Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era

George Ritzer

Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era:

Sovereignty at the Crossroads? Luis E. Lugo, 1996 Renewed ethnic and nationalist strife the proliferation of nuclear weapons rogue states that disregard elementary norms of international conduct brutal regimes that torture their own citizens the widespread use of terrorism and other trends demonstrate the dangerous and unpredictable nature of international politics in the Post Cold War Era The prominent contributors to this edition reassess these problems from a moral philosophical perspective in an effort to move beyond familiar ways of thinking These insightful essays draw on a long and rich tradition of Christian political reflection to cast a moral light on international politics and to enrich public discourse on these pressing matters Sovereignty at the Crossroads is important reading for everyone concerned about the political stability economic development and ecological integrity of the post cold war world Sponsored by the Calvin Center for Christian Scholarship

The Sacred and the Sovereign John D. Carlson, Erik C. Owens, 2003-06-11 Until September 11th 2001 few in the West fully appreciated the significance of religion in international politics The terrible events of that day refocused our attention on how thoroughly religion and politics intermingle sometimes with horrific results But must this intermingling always be so deadly The Sacred and the Sovereign brings together leading voices to consider the roles that religion should and should not play in a post Cold War age distinguished by humanitarian intervention terrorism globalization and challenges to state sovereignty But these challenges to state sovereignty have deep and abiding roots in religion that invite us to revisit just what values we hold sacred Offsetting the commonly shared idea that religion is politics perennial nemesis this volume demonstrates that religious traditions institutions and ideas are essential elements of the political quest for human rights peace order legitimacy and justice The Sacred and the Sovereign brings distinguished scholars of religious studies theology and politics together with ranking members of the military and government to reflect seriously about where and if safe boundaries can be drawn between religion and politics in the international arena

Hybrid Sovereignty in World Politics Swati Srivastava, 2022-09-08 The idea of hybrid sovereignty describes overlapping relations between public and private actors in important areas of global power such as contractors fighting international wars corporations regulating global markets or governments collaborating with nongovernmental entities to influence foreign elections This innovative study shows that these connections sometimes hidden and often poorly understood underpin the global order in which power flows without regard to public and private boundaries Drawing on extensive original archival research Swati Srivastava reveals the little known stories of how this hybrid power operated at some of the most important turning points in world history spreading the British empire founding the United States establishing free trade realizing transnational human rights and conducting twenty first century wars In order to sustain meaningful dialogues about the future of global power and political authority it is crucial that we begin to understand how hybrid sovereignty emerged and continues to shape international relations

Power Politics and Moral Order Eric D. Patterson, Robert J. Joustra, 2022-03-28 Christian realism is

undergoing a renaissance in both American Christianity and around the world Caught between globalist liberalism on the one hand and pragmatic realism on the other Christians are in search of international ethics a standard and tradition in foreign policy that takes the two great books of life the Christian Scriptures and the world we live in seriously This book is an extended edited collection that mines the tradition of Christian realism in international relations and finds in it voices and mentors urgently fresh for a new age With classic authors like Reinhold Niebuhr Herbert Butterfield Paul Ramsey and Jean Bethke Elshtain and contemporaries like Marc LiVecche Rebecca Heinrichs and others this collection offers for the first time an organization periodization and collection of primary Christian realist sources for the initiate and the expert in foreign relations

Sovereignty & the Responsibility to Protect Luke Glanville, 2022-12-22 In 2011 the United Nations Security Council adopted Resolution 1973 authorizing its member states to take measures to protect Libyan civilians from Muammar Gadhafi's forces In invoking the responsibility to protect the resolution draws on the principle that sovereign states are responsible and accountable to the international community for the protection of their populations and that the international community can act to protect populations when national authorities fail to do so The idea that sovereignty includes the responsibility to protect is often seen as a departure from the classic definition but it actually has deep historical roots In *Sovereignty and the Responsibility to Protect* Luke Glanville argues that this responsibility extends back to the sixteenth and seventeenth centuries and that states have since been accountable for this responsibility to God the people and the international community Over time the right to national self governance came to take priority over the protection of individual liberties but the noninterventionist understanding of sovereignty was only firmly established in the twentieth century and it remained for only a few decades before it was challenged by renewed claims that sovereigns are responsible for protection Glanville traces the relationship between sovereignty and responsibility from the early modern period to the present day and offers a new history with profound implications for the present

