Case, 1968 [South Asian history, 1750-1950 : a guide to periodicals, dissertations, and newspapers](#) Margaret H. Case, 1968 **Bibliography of Military History**, 1975 **A Guide to the Sources of British Military History** Robin H. Ingham, 2015-10-05 Designed to fill an overlooked gap this book originally published in 1972 provides a single unified introduction to bibliographical sources of British military history Moreover it includes guidance in a number of fields in which no similar source is available at all giving information on how to obtain access to special collections and private archives and links military history especially during peacetime with the development of science and technology **Pacific Affairs**, 1967 Includes book reviews and bibliographies **Development Studies and Colonial Policy** Barbara Ingham, Colin Simmons, 2005-06-28 First Published in 1987 Routledge is an imprint of Taylor Francis an informa company [Farmington Plan Newsletter](#), 1968 *The China-Burma-India Campaign, 1931-1945* Eugene L. Rasor, 1998-03-19 The China Burma India campaign of the Asian Pacific war of World War II was the most complex if not the most controversial theater of the entire war Guerrilla warfare commando and special intelligence operations and air tactics originated here The literature is extensive and this book provides an evaluative survey of that vast literature A comprehensive compilation of some 1 500 titles the work includes a narrative historiographical overview and an annotated bibliography of the titles covered in the historiographical section Following an introductory historical essay and a chronology the historiographical narrative covers land water underwater air and combined operations intelligence matters diplomacy and logistics and supply It also examines the memoirs diaries autobiographies and biographies of the personnel involved Such cultural topics as journalism fiction film and art are analyzed and existing gaps in the literature are looked at The bibliography provides both descriptive and evaluative annotations

Britain and Tibet 1765-1947 Julie G. Marshall, 2005 This bibliography is a record of British relations with Tibet in the

period 1765 to 1947 As such it also involves British relations with Russia and China and with the Himalayan states of Ladakh Lahul and Spiti Kumaon and Garhwal Nepal Sikkim Bhutan and Assam in so far as British policy towards these states was affected by her desire to establish relations with Tibet It also covers a subject of some importance in contemporary diplomacy It was the legacy of unresolved problems concerning Tibet and its borders bequeathed to India by Britain in 1947 which led to border disputes and ultimately to war between India and China in 1962 These borders are still in dispute today It also provides background information to Tibet's claims to independence an issue of current importance The work is divided into a number of sections and subsections based on chronology geography and events The introductions to each of the sections provide a condensed and informative history of the period and place the books and article in their historical context Most entries are also annotated This work is therefore both a history and a bibliography of the subject and provides a rapid entry into a complex area for scholars in the fields of international relations and military history as well as Asian history

Youngson,2013-11-05 This book enlarges our understanding of economic development by bringing together items or aspects of historical experience relevant to the present day problems of developing countries by looking at the problems over a longer period than is usual in development economics so that the influence of underlying forces may be made evident and by comparing the experiences of different countries in similar situations A variety of countries are dealt with and most of the significant problems in development economics are covered in one context or another The authors of this symposium each an internationally acknowledged authority offer expert assessments of development as it has actually taken place The chapter by Professor Rosovsky shows what is significant what is peculiar and what could be imitated in Japan Professor Black takes the little studied case of Ireland and Dr Macpherson gives an informed and balanced account of Indian development This unique book was first published in 1972 The Partition of India C. H. Philips,Mary Doreen Wainwright,2025-06-02 The partition of India in 1947 was an outstanding event in world history It formed a major turning point in the modern history of the sub continent and of the Commonwealth Originally published in 1970 after more than twenty years had passed this title brought together the evidence and put into perspective the course of events which had led to the transfer of power in India from Britain to two successor states rather than to one In 1937 the Muslims in India were thought to be politically weak and disorganized yet ten years later they were able to put forward a convincing claim for a separate state How did this come about The lack of any sense of urgency in making a constitutional settlement between the wars Congress miscalculations during the war and the political exploitation of Muslim nationalism all

played a part but the interpretation of the events leading to partition tends to vary with the preconceptions and outlook of the various contributors to the debate at the time The enquiry which led to this volume began as a simple attempt to collect evidence from those still alive From this grew a regular series of meetings between participants and historians of the three countries culminating in a conference The material presented here discusses the more important aspects of the partite from the different viewpoints It is arranged in two sections first hand accounts by those who took part and an analysis by leading specialists In his Introduction Professor Philips points to the main historical problems which had emerged and suggests areas of study which would repay early investigation The time was not yet ripe for a wholly definitive account but this book suggests a framework within which this could be done and brought together raw material for future historians before the generation of eye witnesses passed away The resources of the School of Oriental and African Studies enabled an enterprise to be mounted which would have been beyond the capacity of any one individual This book is a re issue originally published in 1970 The language used and views portrayed are a reflection of its era and no offence is meant by the Publishers to any reader by this re publication Bibliographie Internationale de L'histoire Des Religions ,1954 **Essays on Indian Society** Raj Kumar,2003 Contents Culture and Society Our Social Dilemma Social Life South India Origins of the Indian Village System The Ideal Social Order The Religion and Social Organisation of the Sikhs Prospects of an Integrated Approach to Social Reality Religion and its Impact on Indian Society Besant on Social Reform The Theosophical Society and its Contribution to Tamil Society in the 19th Century Theosophy and Social Change in India Nationalism and Social Change Social History of Modern India A Trend Report New Social Patterns Voluntary Community Action East Asia United States Department of State.
