Great Military Leaders William T. Worthington, 2002 *Great Military Leaders A Bibliography with Vignettes* **Robert E. Lee** Allen C. Guelzo, 2022-08-09 A WALL STREET JOURNAL BEST BOOK OF THE YEAR From the award winning historian and best selling author of *Gettysburg* comes the definitive biography of Robert E Lee An intimate look at the Confederate general in all his complexity his hypocrisy and courage his inner turmoil and outward calm his disloyalty and his honor An important contribution to reconciling the myths with the facts New York Times Book Review Robert E Lee is one of the most confounding figures in American history Lee betrayed his nation in order to defend his home state and uphold the slave system he claimed to oppose He was a traitor to the country he swore to serve as an Army officer and yet he was admired even by his enemies for his composure and leadership He considered slavery immoral but benefited from inherited slaves and fought to defend the institution And behind his genteel demeanor and perfectionism lurked the insecurities of a man haunted by the legacy of a father who stained the family name by declaring bankruptcy and who disappeared when Robert was just six years old In *Robert E Lee* the award winning historian Allen Guelzo has written the definitive biography of the general following him from his refined upbringing in Virginia high society to his long career in the U S Army his agonized decision to side with Virginia when it seceded from the Union and his leadership during the Civil War Above all Guelzo captures Robert E Lee in all his complexity his hypocrisy and courage his outward calm and inner turmoil his honor and his disloyalty

Rossino,2023-01-03 The discovery of Robert E Lee s Special Orders No 191 outside of Frederick Maryland on September 13 1862 is one of the most important and hotly disputed events of the American Civil War For more than 150 years historians have debated if George McClellan commander of the Union Army of the Potomac dawdled after receiving a copy of the orders before warily advancing to challenge Lee s forces atop South Mountain In The Tale Untwisted authors Gene Thorp and Alexander Rossino document in exhaustive fashion how Little Mac in fact moved with uncharacteristic energy to counter the Confederate threat and take advantage of Lee s divided forces seizing the initiative and striking a blow in the process that wrecked Lee s plans and sent his army reeling back toward Virginia This study is a beautifully woven tour de force of primary research that may well be the final word on the debate over the fate and impact of the Lost Orders on the history of the 1862 Maryland Campaign **Maryland Voices of the Civil War** Charles W.
