a uniquely powerful even fantastic capacity to resist the relentless progress of negative trends in culture He also argues that these tales and stories may lose their power if they are too diluted by commercialism and merchandising Stories have been used for centuries as a way to teach children and adults how to see the world as well as their place within it In Relentless Progress Zipes looks at the surprising ways that stories have influenced people within contemporary culture and vice versa Among the many topics explored here are the dumbing down of books for children the marketing of childhood the changing shape of feminist fairy tales and why American and British children aren't exposed to more non western fairy tales From picture books to graphic novels from children's films to video games from Grimm's fairy tales to the multimedia Harry Potter phenomenon Zipes demonstrates that while children's stories have changed greatly in recent years much about

these stories have remained the same despite their contemporary high tech repackaging Relentless Progress offers remarkable insight into why classic folklore and fairy tales should remain an important part of the lives of children in today's digital culture
