Southern Rapture:

Southern Rapture Jennifer Blake, 1991-01-28 Lettie Mason a proper yet headstrong Boston schoolteacher journeyed to a small Louisiana town after the Civil War to expose the wretched rogue who'd killed her brother The man was known as Thorn a man with a reputation for both murder and mercy She was sure he had killed her brother but she learned that he also helped save the homes and lives of many townspeople How could she reconcile these two different images of the same man and how could she accept the overwhelming desire the thrilling passion and the reckless abandon he aroused deep within her

Southern Rapture Boni Heck, Bonnie Heck, 1993 This spicy Creole romance set in steamy New Orleans is sure to heat up sales A fiesty young orphan who's left in the charge of her late father's old friend surrenders to his urgent kisses and discovers rapture in his embrace Southern Belle and the Daughters of Desire Ryder J. Chase, 2025-09-17 Belleford Georgia 1875 Evangeline Hartwell appears to be everything a Southern lady should be graceful devout and untouchable But beneath the satin and lace she burns with a restless craving Not for polite society suitors but for the rough allure of drifters the strength of railroad men and the forbidden magnetism of a Black preacher whose sermons stir more than her spirit What begins as reckless indulgence grows into something far greater a daring vision cloaked in piety Together with her chosen preacher Evangeline lays the foundation for the Daughters of Divine Mercy a movement that masks desire with devotion and scandal with sanctity Southern Belle and the Daughters of Desire launches an audacious historical tale where passion knows no boundaries propriety is only a mask and one woman's unquenchable appetite may ignite a movement that changes everything

The Southern Harp Mary Dana Shindler, 1841 *Autobiographical Reflections on Southern Religious History* John B. Boles, 2001 Invoking the strong ties they sense between the courses of their lives and their careers the sixteen historians of religion who have contributed to *Autobiographical Reflections on Southern Religious History* share their thoughts and motivations In these highly personal essays both pioneering and promising young scholars discuss their work and interests as they recall how the circumstances of their upbringing and education steered them toward religious history They tell of their

own time and place and of their growing awareness of how religion ties into larger social issues gender class and most notably race Indeed one essay begins I was asked to write about why I came to study religion in the South It was then I realized that it was because my grandfather had been lynched Lutheran Jewish Catholic Methodist and Episcopal viewpoints are represented as of course are Baptist Some contributors have stood in the pulpit others at least commenced their higher education with that aim While some contributors were born and reared and now work in the Bible Belt others are outsiders physically philosophically or both Some came from intellectual traditions others were the first in their family to attend college Despite their common interest in its history southern religion is anything but an intellectual abstraction for the contributors to this book It is a potent force and here sixteen men and women offer themselves as proof of its power to shape lives

The ^Along Southern Strategy Angie Maxwell, Todd Shields, 2019-06-24 In *The Long Southern Strategy* Angie Maxwell and Todd Shields trace the consequences of the GOP s decision to court white voters in the South Over time Republicans adopted racially coded anti feminist and evangelical Christian rhetoric and policies making its platform more southern and more partisan and the remodel paid off This strategy has helped the party

reach new voters and secure electoral victories up to and including the 2016 election Now in any Republican primary the most southern presenting candidate wins regardless of whether that identity is real or performed Using an original and wide ranging data set of voter opinions Maxwell and Shields examine what southerners believe and show how Republicans such as Donald Trump stoke support in the South and among southern identified voters across the nation Under the Southern Sun [poems] Mary B.
