Medieval England** William F. Pollard,Robert Boenig,1997 The late fourteenth and early fifteenth centuries in England were
a golden age of mysticism the major figures could draw on and allude to a host of treatises as the Cloud author acknowledges
when he explains how the works of St Denis validate all he writes about Without Denis without the theologians of the
eleventh and twelfth centuries without the anchoritic writings of the thirteenth century Richard Rolle Julian of Norwich
Walter Hilton Margery Kempe could not have written as they did Likewise those who followed them the Wycliffites the
Brigittines the writers of religious lyrics responded to those who had gone before The articles presented here identify major
themes and the web of influence that link them new but solid interpretations are offered of the key figures and their
backgrounds and the emphasis is on the rich variety of mysticism these authors and texts embody **Julian's Gospel**
Veronica Mary Rolf,2013 This fascinating study of the life and work of Julian of Norwich the 14th century English mystic
whose Revelations is among the most popular and influential works of Christian mysticism is the first book to combine an
historical reconstruction of Julian s life in 14th century Norwich with a comprehensive commentary on her Revelations in a
new and faithful translation from the Middle English Unlike other brief summaries of Julian s life and times this book goes in
depth to uncover the political cultural social and religious milieu that formed and deeply influenced her development as a
woman and a mystic Additionally unlike other textual companions to Julian s work that provide only short explanations of
Middle English words or merely footnote theological terms this work gives the reader a detailed analysis of her writings
illuminating her ground breaking mystical theology with extensive scholarship Throughout the book creates a strong
dramatic arc for Julian s Revelations that interweaves her personal sufferings and burning questions with her visionary
experiences producing a compelling spiritual biography **Trinity and Incarnation in Anglican Tradition** Arthur
