Southern Literature And Literary Theory:

Southern Literature and Literary Theory Jefferson Humphries, 1990 *Southern Literature and Literary Theory*

Jefferson Humphries, 1992-07-01 In this stimulating collection of essays twenty scholars apply new theoretical approaches to the fiction and poetry of southern writers ranging from Poe to Dickey from Faulkner to Hurston Departing from earlier traditions of southern literary scholarship this book seeks not to create a new orthodoxy but to suggest the diversity of critical tools that can now be used to explore the literature and culture of the South Including essays based on deconstructionist feminist and Marxist theory the book features contributions from such critics as Henry Louis Gates Harold Bloom Fred Chappell and Joan DeJean Yet for all their variety the essayists share the same central concern We have in common writes Jefferson Humphries one thing that sets us apart from our elders in our conception of the South and our approach to southern literature the basic assumption that the meaning and significance of literature is not in the immanence of the literary object or in history but in the complex ways in which the literary the historical and all the human sciences that study both are interrelated Instead of simply taking the South for granted the contributors to this volume see it as a text and an idea as something whose ideological underpinnings complexities and contradictions must be subjected to close reading and questioning Southern Literature and Literary Theory represents a major effort to redefine the relationship of southern writing and the South itself to the larger world **The Companion to Southern Literature** Joseph M. Flora, Lucinda

Hardwick MacKethan, 2001-11-01 Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature but this is the first companion Neither a survey of masterpieces nor a biographical sourcebook The Companion to Southern Literature treats every conceivable topic found in southern writing from the pre Columbian era to the present referencing specific works of all periods and genres Top scholars in their fields offer original definitions and examples of the concepts they know best identifying the themes burning issues historical personalities beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory Read the copious offerings straight through in alphabetical order Ancestor Worship Blue Collar Literature Caves or skip randomly at whim Guilt The Grotesque William Jefferson Clinton Whatever approach you take The Companion's authority scope and variety in tone and interpretation will prove a boon and a delight Explored here are literary embodiments of the Old South New South Solid South Savage South Lazy South and Sahara of the Bozart As up to date as grit lit K Mart fiction and postmodernism and as old fashioned as Puritanism mules and the tall tale these five hundred entries span a reach from Lady to Lesbian Literature The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche The South's lavishly rich literature provides the best means of understanding the region's deepest nature and The

Companion to Southern Literature will be an invaluable tool for those who take on that exciting challenge Description of Contents 500 lively succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors including scholars writers and poets 2 tables of contents alphabetical and subject and a complete index A separate bibliography for most entries

The Cambridge Companion to the Literature of the American South Sharon Monteith, 2013-08-19 Featuring essays written by an international team of experts this Companion maps the dynamic literary landscape of the American South

Southern Literature From 1579-1895 Louise Manly, 2025-03-28 Explore the rich tapestry of Southern Literature From 1579 1895 a comprehensive exploration of the literary landscape of the American South Authored by Louise Manly this meticulously researched volume offers a critical overview of Southern writing across centuries suitable for both academic study and general reading Delve into copious extracts and insightful criticisms that illuminate the unique character of Southern literature examining how the region and its history shaped its artistic expression From early narratives to late 19th century fiction this book provides a window into the evolving literary traditions of the Southern States A valuable resource for anyone interested in American literature regional literature or literary criticism Southern Literature From 1579 1895 offers a profound understanding of the cultural and historical contexts that gave rise to this distinctive body of work Discover the voices and stories that define the South s enduring contribution to the world of letters This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Inventing Southern Literature Michael Kreyling, 2009-11-12 Winner of the 1997 Eudora Welty Prize I take an outward route arguing that the Agrarian project was and must be seen as a willed campaign on the part of one elite to establish and control the South in a period of intense cultural maneuvering The principal organizers of I ll Take My Stand knew full well there were other Souths than the one they touted they deliberately presented a fabricated South as the one and only real thing In *Inventing Southern Literature* Michael Kreyling casts a penetrating ray upon the traditional canon of southern literature and questions the modes by which it was created He finds that it was indeed an invention rather than a creation In the 1930s the foundations were laid by the Fugitive Agrarian group a band of poet critics that wished not only to design but also to control the southern cultural entity in a conservative political context From their heyday to the present Kreyling investigates the historical conditions under which literary and cultural critics have invented the South and how they have chosen its representations Through his study of these choices Kreyling argues that interested groups have shaped meanings that preserve a South as the South As the Fugitive Agrarians molded the region according to their definition in I ll

