South Jersey Towns History And Legends

Peter Simonson

South Jersey Towns History And Legends:

South Jersey Towns William McMahon,1973 No region in the nation has a richer heritage than the right counties of South Jersey Cape May Salem Cumberland Atlantic Gloucester Camden Burlington and Ocean In this book William McMahon has collected an assortment of little known information and historical anecdotes about the people and places of this area

South Jersey Towns, History and Legend William McMahon,1973 *South Jersey Towns, History and Legend* William H. McMahon,1973 Pine Barrens Legends & Lore William McMahon,1980 Presents legends and lore of the New Jersey Pine Barrens an area occupying roughly one million acres Handbook of the Linguistic Atlas of the Middle and South Atlantic States William A. Kretzschmar,William A. Kretzschmar Jr.,1993-09-15 Who uses skeeter hawk snake doctor and dragonfly to refer to the same insect Who says gum band instead of rubber band The answers can be found in the Linguistic Atlas of the Middle and South Atlantic States LAMSAS the largest single survey of regional and social differences in spoken American English It covers the region from New York state to northern Florida and from the coastline to the borders of Ohio and Kentucky Through interviews with nearly twelve hundred people conducted during the 1930s and 1940s the LAMSAS mapped regional variations in vocabulary grammar and pronunciation at a time when population movements were more limited than they are today thus providing a unique look at the correspondence of language and settlement patterns This handbook is an essential guide to the LAMSAS project laying out its history and describing its scope and methodology In addition the handbook reveals biographical information about the informants and social histories of the communities in which they lived including primary settlement areas of the original colonies Dialectologists will rely on it for understanding the LAMSAS and historians will find it valuable for its original historical research Since much of the LAMSAS questionnaire concerns rural terms the data collected from the interviews can pinpoint such language differences as those between areas of plantation and small farm agriculture For example LAMSAS reveals that two waves of settlement through the Appalachians created two distinct speech types Settlers coming into Georgia and other parts of the Upper South through the Shenandoah Valley and on to the western side of the mountain range had a Pennsylvania influenced dialect and were typically small farmers Those who settled the Deep South in the rich lowlands and plateaus tended to be plantation farmers from Virginia and the Carolinas who retained the vocabulary and speech patterns of coastal areas With these revealing findings the LAMSAS represents a benchmark study of the English language and this handbook is an indispensable guide to its riches **The Big Book of New Jersey Ghost Stories** Patricia A. Martinelli,Charles A. Stansfield,2019-07-17 Turn these pages and enter the world of the paranormal where ghosts and ghouls alike creep just out of sight Authors Patricia A Martinelli and Charles A Stansfield Jr shine a light in the dark corners of New Jersey and scare those spirits out of hiding in this thrilling collection **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1975

Encyclopedia of New Jersey Maxine N. Lurie,Marc Mappen,2004 Contains nearly original articles along with

illustrations and maps collecting a wealth of information about the state of New Jersey **Haunted America** Michael Norman, Beth Scott, 2025-05-21 Haunted America takes you on a grand tour of ghostly hauntings through the U S and Canada sweeping from terrifying battle field specters at Little Bighorn to a vaudeville palace in Tampa from ghostly apparitions in President Garfield s home in Ohio to the White House in Washington DC At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Tales of South Jersey* Jim Waltzer, Tom Wilk, 2001 Waltzer and Wilk have compiled almost fifty stories about the state s southernmost counties Although the focus is on Atlantic City and its remarkable people outsize structures and quirky events the storytelling ranges across the wider region to provide an insiders look at history as it was being made You ll encounter gangsters and gamblers baseball hitters and hurricanes famous piers and hotels landmark theaters and eateries splashy events and unheralded oddities 3 4 in sum a cross section of the regions character and characters **Privateers of the Revolution** Donald Grady Shomette, 2025-06-06 A narrative of the forgotten privateering war on the Jersey coast during the American Revolution **Collingswood** Janet M. Spavlik, 2007 Officially established in 1888 Collingswood was built on strong Christian values as evidenced by its many houses of worship and its longstanding ban on serving or selling alcoholic beverages a policy still in effect today The town s proximity to Camden and Philadelphia and a beautiful expansive park in the center of town helped to feed its early growth In fact at the beginning of the 20th century town fathers proclaimed Collingswood the fastest growing community east of the Mississippi River Collingswood chronicles the early development and remarkable growth up to the mid 1900s of this southern New Jersey town through treasured images of the downtown district church life community affairs government streetscapes Knight Park and more Refiguring Mass Communication Peter Simonson, 2010 This book is a unique inquiry into the history and the ongoing moral significance of mass communication as an idea and social form **Historic Haunted America** Michael Norman, Beth Scott, 2007-09-18 Continuing the success of the nationally acclaimed Haunted America Historic Haunted America is a further investigation into North American ghost legends This chilling collection documents yesterday s and today s most terrifying hauntings in the United States and Canada in more than seventy five shocking stories At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied The Social Anxieties of Progressive Reform Martin Paulsson, 1996-10 Tracing the evolution of Atlantic City from a miserable hamlet of fishermen s huts in 1854 to the nation s premier seaside resort in 1910 The Social Anxieties of Progressive Reform chronicles a bizarre political conflict that reaches to the very heart of Progressivism Operating outside of the traditional constraints of family church and community commercial recreation touched the rawest nerves of the reform impulse The sight of young men and women frolicking in the surf and tangoing on the beach and the presence of unescorted women in boardwalk cafs and cabarets translated for many Progressives secular and evangelical alike into a wholesale rejection of socio sexual restraints and portended disaster for the American family While some viewed Atlantic City as a modern day Sodom and Gomorrah

