Soviet Defence Enigma Estimating Costs And Burden

**Julian Cooper, Maureen Perrie, E. A.
Rees**

Soviet Defence Enigma Estimating Costs And Burden:

The Soviet Defence Enigma Carl G. Jacobsen, 1987 Realistic appraisal of Soviet defence efforts is crucial to strategic planning and foreign policy analysis Since Soviet defence expenditure figures are incomplete however our knowledge in this area is extremely limited This study reviews the state of current knowledge in this field and presents a critical review of the nature and limitation of traditional approaches The contributors analyse newly available sources of economic scientific and technical military information and conclude with an in depth consideration of the relevance and impact of historical and cultural influences on current Russian Soviet military strategy There emerges a fascinating account which both extends our knowledge and understanding and sheds light on what is perhaps the single most important unknown in the study of international affairs and defence needs

Secret Leviathan Mark Harrison, 2023-06-06 The Soviet Union was one of the most secretive states that ever existed Defended by a complex apparatus of rules and checks administered by the secret police the Soviet state had seemingly unprecedented capabilities based on its near monopoly of productive capital monolithic authority and secretive decision making But behind the scenes Soviet secrecy was double edged it raised transaction costs incentivized indecision compromised the effectiveness of government officials eroded citizens trust in institutions and in each other and led to a secretive society and an uninformed elite The result is what this book calls the secrecy capacity tradeoff a bargain in which the Soviet state accepted the reduction of state capacity as the cost of ensuring its own survival This book is the first comprehensive analytical multi faceted history of Soviet secrecy in the English language Harrison combines quantitative and qualitative evidence to evaluate the impact of secrecy on Soviet state capacity from the 1917 Bolshevik Revolution to the collapse of the Soviet Union in 1991 Based on multiple years of research in once secret Soviet era archives this book addresses two gaps in history and social science one the core role of secrecy in building and stabilizing the communist states of the twentieth century the other the corrosive effects of secrecy on the capabilities of authoritarian states

Reluctant Cold Warriors Vladimir Kontorovich, 2019-09-02 Scholars attribute the collapse of the Soviet Union in part to the militarization of its economy But during the Cold War economic studies of the USSR largely neglected the military sector of the Soviet economy its dominant and most successful part This is all the more puzzling in that academic study of the Soviet economy in the US was specifically created to help fight the Cold War If the rival superpower maintained the peacetime war economy why did experts fail to tell us when it mattered Vladimir Kontorovich shows how Western economists came up with strained non military interpretations of several important aspects of the Soviet economy which the Soviets themselves acknowledged to have military significance Such civilianization suggests that the neglect of the military sector was not forced on scholars of the Soviet economy by secrecy it was their choice The explanation of this choice in *Reluctant Cold Warriors* raises many questions about the internal workings of economic Sovietology and its intellectual and political background Are peripheral academic fields mimicking the agenda of the discipline s mainstream more likely to produce faulty scholarship Did