Take My Stand they professed to have developed a critical method that disavowed any cultural or political intent or content a claim that Kreyling disproves He shows that their torch was taken by Richard Weaver on the Right and Louis D Rubin Jr on the Center Left and that both critics tried to preserve the Fugitive Agrarian credo despite the severe stresses imposed during the era of desegregation As the southern literary paradigm has been attacked and defended certain issues have remained in the forefront Kreyling takes on three reconciling the imperatives of race with the traditional definitions of the South testing the ways white women writers of the South have negotiated space within or outside the paradigm and analyzing the critics use and abuse of William Faulkner the major figure of southern literature as they have relied on his achievement to anchor the total project called Southern Literature

Southern Literature From 1579-1895 Louise Manly, 2022-09-15 In *Southern Literature From 1579 1895* Louise Manly offers a comprehensive analysis of Southern literary traditions tracing their evolution through a myriad of cultural historical and social influences The book masterfully intertwines literary criticism with biographical sketches of key figures employing a narrative style that balances scholarly rigor with accessible prose Manly's work is set against the backdrop of a rapidly changing Southern identity providing insightful commentary on how history regionalism and the complexity of social issues shaped the literature of the South during this period Louise Manly a prominent figure in the field of American literature and literary criticism drew on her experiences and extensive research to craft this seminal text Her deep understanding of Southern culture and its literary output reflects not only her academic credentials but also her personal engagement with the themes she explores Her prior works and critical essays have established her as a leading voice in the exploration of regional literature and this book consolidates her position as an authority on Southern literary history For readers interested in the intricacies of American literature *Southern Literature From 1579 1895* is an essential addition Manly's scholarly yet approachable style makes it a valuable resource for both students and aficionados illuminating the rich tapestry of Southern literature and inviting readers to reflect on its profound impact on the broader American literary landscape

Defining Southern Literature John Earl Bassett, 1997 *Defining Southern Literature* delineates several phases in the story of Southern literature Debate over what makes Southern literature different or even Southern goes back many decades and among the answers has been the debate itself a uniquely pervasive regional self consciousness over what makes Southern culture different Certainly no other American region has been so distinctly marked as the South has Attempts to delineate the special mission nature problems and virtues of Southern writers can be traced back at least to the 1830s when editors called with only slight success for a sectional literature and more supportive Southern readers

The Female Tradition in Southern Literature Carol S. Manning, 1993 This collection of critical essays examines the contributions to and influences on literature that have been made by Southern women writers From publisher description

Southern Frontier Humor Ed Piacentino, 2013-05-06 Since its inception in the early 1830s southern frontier humor also known as the humor of the Old Southwest has had enduring appeal The onset of the new

millennium precipitated an impressive rejuvenation of scholarly interest Southern Frontier Humor New Approaches represents the next step in this revival providing a series of essays with fresh perspectives and contexts First the book shows the importance of Henry Junius Nott a virtually unknown and forgotten writer who mined many of the principal subjects themes tropes and character types associated with southern frontier humor followed by an essay addressing how this humor genre and its ideological impact helped to stimulate a national cultural revolution Several essays focus on the genre s legacy to the post Civil War era exploring intersections between southern frontier humor and southern local color writers Joel Chandler Harris Charles W Chesnutt and Sherwood Bonner Mark Twain s African American dialect piece A True Story though employing some of the conventions of southern frontier humor is reexamined as a transitional text showing his shift to broader concerns particularly in race portraiture Essays also examine the evolution of the trickster from the Jack Tales to Hooper s Simon Suggs to similar mountebanks in novels of John Kennedy Toole Mark Childress and Clyde Edgerton and transnational contexts the latter exploring parallels between southern frontier humor and the Jamaican Anansi tales Finally the genre is situated contextually using contemporary critical discourses which are applied to G W Harris s Sut Lovingood and to various frontier hunting stories