The Responsibility to Protect International Commission on Intervention and State Sovereignty, International Development Research Centre (Canada), 2001 Responsibility to Protect Research bibliography background Supplementary volume to the Report of the International Commission on Intervention and State Sovereignty Boundaries and Justice Sohail H. Hashmi, David Miller, 2021-05-11

Despite the supreme political and economic significance of boundaries and ongoing challenges to existing national boundaries scant attention has been paid to their ethics This volume explores how diverse ethical traditions understand the political and property rights reflected in territorial and jurisdictional boundaries It is the first book to bring together thinkers from a range of traditions both religious and secular to discuss the ethics of boundaries Each contributor represents a tradition's views on questions surrounding the use of boundaries to delimit property and political rights What does it mean to own something What resources should not be privately owned What justifies the erection of political boundaries between one people and another How hard should such boundaries be What rights extend to minorities within a state Should territorial

boundaries coincide with social ones Does national autonomy have an ethical basis or is it an aspect of modern power politics Should we aim for a more inclusive community than that afforded by modern nation states Cross chapter dialogue and a substantive conclusion draw out similarities and differences among the traditions represented traditions that include Christianity classical liberalism Confucianism international law Islam Judaism liberal egalitarianism and natural law In addition to the editors the contributors are Nigel Biggar Joseph Boyle Joseph Chan Russell Hardin Will Kymlicka Loren Lomasky Robert McCorquodale Richard B Miller David Novak Sulayman Nyang Michael Nylan Raul C Pangalangan Daniel Philpott Jeremy Rabkin Hillel Steiner M Raquibuz Zaman and Noam J Zohar *Peace Studies* Matthew Evangelista, 2005 The academic field of Peace Studies emerged during the Cold War to address the nature and sources of interstate and internal conflict and methods to prevent it and deal with its consequences *Christian Faith, Philosophy & International Relations*, 2019-10-29 International relations are in constant turbulence Globalisation the rise and fall of superpowers the fragilisation of the EU trade wars real wars terrorism persecution new nationalism and identity politics climate change are just a few of the recent disturbing developments How can international issues be understood and addressed from a Christian faith perspective In this book answers are presented from various Christian traditions Neo calvinism Catholic social teaching critical theory and Christian realism The volume offers fundamental theological and Christian philosophical perspectives on international relations and global challenges case studies about inspiring Christian leaders such as Robert Schuman Dag Hammarskjöld Abraham Kuyper and prophetic critiques of supranational issues Changing Norms Through Actions Jennifer Ramos, 2013-03-21 How do international norms evolve This book focuses on the most important norm in the international system the norm of sovereignty and argues that the extent to which norms change depends on the outcome of military intervention *The Religious Problem with Religious Freedom* Robert Joustra, 2017-08-17 Rival understandings of the meaning and practice of the religious and the secular lead to rival public perspectives about religion and religious freedom in North America This book explores how debates over the American Office of Religious Freedom and its International Religious Freedom Act IRFA 1998 and very recent debates over the Canadian Office of Religious Freedom 2013 have pitted at least six basic but very different meanings of the religious and the secular against each other in often undisclosed and usually unproductive ways Properly naming this religious problem is a critical first step to acknowledging and conciliating their practically polar political prescriptions It must be considered how we are to think about religion in political offices both the Canadian and the American experience as an essentially contested term and one which demands better than postmodern paralysis what the author terms political theology This is especially critical since both of these cases are not just about how to deal with religion at home but how to engage with religion abroad where real peril and real practical policy must be undertaken to protect increasingly besieged religious minorities Finally a principled pluralist approach to the religious and the secular suggests a way to think outside the religious problem and productively enlist and

engage the forces of religion resurging around the globe The book will be of great use to scholars and students in religion and foreign affairs secularization political theology and political theory as well as professionals and policy makers working in issues relating to religion religious freedom and foreign affairs Modern Just War Theory Michael P. Farrell,2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today s students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as ththose presented by the changing nature of warfare Modern Just War Theory A Guide to Research by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell s guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories Modern Just War Theory will appeal to students and scholars of theology military history international law and Christian ethics *Modernity, the Environment, and the Christian Just War Tradition* Mark Douglas,2022-05-26 Explicates the way the Christian just war tradition shaped modernity and modernity s blindness to the interpenetration of nature and politics This book sits uniquely at the intersection of just war thinking environmental history and theological ethics