the search for the essence of socialism distract researchers from the actual Soviet economy Were economic Sovietologists under political pressure and if so in what direction This book answers these questions in a way that has broad relevance for national security uses of social science today *The Future of the Defence Industries in Central and Eastern Europe* Ian Anthony,1994 This report examines the defence industries in Central and Eastern Europe as they attempt to restructure in the wake of changes brought about by the end of the cold war and downward trends in both military expenditure and arms exports Issues addressed include the developing military doctrines in Central and Eastern Europe the trend in military expenditure the nature of defence industry restructuring the international dimensions of industrial restructuring and the role of arms exports **The Political Economy of the Arms Race** R.T. Maddock,1990-06-18 Written by the author of *The Political Economy of Soviet Defence Spending* and co author of *The Growth of the British Economy* this book looks at the international dimension the American and the Soviet defence economy the NATO alliance the Warsaw Pact and the international arms trade **The Soviet Defence Industry Complex from Stalin to Krushchev** J. Barber,M. Harrison,1999-12-08 The huge complex of Soviet institutions and enterprises specialised in military production powerfully influenced the course of the twentieth century through resistance to imperial Japan the defeat of Nazi Germany and nuclear stalemate with America in the Cold War Based on collaborative research by Russian and British scholars in the hitherto secret archives of the Soviet government party and armed forces this book is a pioneering investigation of the economic dynamics and social and political significance of Soviet defence *Security Without Nuclear Weapons?* Stockholm International Peace Research Institute,1992 This book examines the question Is the elimination of nuclear weapons feasible Individual chapters address the major conceptual technical and economic issues in the design of a non nuclear security regime Other chapters explore more specialized issues as they relate to the feasibility of the elimination of nuclear weapons elite perceptions and the decision making process verification nuclear proliferation fissile materials and warheads alliance and regional hegemonies and deterrence Strategic Power Carl G. Jacobsen,1990-02-23 This book highlights the impact and relevance of strategic culture Each section contains essays contrasting United States and Soviet perceptions on specific topics Each section closes with a synthesizing commentary to help readers to get a better sense of differences and similarities *Arming the Two Koreas* Taik-Young Hamm,2012-10-12 North Korea has traditionally been seen as militarily superior to South Korea in the long feud between the two nations This brilliantly argued book taps into a great deal of news interest in North Korea at the moment in the wake of recent hostility against Japan Hamm controversially shows that the received idea of Korea's military strength is partly a myth created by South Korea to justify a huge programme of rearmament **Empires and Indigenes** Wayne E. Lee,2011-06-27 The early modern period c 1500 1800 of world history is characterized by the establishment and aggressive expansion of European empires and warfare between imperial powers and indigenous peoples was a central component of the quest for global dominance From the Portuguese in Africa to the Russians

and Ottomans in Central Asia empire builders could not avoid military interactions with native populations and many discovered that imperial expansion was impossible without the cooperation and in some cases alliances with the natives they encountered in the new worlds they sought to rule Empires and Indigenes is a sweeping examination of how intercultural interactions between Europeans and indigenous people influenced military choices and strategic action Ranging from the Muscovites on the western steppe to the French and English in North America it analyzes how diplomatic and military systems were designed to accommodate the demands and expectations of local peoples who aided the imperial powers even as they often became subordinated to them Contributors take on the analytical problem from a variety of levels from the detailed case studies of the different ways indigenous peoples could be employed to more comprehensive syntheses and theoretical examinations of diplomatic processes ethnic soldier mobilization and the interaction of culture and military technology Contributors Virginia Aksan David R Jones Marjoleine Kars Wayne E Lee Mark Meuwese Douglas M Peers Geoffrey Plank Jenny Hale Pulsipher and John K Thornton *Reinterpreting Revolution in Twentieth-Century Europe* Moira Donald, Tim Rees, 2017-03-14 Until the dramatic fall of Communist regimes in the East placed the possibility of revolution on the agenda once again sudden and decisive political change had appeared a largely anachronistic phenomenon in Europe Looking back over the twentieth century it is plausible to argue that the twentieth rather than the nineteenth has been the most revolutionary of centuries In this volume leading specialists from a variety of disciplines examine the changing and conflicting meanings of revolution in modern and contemporary Europe Contributions include both broad essays on the global and historical context of European revolution and specific case studies reinterpreting a variety of revolutionary experiences **Soviet History, 1917-53** Julian Cooper, Maureen Perrie, E. A. Rees, 2016-02-06 This work presents eleven studies in the field of Russian Soviet economic and social history which have been specially commissioned as a tribute to Professor R W Davies Each chapter highlights a particular area of controversy and illuminates the process of policy formation in this critical period of Soviet development Together they provide an overview of the period 1917 1953 Civil-Military Relations in Russia and Eastern Europe David Betz, 2004-07-31 This book examines how civil military relations have been transformed in Russia Poland Hungary and Ukraine since the collapse of the Soviet Union and the Warsaw Pact in 1991 It shows how these countries have worked to reform their obsolete armed forces and bring them into line with the new economic and strategic realities of the post Cold War world with new bureaucratic structures in which civilians play the key policy making roles and with strengthened democratic political institutions which have the right to oversee the armed forces **Accounting for War** Mark Harrison, 2002-07-18 In this book Mark Harrison rebuilds and analyses the Soviet economy's wartime statistical record examining its prewar size and composition and wartime changes in GNP employment the defence burden and the role of foreign aid Complementing classic long run growth studies the book compares the Soviet experience with that of other great powers It emphasises the severity of current costs and capital losses arising from the war which had

