A List of South African Newspapers, 1800-1982, with Library Holdings ,1985 **Warfare and Tracking in Africa, 1952-1990** Timothy J Stapleton,2015-10-06 During the decolonization wars in East and Southern Africa tracking became increasingly valuable as a military tactic Drawing on archival research and interviews Stapleton presents a comparative study of the role of tracking in insurgency and counter insurgency across Kenya Zimbabwe and Namibia

Psychiatry, Mental Institutions, and the Mad in Apartheid South Africa Tiffany Fawn Jones,2012 This book is an examination of South African mental institutions and policy from 1939 1994 It examines how racial gender and sexual discrimination affected practitioners views and practices and also reveals the role that patients and international events played in shaping mental health policy Serials in the British Library ,2007 **Struggle for a Free South Africa** Derek Charles Catsam,2024-02-15 This book explores anti apartheid movements on university and college campuses across Africa and the United States in the 1970s and 1980s In the wake of the March 1960 Sharpeville Massacre in South Africa the country s apartheid policies drew increasing critical international attention By the 1970s South Africa found itself isolated due to growing sporting economic and cultural boycotts Africans across the continent showed solidarity with Black South Africans through a range of boycotts and protests by hosting South Africans exiled from their home country and by vilifying the apartheid government at every turn This volume looks at elite institutions as well as state colleges and universities in the United States and the actions of university students in Nigeria Kenya Ghana and South Africa during the anti apartheid movements in the 1970s and 1980s revealing the local manifestations of a global struggle The chapters showcase how vibrant campus anti apartheid movements were what universal problems emerged and where unique concerns manifested at a wide range of institutions Taking innovative approaches and offering case studies Struggle for a Free South Africa reveals the myriad ways the anti apartheid struggle manifested in a range of academic environments and how those campaigns have been remembered and documented This book was originally published as a special issue of Safundi **Florida's Minority Trailblazers** Susan MacManus,2016-11-21 Saves a piece of Florida political history by narrating the personal stories of the state s minority trailblazers from the Civil Rights Movement to the present day Richard E Foglesong author of Immigrant Prince Mel Martinez and the American Dream Captures Florida s ongoing political transition from a yellow dog lily white state to one where diversity is beginning to make an impact on politics Doug Lyons former senior editorial writer South Florida Sun Sentinel Florida experienced a population surge during the 1960s that diversified the state and transformed it into a microcosm of the nation but discrimination remained pervasive With the passage of the Civil Rights Act of 1964 and the Voting Rights Act of 1965 along with later rulings on redistricting and term limits the opportunity to participate in government became more and more possible for previously silenced voices Drawing primarily from personal interviews Susan MacManus recounts the stories of the first minority men and women both Democrat and Republican who were elected

or appointed to state legislative executive and judicial offices and to the U S Congress since the 1960s She reveals what drove these leaders to enter office how they ran their campaigns what kinds of discrimination they encountered what rewards each found during their terms and what advice they would share with aspiring politicians In addition to the words of the officeholders themselves MacManus provides helpful timelines photos biographical sketches of each politician and election results from path breaking victories The book also includes comprehensive rosters of minority individuals who have held state offices and those who have gone on to represent Florida in the federal government Full of inspiring stories and informative statistics Florida s Minority Trailblazers is an in depth rendering of personal struggles guided by opportunity ambition and idealism that have made Florida the vibrant diverse state it is today Susan A MacManus is Distinguished University Professor in the Department of Government and International Affairs at the University of South Florida and the coauthor of *Politics in Florida* and *Politics in States and Communities* A volume in the series *Florida Government and Politics* edited by David R Colburn and Susan A MacManus

War and Peace In Sudan Mansour Khalid, 2012-10-12 First Published in 2003 Nearly half a century ago the first flares of Sudan s civil war were enkindled Today as the world enters a new century and a new millennium Sudan s civil war has degenerated into an inferno of carnage and destruction Sudan s war however is no different from wars elsewhere it is an entangled political cultural and social weave with equally intricate international ramifications This volume charts Sudanese s history of conflict

Cyclones in Southern Africa Godwell Nhamo, David Chikodzi, 2021-09-28 Tropical cyclones in Southern Africa also known as hurricanes or typhoons in other regions of the world is a hot subject for academic research This focus has been magnified by the need to consider tropical cyclones in the context of other global development agendas that includes the 2030 Agenda for Sustainable Development and its inseparable 17 Sustainable Development Goals SDGs the Paris Agreement the Sendai Framework for Disaster Risk Reduction and Habitat III s New Urban Agenda The ambitious SDGs challenge global and community leaders to make sure development addresses the nexus among poverty inequality and employment creation as well as care for the earth and its natural resources and biodiversity The SDGs further present an agenda to eradicate hunger bring quality education and sustain water and sanitation The infrastructure development human settlements sustainable consumption and production climate change biodiversity and the ocean blue economy agendas are also pitched Lastly the 2030 Agenda for Sustainable Development encourages partnerships on delivering various programmes and projects at all spatial levels However as tropical cyclones continue to make multiple landfalls and ravage Southern Africa and other parts of the world the achievement of the 2030 Agenda for Sustainable Development is threatened To this end this book addresses this gap by documenting the implications of tropical cyclones drawing examples and case studies from recent tropical cyclones such as cyclone Idai and cyclone Kenneth that resulted in catastrophic impacts in 2019 The book comes as part of a series with three volumes The other volumes include *Cyclones in Southern Africa Vol 1 Interfacing the Catastrophic Impact of Cyclone Idai*

with SDGs in Zimbabwe and Cyclones in Southern Africa Vol 2 Foundational and Fundamental Topics Given the foregoing the book is suitable as a read for several professionals and disciplines such as tourism and hospitality studies economics sustainable development development studies environmental sciences arts geography life sciences politics planning and public health

South Africa's Weapons of Mass Destruction Helen E. Purkitt, Stephen F. Burgess, 2005-05-11 South Africa's Weapons of Mass Destruction offers an in depth view of the secret development and voluntary disarmament of South Africa's nuclear biological and chemical weapons program Project Coast Helen E Purkitt and Stephen F Burgess explore how systems used for nuclear biological and chemical weapons in South Africa were acquired and established beyond the gaze of international and domestic political actors On the basis of archival evidence from Project Coast and their own extensive interviews with military and political officials Purkitt and Burgess consider what motivates countries to acquire and build such powerful weaponry and examine when and how decisions are made to dismantle a military arsenal voluntarily Questions such as how to destroy weapons safely and keep them from reappearing on international markets are considered along with comparative strategies for successful disarmament in other nation states
