Southern Kensington Kensington Square To Earls Court:

Southern Kensington ,1986 *Kensington in 50 Buildings* Steve Bower,2025-02-15 Explore the rich history of the West London district of Kensington in this guided tour through its most fascinating historic and modern buildings “*The Wandering Life I Led*” Susan Shifrin,2009-05-27 This book of essays brings together international scholars working on the literary visual musical and theatrical representations and reception of Hortense Mancini Duchess Mazarin an early modern woman whose literal geographical border crossings serve here as the starting point for an investigation of her and others elisions and transgressions of borders of all kinds The authors lay out strategies for exploring the ways in which she crossed geographical gendered cultural and in scholarly terms disciplinary boundaries and in so doing consider how an investigation of those border crossings can enhance our understanding of early modern cultural formation The new work presented here by some of the most distinguished junior and senior scholars working today in the fields of history art history literary history the history of theater and the history of music promises to stimulate a broader scholarly discussion about early modern border crossing and women s places in the early modern period in general Routledge Revivals: Metropolis London (1989) David Feldman,Gareth Stedman Jones,2016-10-04 First published in 1989 this book seeks to demonstrate the social and political images of late twentieth century London the post big bang city docklands trade union defeats a mounting north south divide do not mark as decisive break with the past as they may appear to It argues that the most striking thing about London s history since 1800 is the continuities and recurrences which punctuate it The essays collected in this book focus on these themes and address important questions about class nationality sexual difference and radical politics They combine the established strengths of social history with more innovative approaches such as the history of representations *Edwardian London Through Japanese Eyes* Yoshio Markino,2011-12-23 The Japanese artist Yoshio Markino enjoyed a successful career in early twentieth century London as an artist and author This book examines his uniquely Asian perspective on British society and culture at a time when Japan eagerly sought engagement with the West **London’s Urban Landscape** Christopher Tilley,2019-05-07 London s Urban Landscape is the first major study of a global city to adopt a materialist perspective and stress the significance of place and the built environment to the urban landscape Edited by Christopher Tilley the volume is inspired by phenomenological thinking and presents fine grained ethnographies of the practices of everyday life in London In doing so it charts a unique perspective on the city that integrates ethnographies of daily life with an analysis of material culture The first part of the volume considers the residential sphere of urban life discussing in detailed case studies ordinary residential streets housing estates suburbia and London s mobile linear village of houseboats The second part analyses the public sphere including ethnographies of markets a park the social rhythms of a taxi rank and graffiti and street art London s Urban Landscape returns us to the everyday lives of people and the manner in which they understand their lives The deeply sensuous character of the embodied experience of the city is invoked in the thick

descriptions of entangled relationships between people and places and the paths of movement between them What stories do door bells and house facades tell us about contemporary life in a Victorian terrace How do antiques acquire value and significance in a market How does living in a concrete megastructure relate to the lives of the people who dwell there These and a host of other questions are addressed in this fascinating book that will appeal widely to all readers interested in London or contemporary urban life

Bricks of Victorian London Peter Hounsell, 2022-11-01 Many of London's Victorian buildings are built of coarse textured yellow bricks These are London stocks produced in very large quantities all through the nineteenth century and notable for their ability to withstand the airborne pollutants of the Victorian city Whether visible or as is sometimes the case hidden behind stonework or underground they form a major part of the fabric of the capital Until now little has been written about how and where they were made and the people who made them Peter Hounsell has written a detailed history of the industry which supplied these bricks to the London market offering a fresh perspective on the social and economic history of the city In it he reveals the workings of a complex network of finance and labour From landowners who saw an opportunity to profit from the clay on their land to entrepreneurs who sought to build a business as brick manufacturers to those who actually made the bricks the book considers the process in detail placing it in the context of the supply and demand factors that affected the numbers of bricks produced and the costs involved in equipping and running a brickworks Transport from the brickfields to the market was crucial and Dr Hounsell conducts a full survey of the different routes by which bricks were delivered to building sites by road by Thames barge or canal boat and in the second half of the century by the new railways The companies that made the bricks employed many thousands of men women and children and their working lives homes and culture are looked at here as well as the journey towards better working conditions and wages The decline of the handmade yellow stock was eventually brought about by the arrival of the machine made Fletton brick that competed directly with it on price Brickmaking in the vicinity of London finally disappeared after the Second World War Although its demise has left little evidence in the landscape this industry influenced the developme

