Partisans of the Southern Press Carl R. Osthaus, 2021-12-14 Carl R Osthaus examines the southern contribution to American Press history from Thomas Ritchie's mastery of sectional politics and the New Orleans Picayune's popular voice

and use of local color to the emergence of progressive New South editors Henry Watterson Francis Dawson and Henry Grady who imitated as far as possible the New Journalism of the 1880s Unlike black and reform editors who spoke for minorities and the poor the South's mainstream editors of the nineteenth century advanced the interests of the elite and helped create the myth of southern unity The southern press diverged from national standards in the years of sectionalism Civil War and Reconstruction Addicted to editorial diatribes rather than to news gathering these southern editors of the middle period were violent partisan and vindictive They exemplified and defended freedom of the press but the South's press was free only because southern society was closed This work broadens our understanding of journalism of the South while making a valuable contribution to southern history

The Kentucky Encyclopedia John E. Kleber, 2014-10-17 The Kentucky Encyclopedia's 2 000 plus entries are the work of more than five hundred writers Their subjects reflect all areas of the commonwealth and span the time from prehistoric settlement to today's headlines recording Kentuckians' achievements in art architecture business education politics religion science and sports Biographical sketches portray all of Kentucky's governors and U S senators as well as note congressmen and state and local politicians Kentucky's impact on the national scene is registered in the lives of such figures as Carry Nation Henry Clay Louis Brandeis and Alben Barkley The commonwealth's high range from writers Harriette Arnow and Jesse Stuart reformers Laura Clay and Mary Breckinridge and civil rights leaders Whitney Young Jr and Georgia Powers to sports figures Muhammad Ali and Adolph Rupp and entertainers Loretta Lynn Merle Travis and the Everly Brothers Entries describe each county and county seat and each community with a population above 2 500 Broad overview articles examine such topics as agriculture segregation transportation literature and folklife Frequently misunderstood aspects of Kentucky's history and culture are clarified and popular misconceptions corrected The facts on such subjects as mint juleps Fort Knox Boone's coonskin cap the Kentucky hot brown and Morgan's Raiders will settle many an argument For both the researcher and the more casual reader this collection of facts and fancies about Kentucky and Kentuckians will be an invaluable resource

Southern Seen Larry T. McGehee, 2005 While working at the University of Tennessee in the early 1980s Larry T McGehee was looking for a way to share the wealth of history politics art and culture with the residents of the South's small towns He hit upon the idea of a newspaper column that would run in the region's weekly papers Through his stories McGehee encouraged people

to look at the people places and things around them with a fresh set of eyes Southern Seen collects McGehee's numerous columns exploring the South's history inhabitants mannerisms food and foibles The book is divided into eight categories outdoors place education people conflict food play and religion His subjects range from the outdoors and the creatures that inhabit it to the Civil War and its battle sites to unique southern symbols and the South's particular culinary delicacies The author celebrates the traditions and work of the harvest season and extols the beauty of migrating hummingbirds and the rare delight of a southern snowstorm McGehee meditates on the drastic changes machines and inventions such as air conditioning have brought to the region and he looks for lessons in the mighty floods that occur in the contemporary South The columns by turns funny and poignant biting and sweet celebrate the past and look to the future The wild turkey once common in the backcountry brush is now an example of a vanishing forest population and local farmers markets strive to sustain the livelihood of embattled small family farmers McGehee applies the legacy of the Hatfield McCoy feuds to the regional and international strife of modern times and examines the sacrifice and contributions of the South's young men who served in the wars of the last century He revels in the pride of each part of the region for its own unique barbecue and delights in the memories of the small town drugstore which offered everything from health advice to a cream soda Through the stories of famous figures local residents and the folk traditions that shape everyday life McGehee celebrates the diversity of life in the South and offers irreplaceable insights into what continues to make the region unique

Editors Make War Donald E. Reynolds, 2006 Using editorials published in 196 newspapers before the outbreak of the Civil War Donald E. Reynolds shows the evolution of the editors viewpoints and

