**Cambridge Companion to African American Women's Literature** Angelyn Mitchell, Danille K. Taylor, 2009-04-30 The Cambridge Companion to African American Women's Literature covers a period dating back to the eighteenth century. These specially commissioned essays highlight the artistry, complexity, and diversity of a literary tradition that ranges from Lucy Terry to Toni Morrison. A wide range of topics are addressed, from the Harlem Renaissance to the Black Arts Movement and from the performing arts to popular fiction. Together, the essays provide an invaluable guide to a rich, complex tradition of women writers in conversation with each other as they critique American society and influence American letters. Accessible and vibrant with the needs of undergraduate students in mind, this Companion will be of great interest to anybody who wishes to gain a deeper understanding of this important and vital area of American literature.

**Penumbra** Macelle Mahala, 2013-09-01 Penumbra Theatre Company was founded in 1976 by Lou Bellamy as a venue for African American voices within the Twin Cities theatre scene and has stood for more than thirty-five years at the intersection of art, culture, politics, and local community engagement. It has helped launch the careers of many internationally respected theatre artists and has been repeatedly recognized for its artistic excellence as the nation's foremost African American theatre. Penumbra is the first ever history of this barrier-breaking institution. Based on extensive interviews with actors, directors, playwrights, producers, funders, and critics, Macelle Mahala's book offers a multifaceted view of the theatre and its evolution. Penumbra follows the company's emergence from the influential Black Arts and settlement house movements, the pivotal role Penumbra played in the development of August Wilson's career, and in turn how Wilson became an avid supporter and advocate throughout his life, the annual production of *Black Nativity* as a community-building performance, and the difficult economics of African American theatre production, and how Penumbra has faced these challenges for nearly four decades. Penumbra is a testament to how a theatre can respond to and thrive within changing political and cultural realities while contributing on a national scale to the African American presence on the American stage. It is a celebration of theatre as a means of social and cultural involvement, both local and national, and ultimately of Penumbra's continuing legacy of theatre that is vibrant, diverse, and vital.

**Modern American Drama: Playwriting 2000-2009** Julia Listengarten, Cindy Rosenthal, 2019-11-14 The *Decades of Modern American Drama* series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes. Each volume equips readers with a detailed understanding of the context from which work emerged: an introduction considers life in the decade with a focus on domestic life and conditions, social changes, culture, media, technology, industry, and political events, while a chapter on the theatre of the decade offers a wide-ranging and thorough survey of theatres, companies, dramatists, new movements, and developments in response to the economic and political conditions of the day. The work of the four most prominent playwrights from the decade receives in-depth analysis and re-evaluation by a team of experts, together with commentary on their subsequent work and legacy. A final section brings together original documents such as interviews with the playwrights and with directors' drafts of play scenes and other

previously unpublished material The major playwrights and their plays to receive in depth coverage in this volume include Theresa Rebeck *Omnium Gatherum* 2003 *Mauritius* 2007 and *The Understudy* 2008 Sarah Ruhl *Eurydice* 2003 *Clean House* 2004 and *In the Next Room or the Vibrator Play* 2009 Lynn Nottage *Intimate Apparel* 2003 *Fabulation or Re Education of Undine* 2004 and *Ruined* 2008 Charles Mee *Big Love* 2000 *Wintertime* 2005 and *Hotel Cassiopeia* 2006

*Mnemopoetics* Valérie Bada, 2008 From its very beginning African American drama has borne witness to the creative power of the slaves to maintain their human dignity as well as to fashion a complex culture of survival If the memory of slavery has always been at the heart of the African American theatrical tradition it is the way in which it is processed and inscribed that has developed and is still changing Through the close reading and socio historical analysis of eight plays from 1939 to 1996 the author seeks to unravel the fluctuating patterns in the shaping of the theatrical memory of slavery long after its abolition To do so she defines the concept and practice of mnemopoetics as the making of memory through imagination as well as the critical approaches that decipher and interpret cultural productions of memory As a constellation of processes akin to the fluidity of memory mnemopoetics blends creative representation and critical exploration to suggest that the cultural creation of memory necessarily entails a self reflexive involvement with its own interpretation If slavery embodies the deep foundational memory of America African American drama represents the open communal space where it becomes possible to convert the irretrievable nature of a vicarious past into the redeeming function of a collective memory