Southern Kensington Greater London Council, 1986 This volume deals with two very different faces of Kensington the gracious Old Court Suburb including Kensington Square and the area immediately south of Kensington High Street and the terraced housing and mansion flats that grew up on former market gardens stretching south to Old Brompton Road ultimately to host the bedsitters of Earl's Court Both past and existing buildings are described in detail Kensington House Batty's Hippodrome in De Vere Gardens St Mary Abbots Hospital among much else

London in the Twentieth Century Jerry White, 2009-11-10 Jerry White's *London in the Twentieth Century* Winner of the Wolfson Prize is a masterful account of the city's most tumultuous century by its leading expert In 1901 no other city matched London in size wealth and grandeur Yet it was also a city where poverty and disease were rife For its inhabitants such contradictions and diversity were the defining experience of the next century of dazzling change In the worlds of work and popular culture politics and crime through war immigration

and sexual revolution Jerry White's richly detailed and captivating history shows how the city shaped their lives and how it in turn was shaped by them Religious Vitality in Victorian London W. M. Jacob, 2021-09-01 This innovative book challenges many of the widely held assumptions about the place of religion in Victorian society and in London the world's first great industrial and commercial metropolis Against the background of Victorian London it explores the religiosity of Londoners as expressed through the dynamic renewal of traditional faith communities including Judaism and the historic churches as well as fresh expressions of religion including the Salvation Army Mormons spiritualism and the occult It shows how laypeople especially the rich and women were mobilised in the service of their faith and their fellow citizens Drawing on research in social economic oral cultural and women's history Jacob argues that religious motivations lay behind concerns that subsequently preoccupied people in the twentieth and twenty first centuries These include the changing place of women in society an active concern for social justice the sexual exploitation of women and children and provision of education for all classes and all ages By examining religion broadly in its social and cultural context and looking beyond conventional approaches to religious history Religious Vitality in Victorian London illustrates the dynamic significance of religion in society influencing even the expression of secularism **Routledge Revivals: History Workshop Series** Various Authors, 2022-07-30 First published between 1975 and 1991 this set reissues 13 volumes that originally appeared as part of the History Workshop Series This series of books which grew out of the journal of the same name advocated history from below and examined numerous often social issues from the perspectives of ordinary people In the words of founder Raphael Samuel the aim was to turn historical research and writing into a collaborative enterprise via public gatherings outside of a traditional academic setting that could be used to support activism and social justice as well as informing politics Some of the topics examined in the set include mineral workers rural radicalism and the lives and occupations of villagers in the nineteenth century working class association the development of left wing workers theatre and the changing attitudes to mass culture across the twentieth century the changing fortunes of the East End at the turn of the century the position of women from the nineteenth century to the present the miners strike of 1984 5 the social and political images of late twentieth century London and a three volume analysis of the myriad facets of English patriotism This set will be of interest to students of history sociology gender and politics **The London Manual for ...** Sir Robert Donald, 1908 **London 3** Bridget Cherry, Nikolaus Pevsner, 2002-01-01 A comprehensive architectural guide encompassing three centuries of metropolitan growth spanning an area from Georgian St Marylebone and the riverside terraces of Chelsea and Chiswick to Heathrow Airport and the outer fringes of Middlesex **The London Manual** Robert Donald, 1908 The Municipal Year Book and Public Services Directory, 1908 *The Municipal Year Book and Public Utilities Directory*, 1909 Municipal Year Book of the United Kingdom, 1909 *The Municipal Year Book and Public Utilities Directory* Sir Robert Donald, 1909 **Amazing Grace** Richard Tomlinson, 2015-09-03 On a sunny afternoon in May 1868 nineteen year old Gilbert Grace stood

in a Wiltshire field wondering why he was playing cricket against the Great Western Railway Club A batting genius W G should have been starring at Lord s in the grand opening match of the season But MCC did not want to elect this humble son of a provincial doctor W G s career was faltering before it had barely begun Grace finally forced his way into MCC and over the next three decades millions came to watch him not just at Lord s but across the British Empire and beyond Only W G could boast a fan base that stretched from an American Civil War general and the Prince of Wales s mistress to the children who fingered his coat tails as he walked down the street just to say I touched him The public never knew the darker story behind W G s triumphal progress Accused of avarice W G was married to the daughter of a bankrupt Disparaged as a simpleton his subversive mind recast how to play sport thrillingly hard pushing the rules beating his opponents his own way In *Amazing Grace* Richard Tomlinson unearths a life lived so far ahead of his times that W G is still misunderstood today For the first time Tomlinson delves into long buried archives in England and Australia to reveal the real W G a self made self destructive genius at odds with the world and himself *Old and New London: The southern suburbs* George Walter Thornbury, 1893