others considered the resort the triumph of American democracy and a healthy and innocent release from the drudgery and regimentation of industrial society. These conflicting currents resulted in a policy of strategic censorship that evolved in stages during the formative years of the city. Sunday drinking, gambling, and prostitution were permitted, albeit under increasingly stringent controls, but resort amusements were significantly restricted and shut down entirely on Sunday. This policy also segregated blacks from the beach and the boardwalk. By 1890, more than one in five residents of Atlantic City was black, a uniquely high ratio among northern cities. While the urban economies of the north depended on immigrant labor, the resort economy of Atlantic City rested on legions of black cooks, waiters, bellmen, and domestic workers. Paulsson's description of African American life in Atlantic City provides a vivid and comprehensive picture of life in the North during the decades following the Civil War. Paulsson's work and his focus on changing social values and growing racial tensions brings to light an ongoing crisis in American society, namely the chasm between religion and mass culture as embodied by the indifference to the sanctity of the Sabbath. In Atlantic City, churches mounted a nationwide effort to preserve the Christian Sunday movement that grew steadily after the Civil War. Paulsson's account of modern Sabbatarianism provides fresh insights into the nature of evangelical reform and its relationship to the Progressive movement. Filled with over forty delightful historical photographs that vividly depict the evolution of the resort's architecture, political scene, and even swimwear, *The Social Anxieties of Progressive Reform* is a must reading for anyone interested in American mass culture. Progressivism and reform movements. Paulsson has illustrated the story with over forty delightful historical photographs that vividly depict the evolution of the resort's architecture, political scene, and even swimwear.

Disaster! Alan A. Siegel, 2014-02-24. By every measure, Hurricane Sandy was a disaster of epic proportions. The deadliest storm to strike the East Coast since Hurricane Diane in 1955, Sandy killed thirty-seven people and caused more than 30 billion in damages in 2012 to New Jersey alone. But earlier centuries experienced their own catastrophes. In *Disaster*, Alan A. Siegel brings readers face to face with twenty-eight of the deadliest natural and human-caused calamities to strike New Jersey between 1821 and 1906, ranging from horrific transportation accidents to uncontrolled fires of a kind rarely seen today. As Siegel writes in his introduction, "None of the stories end well; there are dead and injured by the thousands, as well as millions in property lost." Accounts of these fires, steamboat explosions, shipwrecks, train wrecks, and storms are told in the words of the people who experienced the events firsthand, lending a sense of immediacy to each story. Disasters bring out the worst as well as the best in people. Siegel focuses on the bravest individuals, including harbor pilot Thomas Freeborn, who drowned while attempting to save fifty passengers and crew of a ship foundering on the Jersey Shore, and Warwicke Greene, a fourteen-year-old schoolboy who rescued the injured like the hero of an epic poem after a train wreck in the Hackensack Meadows. These and many other stories of forgotten acts of courage in the face of danger will make *Disaster* an unforgettable read.

Fires: Newark, October 27, 1836; Cape May City, September 5, 1856; Cape May City, August 31, 1869; Cape May City, November 9, 1878; Newton, September