explains how editors helped influence the traditionally conservative and nationalistic South to revolt and secede *Southern Cultivator* ,1846 My Century in History Thomas D. Clark,2006-08-04 The imminent American historian and author of A History of Kentucky shares his life story spanning the twentieth century When Thomas D Clark was hired to teach history at the University of Kentucky in 1931 he began a career that would span nearly three quarters of a century and would profoundly change not only the history department and the university but the entire Commonwealth His still definitive AHistory of Kentucky 1937 was one of more than thirty books he would write or edit that dealt with Kentucky the South and the American frontier In addition to his wide scholarly contributions Clark devoted his life to the preservation of Kentucky s historical records He began this crusade by collecting vast stores of Kentucky s military records from the War of 1812 the Mexican War and the Civil War His efforts resulted in the Commonwealth s first archival system and the subsequent creation of the Kentucky Library and Archives the University of Kentucky Special Collections and Archives the Kentucky Oral History Commission the Kentucky History Center recently named for him and the University Press of Kentucky Born in 1903 on a cotton farm in Louisville Mississippi Thomas Dionysius Clark would follow a long and winding path to find his life s passion in the study of history He dropped out of school after seventh grade to work first at a sawmill and then on a canal dredge boat before resuming his formal education Clark s earliest memories hearing about local lynch mob violence and witnessing the destruction of virgin forest are an invaluable window into the national issues of racial injustice and environmental depredation In many ways the story of Dr Clark s life is the story of America in the twentieth century In My Century in History Clark offers vivid memories of his journey both personal and academic a journey that took him from Mississippi to Kentucky and North Carolina to leadership of the nation s major historical organizations and to visiting professorships in Austria England Greece and India as well as in universities throughout the United States An enormously popular public lecturer and teacher he touched thousands of lives in Kentucky and around the world With his characteristic wit and insight Clark now offers his many admirers one final volume of history his own Three American Frontiers Thomas D. Clark,2021-11-21 The casual and the serious of American history fiddlers yarn spinners and riverboat gamblers politicians educators and social reformers have all concerned Thomas D Clark celebrated historian of the Western frontier and the changing South Three American Frontiers a volume of his selected writings draws from works produced throughout Clark s long career as a writer teacher and lecturer on the frontier West social change in the South and the cutting edge of historical research An avid researcher and a tenacious collector of original materials Clark looks to the everyday items like the record book of a country store the file of a small town newspaper or the diary of a young Gold Rusher for aids to the analysis of larger trends in history Holman Hamilton conveys Clark s unique approach to his material and his enthusiasm for the common man in America s past *The Big Tent* Gregory J. Renoff,2008-07-15 The Big Tent relates the circus experience from the perspectives of its diverse audiences telling what locals might have seen and done while the show was in town

Renoff digs deeper too He points out for instance that the performances of these itinerant outfits in Jim Crow era Georgia allowed boisterous unrestrained interaction between blacks and whites on show lots and city streets on Circus Day Renoff also looks at encounters between southerners and the largely northern population of circus owners promoters and performers who were frequently accused of inciting public disorder and purveying lowbrow prurience in part due to residual anger over the Civil War

One Homogeneous People Trent A. Brown,2010-09-30 Southerners have a reputation as storytellers as a people fond of telling about family community and the southern way of life A compelling book about some of those stories and their consequences One Homogeneous People examines the forging and the embracing of southern pan whiteness as an ideal during the volatile years surrounding the turn of the twentieth century Trent Watts argues that despite real and significant divisions within the South along lines of religion class and ethnicity white southerners especially in moments of perceived danger asserted that they were one people bound by a shared history a love of family home and community and an uncompromising belief in white supremacy Watts explores how these southerners explained their region and its people to themselves and other Americans through narratives found in a variety of forms and contexts political oratory fiction historiography journalism correspondence literary criticism and the built environment Watts examines the assertions of an ordered homogeneous white South and the threats to it in the unsettling years following the end of Reconstruction through the early 1900s In three extended essays on related themes of race and power the book demonstrates the remarkable similarity of discourses of pan whiteness across formal and generic lines In an insightful concluding essay that focuses on an important but largely unexamined institution Mississippi's Neshoba County Fair Watts shows how narratives of pan white identity initiated in the late nineteenth century have persisted to the present day Written in a lively style One Homogeneous People is a valuable addition to the scholarship on southern culture and post Reconstruction southern history

The Routledge Companion to American Journalism History Melita M. Garza,Michael Fuhlhage,Tracy Lucht,2023-09-20 The Routledge Companion to American Journalism History revisits media history across forms formats and multiple fault lines including gender ethnicity race and citizenship status Original contributions highlight areas of journalism history in desperate need of further treatment with a special focus on diversity equity and accountability Sections cover the early origins and development of journalism in the United States pivotal moments and personalities in various strands of journalism underrepresented groups and formats in journalism history and key issues in doing journalism history Authors aim to fill in the gaps left by traditional historical narratives by examining overlooked subjects such as labor reporting and overdue theoretical perspectives such as intersectionality Collectively the voices in this book offer a more inclusive paradigm for the field Written by a range of recognized journalism scholars both well established and emerging this collection offers a thought provoking starting point for researchers and advanced students seeking a critical understanding of American journalism history as conceived in the current era