The ^APromise of the New South Edward L. Ayers, 2007-09-07 Ranging from the Georgia coast to the Tennessee mountains from the power brokers to tenant farmers Ayers depicts a land of startling contrasts Ayers takes us from remote Southern towns revolutionized by the spread of the railroads to the statehouses where Democratic Redeemers swept away the legacy of Reconstruction from the small farmers trapped into growing nothing but cotton to the new industries of Birmingham from abuse and intimacy in the family to tumultuous public meetings of the prohibitionists He explores every aspect of society politics and the economy detailing the importance of each in the emerging New South Central to the entire story is the role of race relations from alliances and friendships between blacks and whites to the spread of Jim Crows laws and disfranchisement The teeming nineteenth century South comes to life in these pages

Bridging Southern Cultures John Wharton Lowe, 2011-02-14 A panorama of past and contemporary southern society are captured in Bridging Southern Cultures by some of the South s leading historians anthropologists literary critics musicologists and folklorists Crossing the chasms of demographics academic disciplines art forms and culture this exciting collection reaches aspects of southern heritage that previous approaches have long obscured Virtually every dimension of southern identity receives attention here William Andrews Thadious Davis Sue Bridwell Beckham Richard Megrav and Joyce Marie Jackson offer engaging reflections on art age race and gender Bertram Wyatt Brown delivers a startling reading of Faulkner revealing the tangled history of southern modernism Daniel C Littlefield Henry Shapiro and Charles Reagan Wilson provide important assessments of Africanisms in southern culture Appalachian studies and the blessing and burden of southern culture John Shelton Reed probes the humorous and awkward aspects of the South s midlife crisis John Lowe shows how the myth of the biracial southern family complicated plantation school narratives for both white and black writers

Showcasing the thought of preeminent southern intellectuals Bridging Southern Cultures is a timely assessment of the state of contemporary southern studies

The Roots of Southern Writing C. Hugh Holman, 2008 At the heart of the southern riddle you will find a union of opposites a condition of instability a paradox Calm grace and raw hatred Polished manners and violence An intense individualism and intense group pressures toward conformity A reverence to the point of idolatry of self determining action and a caste and class structure presupposing an aristocratic hierarchy A passion for political action and a willingness to surrender to the enslavement of demagogues A love of the nation intense enough to make the South's fighting men notorious in our wars and the advocacy of interposition and of the public defiance of national law A region breeding both Thomas Jefferson and John C Calhoun If these contradictions are to be brought in focus if these ambiguities are to be resolved it must be through the reconciliation of opposites And the reconciliation of opposites as Coleridge has told us is the function of the poet So begins the first of these seventeen penetrating essays drawn from long and fruitful reflection of southern life and art by C Hugh Holman Professor Holman maintains that there is a congeries of characteristics identifiably present in much southern writing and he astutely defines them in this collection William Gilmore Simms Ellen Glasgow Thomas Wolfe William Faulkner and Flannery O Connor are treated at length Among the other authors considered in terms of their roles in the making of the southern mind are James Branch Cabell T S Stripling Erskine Caldwell and Robert Penn Warren The essays strike a fine balance between general overview and specific analysis and they are so arranged as to make a unified study which forms a significant chapter in the intellectual history of the South Professor Holman asserts that out of the cauldron of the South's experience the southern writer has fashioned tragic grandeur and given it as a gift to his fellow Americans It is possible that no other southern accomplishment will equal it in enduring importance As urbanization and industrialism conspire to write an Epitaph for Dixie its greatest contribution to mankind may well be the lesson of its history and the drama of its suffering In these superb essays the author makes a convincing argument for that position

