Sourcebook Of Zip Code Demographics 1991:

On My Own In-Jin Yoon,2007-12-01 The Los Angeles riots shattered Korean immigrants naive belief in the American dream As many as 2 300 Korean shopkeepers lost their lifetime investments in one day Korean immigrants had struggled for years to become economically independent through small businesses of their own However the riots made them realize how fragile their economic base is because their businesses are dependent on the impoverished oppressed and rebellious classes In *On My Own* In Jin Yoon combines an intimate fieldwork account of Korean black relations in Chicago and Los Angeles with extensive quantitative analysis at the national level Yoon argues that a complete understanding of the contemporary Korean American community requires systematic analyses of patterns of Korean immigration entrepreneurship and race relations with other minority groups He explains how small business has become the major economic activity of Korean immigrants and how Korean businesses in minority neighborhoods have intensified racial tensions between Koreans and minorities like blacks and Latinos A groundbreaking study of Korean black relations Yoon s insights on immigration entrepreneurship and race relations significantly enhance our understanding of urban racial tensions William Julius Wilson Harvard University

Fullerton,2017-05-15 Many effects of environmental and energy policy are likely to disproportionately burden those with low income First it raises the price of fossil fuel intensive products that constitute a high fraction of low income budgets like gasoline heating fuel and electricity Second the handout of pollution permits to firms provides value to those who own them Third low income individuals may place more value on food and shelter than on improvements in environmental quality so high income individuals may get the most benefit of pollution abatement Fourth air quality improvements may raise the value of houses owned by landlords rather than helping renters These effects might all hurt the poor more than the rich This book brings together the seminal economics literature that studies whether these fears are valid and whether anything can be done about them **Faxon ... Librarians' Guide to Serials** ,1991 Block by Block William Glenn Robertson,Lawrence A. Yates,2003 First published by the Combat Studies Institute Press The resulting anthology begins with a general overview of urban operations from ancient times to the midpoint of the twentieth century It then details ten specific case studies of U S German and Japanese operations in cities during World War II and ends with more recent Russian attempts to subdue