a negative effect on GNP that persisted well after the end of the war The results are based on a comprehensive analysis of hitherto closed official documents shedding light on the dimensions of the Soviet war effort the comparative economics of the war and its long term impact on the Soviet economy **The Tragedy of Great Power Politics (Updated Edition)** John J. Mearsheimer,2003-01-17 A superb book Mearsheimer has made a significant contribution to our understanding of the behavior of great powers Barry R Posen *The National Interest* The updated edition of this classic treatise on the behavior of great powers takes a penetrating look at the question likely to dominate international relations in the twenty first century Can China rise peacefully In clear eloquent prose John Mearsheimer explains why the answer is no a rising China will seek to dominate Asia while the United States determined to remain the world s sole regional hegemon will go to great lengths to prevent that from happening The tragedy of great power politics is inescapable *Behind the Facade of Stalin's Command Economy* Paul Gregory,2013-11-01 The red files revealed Examining the period from the early 1930s through Stalin s death in 1953 the height of the Stalinist regime this enlightening book reveals what we have learned from the archives what has surprised us and what has confirmed what we already knew Most of the authors have worked with these archives since they were opened *Soviet Foreign Policy* Carl G. Jacobsen,2016-01-19 This book looks at the new themes and directions that have characterised Soviet foreign policy during the first Gorbachev era Various aspects are studied in detail such as the shift of attention away from relations with America as being their prime foreign policy concern *The Economics of Defence, Disarmament, and Peace* Keith Hartley,Nick Hooper,1990 This major reference work is a comprehensive critical guide to the large and growing literature on the economics of defence disarmament and peace It covers the cost of defence spending and its effects on growth investment unemployment technical change and other aspects of a nation s economic performance It includes material on the determinants of defence spending namely defence budgets programme budgeting and procurement policy It also deals with the economic impact of arms limitation disarmament and the conversion from military production to products with peaceful uses *Compound Dilemmas* Michael Dean McGinnis,John Taylor Williams,2001 An explanation of how domestic support for U S defense expenditures was generated during the Cold War *Economic Transition in Central and Eastern Europe* Daniel Gros,Alfred Steinherr,2004-03-25 Analysing the key problems facing the transition countries in Central and Eastern Europe this accessible book describes the legacy of the central planners the progress achieved so far and the need for further reforms It documents the outstanding successes and failures and analyses why certain approaches to transition have worked and others have not It tests where transition is over and shows how some countries have graduated from transition to integration through their efforts to join the European Union EU It discusses the costs and benefits of the eastern enlargement of the EU The specific experiences of German unification the Soviet Union s disintegration and Russia s complex reforms are examined as are the specific issues that need to be addressed in the Balkans The book concludes by indicating how the expanding EU could help the poor performers through inclusion in a continent wide integrated economic

area

Soviet Defence Enigma Estimating Costs And Burden: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Soviet Defence Enigma Estimating Costs And Burden : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Soviet Defence Enigma Estimating Costs And Burden : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Soviet Defence Enigma Estimating Costs And Burden Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Soviet Defence Enigma Estimating Costs And Burden free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Soviet Defence Enigma Estimating Costs And Burden free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Soviet Defence Enigma Estimating Costs And Burden free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Soviet Defence Enigma Estimating Costs And Burden. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Soviet Defence Enigma Estimating Costs And Burden any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Soviet Defence Enigma Estimating Costs And Burden Books