European Constitutional Language András Jakab,2016-04-15 Provides a systematic analysis of both the historical development and current interpretation of constitutional law discourse in Europe **Humanitarian Intervention** J. L. Holzgrefe,Robert O. Keohane,2003-02-13 An interdisciplinary approach to humanitarian intervention by experts in law politics and ethics **Handbook of Social Problems** George Ritzer,2004 Ritzer s Handbook of Social Problems offers a comprehensive treatment of today s major societal issues The articles are authored by some of the top scholars in the field and address problem areas that will capture the interests of students and professors alike The international coverage is most welcome in this time of intensifying global inequalities Nancy Jurik Arizona State University The Handbook of Social

Problems A Comparative International Perspective provides a unique broadly comparative perspective on the current state of social problems and deviance in a variety of societies around the world Editor George Ritzer along with leading U S and international sociologists examines the relationship between social problems and a society's level of development and affluence The essays in this volume focus on four interrelated issues involved in the relationship between social problems and the level of development and affluence Less developed and less affluent societies are more likely to experience a range of social problems than developed and affluent societies Affluence causes or at least brings with it a series of social problems that do not exist in less affluent societies It is only with affluence that certain things can come to be imagined as social problems such as excessive consumption The very affluence of a society makes it vulnerable to problems that would not be social problems in poorer societies The Handbook explores the theory of the weakness of the strong in other words strong or wealthy nations may have greater vulnerability to some social problems than less developed or affluent societies This theory is clearly illustrated in this volume by the aftermath of September 11 2001 depicting the vulnerability of the U S to social problems in far removed corners of the world In addition the international and comparative essays in this volume cover other important issues such as the impact of modern technologies on social problems ecological problems global inequality health as a social problem and much more The Handbook of Social Problems is a vital resource for sociologists and graduate students as well as an excellent addition to any academic library

European Security Culture Monica Gariup, 2017-05-15 Grounded on tenets of cultural realism and social constructivism Monica Gariup develops a theoretical framework to enhance our understanding of security culture at the European Union level She employs tools from political theory linguistic analysis and international relations theory to examine the implications of discourse and practice in European Security and Defense Policy ESDP Innovative in scope the volume analyzes whether elaborating a structurationist solution and proposing a discursive syntax of security makes it possible to identify and compare different types of security actors Providing a comprehensive and objective analysis on the links and implications between the discourse and actual policy of the ESDP this is essential reading for scholars and researchers in European politics international relations security and cultural studies

Natural Law and Religious Freedom J. Daryl Charles, 2017-07-20 Every successive generation finds fresh reasons for the study of natural law Current interest in the natural law may well be due to a pervasive moral pessimism in the Western cultural context and wider contemporary geopolitical challenges Those geopolitical challenges result from two significant and worrisome global developments unprecedented violent persecution of religious minorities on several continents and a growing climate of secular hostility toward religious faith in Western societies Natural Law and Religious Freedom aims to address what is relatively absent from the literature by demonstrating the importance of natural law ethics in both establishing and preserving basic human rights of which religious freedom has pride of place Probing contemporary challenges to natural law thinking that are both internal and external to religious faith and examining the character and

constitution of natural law ethics Natural Law and Religious Freedom will be of interest to theologians ethicists and philosophers as well as policy analysts politicians and activists who are concerned to anchor religious freedom and human rights policy considerations in an enduring way *Reluctant Justice* Carl Ceulemans,2005 *After War* Christopher J. Coyne,2008 Post conflict reconstruction is one of the most pressing political issues today This book uses economics to analyze critically the incentives and constraints faced by various actors involved in reconstruction efforts Through this analysis the book will aid in understanding why some reconstructions are more successful than others

Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various

devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era is one of the best book in our library for free trial. We provide copy of Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era. Where to download Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era online for free? Are you looking for Sovereignty At The Crossroads Morality And International Politics In The Post Cold War Era PDF? This is definitely going to save you time and cash in something you should think about.