The History of Literature in Wei, Jin, Southern and Northern Dynasty Li Shi, The book is the volume of The History of Literature in Wei Jin Southern and Northern Dynasty among a series of books of Deep into China Histories The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600 1046 BC and the Bamboo Annals 296 BC describe a Xia dynasty c 2070 1600 BC before the Shang but no writing is known from the period The Shang ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization However Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River These Yellow River and Yangtze civilizations arose millennia before the Shang With thousands of years of continuous history China is one of the world's oldest civilizations and is regarded as one of the cradles of civilization The Zhou dynasty 1046 256 BC supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule The central Zhou government began to weaken due to external and internal pressures in the 8th century BC and the country eventually splintered into smaller states

during the Spring and Autumn period These states became independent and warred with one another in the following Warring States period Much of traditional Chinese culture literature and philosophy first developed during those troubled times In 221 BC Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin marking the beginning of imperial China However the oppressive government fell soon after his death and was supplanted by the longer lived Han dynasty 206 BC 220 AD Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly In the 21 centuries from 206 BC until AD 1912 routine administrative tasks were handled by a special elite of scholar officials Young men well versed in calligraphy history literature and philosophy were carefully selected through difficult government examinations China's last dynasty was the Qing 1644 1912 which was replaced by the Republic of China in 1912 and in the mainland by the People's Republic of China in 1949 Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood the most recent being the Chinese Civil War 1927 1949 China was occasionally dominated by steppe peoples most of whom were eventually assimilated into the Han Chinese culture and population Between eras of multiple kingdoms and warlordism Chinese dynasties have ruled parts or all of China in some eras control stretched as far as Xinjiang and Tibet as at present Traditional culture and influences from other parts of Asia and the Western world carried by waves of immigration cultural assimilation expansion and foreign contact form the basis of the modern culture of China

Southern Screens: Cinema, Culture and the Global South Antonio Traverso, 2018-05-16 Southern Screens Cinema culture and the global South adopts a transversal south south approach to the study of screen culture across national and cultural territories It examines the conditions by which screen culture participates in the generation sharing and circulation of new knowledge that is both southern and about the global South The contributors all of them residents of the world's southernmost nations examine new and traditional media that manifests an affinity with southern cultural imaginaries and territories identifiable through the sociological category of Global South Some of their chapters engage in analysis linked to specific national contexts others follow comparative approaches to screen culture across national regional and socio historical borders Sketching a new tapestry of references to other areas of southern social science and cultural theory Southern Screens traces a critical genealogy that here finds a productive place within an emerging comparative discussion of the screen cultures of the Global South This book was originally published as a special issue of Critical Arts South North Cultural and Media Studies

Tracing Southern Storytelling in Black and White Sarah Gilbreath Ford, 2014-10-15 Explores how both black and white southern writers such as Joel Chandler Harris Charles Chesnutt Zora Neale Hurston William Faulkner Eudora Welty Ralph Ellison Ellen Douglas and Ernest Gaines have employed oral storytelling in literature Tracing Southern Storytelling in Black and White is a study of the historical use of oral storytelling by southern writers in written works In each chapter Sarah Gilbreath Ford pairs a white and an African American writer to highlight points of confluence in black and white southern oral traditions She

