Encyclopedia of African American Women Writers Yolanda Williams Page,2007-01-30 African American women writers published extensively during the Harlem Renaissance and have been extraordinarily prolific since the 1970s This book surveys the world of African American women writers Included are alphabetically arranged entries on more than 150 novelists poets playwrights short fiction writers autobiographers essayists and influential scholars The Encyclopedia covers established contemporary authors such as Toni Morrison and Gloria Naylor along with a range of neglected and emerging figures Each entry is written by an expert contributor and provides a brief biography a discussion of major works a survey of the author s critical reception and primary and secondary bibliographies Literature students will value this book for its exploration of African American literature while social studies students will appreciate its examination of social issues through literature African American women writers have made an enormous contribution to our culture Many of these authors wrote during the Harlem Renaissance a particularly vital time in African American arts and letters while others have been especially active since the 1970s an era in which works by African American women are adapted into films and are widely read in book clubs Literature by African American women is important for its aesthetic qualities and it also illuminates the social issues which these authors have confronted This book conveniently surveys the lives and works of African American women writers Included are alphabetically arranged entries on more than 150 African American women novelists poets playwrights short fiction writers autobiographers essayists and influential scholars Some of these figures such as Toni Morrison and Gloria Naylor are among the most popular authors writing today while others have been largely neglected or are recently emerging Each entry provides a biography a discussion of major works a survey of the writer s critical reception and primary and secondary bibliographies The Encyclopedia closes with a selected general bibliography Students and general readers will welcome this guide to the rich achievement of African American women Literature students will value its exploration of the works of these writers while social studies students will appreciate its examination of the social issues these women confront in their works

Bibliographic Guide to Chicana and Latina Narrative Kathy Leonard,2003-08-30 There has been a dramatic increase in the amount of narrative work published by Chicana and Latina authors in the past 5 to 10 years Nonetheless there has been little attempt to catalog this material This reference provides convenient access to all forms of narrative written by Chicana and Latina authors from the early 1940s through 2002 In doing so it helps users locate these works and surveys the growth of this vast body of literature The volume cites more than 2 750 short stories novels novel excerpts and

autobiographies written by some 600 Mexican American Puerto Rican Cuban American Dominican American and Nuyorican women authors These citations are grouped in five indexes an author title index title author index anthology index novel index and autobiography index Short annotations are provided for the anthologies novels and autobiographies Thus the user who knows the title of a work can discover the author the other works the author has written and the anthologies in which the author's shorter pieces have been reprinted along with information about particular works

The Art of College Teaching Marilyn Kallet, April L. Morgan, 2005 Teachers everywhere are confronted with a problem Whether at a small liberal arts college major research university or some other institute of learning instructors are continually challenged to create smart effective pedagogical techniques in order to be efficient in the classroom The Art of College Teaching is a first twenty eight insider essays about this process by distinguished and highly acclaimed teachers of note from across the curriculum including eleven Carnegie national award winners grouped here to uncover common values approaches and even debates among today's educators Rather than a rulebook for good teaching Professors Marilyn Kallet and April Morgan have assembled a wide variety of practitioner lore what successful teachers have learned to do well and what they're still seeking to master From the embarrassing to the inspirational contributors take us inside their classrooms to explain the light bulb moments that form the bases of their teaching philosophies making this collection reader friendly often humorous and very real Contributors take up a broad range of subjects setting boundaries with students teaching as performance the pros and cons of lecture versus active learning gaining students respect and keeping it creativity in the classroom encouraging diversity and many others The interdisciplinary approach allows for a stimulating mix of voices and kinds of expertise from takes on teaching by Nobel Prize Laureate James Buchanan to coaching strategies from champion ice skating instructor Robert Unger Theories about the right way to teach abound but like any art teaching isn't easily defined by guidelines or prevailing wisdom A narrative experiential approach to one of our most rewarding and demanding disciplines The Art of College Teaching is a book to be of use It is a handbook of ideas that will empower new teachers and refresh those who have been in the trenches for years