argues that the connections between white and African American southern writers run deeper than critics have yet explored and she uses textual comparisons to examine the racial mixing of oral culture On porches in kitchens and on the pages of their work black and white southerners exchanged not just stories but strategies for telling stories As a boy Joel Chandler Harris listened to the stories of African American slaves and he devised a framework to turn the oral stories into written ones Harris s use of the frame structure influenced how Charles Chesnutt recorded oral stories but it led Alice Walker to complain that her heritage had been stolen Mark Twain listened to African American storytellers as a child His use of oral dialects then impacts how Ralph Ellison and William Faulkner employ oral storytelling and how Toni Morrison later writes in response to Faulkner The interactions are not linear not a chain of influence but a network of interactions borrowings and revisions Ford s pairings lead to new readings that reveal how the writers employ similar strategies in their narratives due in part to shared historical context While Zora Neale Hurston and William Faulkner for example use oral storytelling in the 1930s to examine the fear of racial mixing Ellen Douglas and Ernest Gaines use it in the 1970s to build bridges between the races Exploring the cultural crossing that occurs in the use of oral storytelling Ford offers a different view of this common strategy in southern narrative and a new perspective on how culture is shared

Gay Men in Modern Southern Literature William Mark Poteet, 2006 The concept of masculinity has had a profound influence on modern gay written and gay themed American Southern literature Much of the fiction and drama of three important contemporary writers Tennessee Williams Charles Nelson and Reynolds Price has been shaped by the cultural dynamics of the Southern tradition of codified definitions and parameters of masculinity This regional approach to literature also serves as critically protective maintaining its focus in an effort to avoid essentializing experience and identity *Gay Men in Modern Southern Literature* will be a valuable asset in the study of gender construction literary theory and modern American Southern writing Publisher s website

Contemporary Southern Literature Howard Mumford Jones, 1928 **The Southern Quarterly**, 1996 After Southern Modernism Matthew Guinn, 2011-06-14 The literature of the contemporary South might best be understood for its discontinuity with the literary past At odds with traditions of the Southern Renaissance southern literature of today sharply refutes the Nashville Agrarians and shares few of Faulkner s and Welty s concerns about place community and history This sweeping study of the literary South s new direction focuses on nine well established writers who by breaking away from the firmly ensconced myths have emerged as an iconoclastic generation Harry Crews Dorothy Allison Bobbie Ann Mason Larry Brown Kaye Gibbons Randall Kenan Richard Ford Cormac McCarthy and Barry Hannah Resisting the modernist methods of the past they have established their own postmodern ground beyond the shadow of their predecessors This shift in authorial perspective is a significant indicator of the future of southern writing Crews s seminal role as a ground breaking poor white author Mason s and Crews s portrayals of rural life and Allison s and Brown s frank portrayals of the lower class pose a challenge to traditional depictions of the South The dissenting voices of Gibbons and Kenan who focus on gender race and sexuality

create fiction that is at once identifiably southern and also distinctly subversive Gibbons's iconoclastic stance toward patriarchy like the outsider's critique of community found in Kenan's work proffers a portrait of the South unprecedented in the region's literature Ford McCarthy and Hannah each approach the South's traditional notions of history and community with new irreverence and treat familiar southern topics in a distinctly postmodern manner Whether through Ford's generic consumer landscape the haunted netherworld of McCarthy's southern novels or Hannah's riotous burlesque of the Civil War these authors assail the philosophical and cultural foundations from which the Southern Renaissance arose Challenging the conventional conceptions of the southern canon this is a provocative and innovative contribution to the region's literary study

The Engaging Realm of Kindle Books: A Thorough Guide Revealing the Benefits of E-book Books: A Realm of Ease and Flexibility Kindle books, with their inherent portability and ease of availability, have liberated readers from the constraints of physical books. Done are the days of carrying cumbersome novels or meticulously searching for specific titles in bookstores. E-book devices, sleek and lightweight, effortlessly store an wide library of books, allowing readers to indulge in their preferred reads whenever, everywhere. Whether commuting on a busy train, relaxing on a sun-kissed beach, or simply cozying up in bed, Kindle books provide an exceptional level of convenience. A Reading Universe Unfolded: Discovering the Vast Array of E-book Southern Literature And Literary Theory Southern Literature And Literary Theory The Kindle Shop, a virtual treasure trove of literary gems, boasts an extensive collection of books spanning varied genres, catering to every readers preference and choice.
