Sources Of Russian Foreign Policy After The Cold War:

The Sources Of Russian Foreign Policy After The Cold War Celeste A Wallander, Anne Wildermuth, 2019-07-11 In this timely and pathbreaking volume scholars in comparative politics and international relations build upon earlier theoretical work on the interaction of domestic and international systems applying it innovatively to the study of post Soviet Russian policy and conduct Individual chapters focus on regime type leadership politics interest group politics nationalism as ideology international conflict and threat and international economic opportunities and constraints The complex interplay between domestic and international factors is highlighted Exploring both the origins and the outcomes of Russian policy and behavior this book provides a telling measure of the direction and significance of political change since 1991 **Russian**

Foreign Policy After the Cold War Leszek Buszynski, 1996-08-23 This important new study drawing primarily on Russian sources analyzes Russian foreign policy in the context of an ongoing national identity crisis The work examines Russia's foreign policy in terms of two salient factors 1 political and economic reform given that foreign policy has been strongly influenced by reactions positive and negative to Yeltsin's reform agenda and 2 Russia's geopolitical predicament between Europe and Asia between East and West which requires it to reconcile various strategic imperatives with regard to NATO China and the Islamic world Buszynski's study reveals current Russian foreign policy as a process of interaction between these two factors the result being considerable vacillation between support for the West and opposition to it An important analysis that will be of interest to foreign policy and international relations experts in academia and government **The**

Sources of Russian Foreign Policy Assertiveness Angela Borozna, 2022-01-31 This book explores the sources of Russia's foreign policy conduct since the end of the Cold War It is aimed at those interested in Russian foreign policy international security and diplomacy The book embraces an eclectic approach by applying insights from several strands of IR theory exploring both international and domestic sources The author argues that Russian foreign policy is influenced by the country's strategic culture which exhibits some persistent elements inherited from Russia's imperial past and from Soviet times The challenges to Russia's security interests from Western policies led to an increase in Russian foreign policy assertiveness As a result Russia is becoming more committed to Eurasian integration and nurturing relations with China This book further argues that Russia's relations with the post Soviet states have been and will remain a priority of its foreign relations and therefore Russia is likely to continue challenging any Western interference in these states The author maintains that geoeconomics and the protection of overseas economic interests are becoming more prominent in Russia's foreign policy calculus The role of domestic factors in the country's foreign policy such as authoritarianism regime vulnerability and the role of political factions is also examined **Russian-Belarusian Integration** Alex Danilovich, 2018-02-06 Russian

domestic politics has long been both labyrinthine and pragmatic at once both inordinately complex and breathtakingly dynamic The same can be said of Russia's foreign policy in particular in relations with former Soviet republics Any study of

Russian foreign policy comes back to the intriguing question of why Russia long perceived as an inveterate imperial power would refuse to take back a handsome portion of its former empire a portion that offers a bridge to Europe and an advantageous geostrategic position Despite formal declarations Russia has made little progress in achieving union with its ex Soviet neighbour Belarus Linking Russia's foreign policy to its domestic politics Alex Danilovich clarifies this paradox and explains why specific attempts to reunify Russia and Belarus failed contrary to the desires of significant forces on both sides and to certain theory based expectations

Understandings of Russian Foreign Policy Ted Hopf, 2010-11-01 Scholars from Asia Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism Drawing on both archival sources and interviews they cover such major issues as Russia's decision to use military force in Chechnya its reactions to NATO expansion and its emergent relations with Japan and East Asia The contributors are Eunsook Chung Henrikki Heikka Ted Hopf Andrea Lopez Hiroshi Kimura Sergei Medvedev and Christer Pursiainen

Russia after the Cold War Mike Bowker, Cameron Ross, 2014-06-17 In Russia after the Cold War the editors provide an accessible and comprehensive survey of the state of Russia at the end of the twentieth century as it seeks to come to terms with its new status in the world community the pressures and tensions arising from economic and social change and with the problems of ensuring a democratic future Written by a specially commissioned team of internationally respected experts on contemporary Russia Russia after the Cold War is ideally suited as a main text for introductory courses on modern Russia within a politics Area Studies or combined social science degree Contributors Alexei Avtonomov Edwin Bacon John Berryman Christoph Bluth Michael Cox Nadia Davidova Mark Galeotti James Hughes Roger E Kanet Julie A Lund Nick Manning Andrew Patmore Anthony Phillips Richard Sakwa Peter Shearman Mark Webber Stephen Webber Stephen White Matthew Wyman

The Sense of Mission in Russian Foreign Policy Alicja Curanović, 2021-03-05 This book explores how far messianism the conviction that Russia has a special historical destiny is present in and affects Russian foreign policy Based on extensive original research including analysis of public statements policy documents and opinion polls the book argues that a sense of mission is present in Russian foreign policy that it is very similar in its nature to thinking about Russia's mission in Tsarist times that the sense of mission matters more for Russia's elites than for Russia's masses and that Russia's special mission is emphasised more when there are questions about the regime's legitimacy as well as great power status Overall the book demonstrates that a sense of mission is an important factor in Russian foreign policy

Explaining Change in Russian Foreign Policy C. Thorun, 2008-11-27 An assessment of the explanatory utility of different approaches to account for post Soviet Russia's foreign policy towards the West arguing that only by focusing both on external constraints and changes in the Russian leadership's foreign policy thinking can we explain major facets of Russia's conduct from 1992 2007

Russia Neil Robinson, 2003-09-02 This invaluable text traces Russia's complex historical development in the last century its recent

political troubles and economic misfortunes and its place in the contemporary international system

Russian Foreign Policy and International Relations Theory Christer Pursiainen, 2017-07-05 An original and challenging examination of how to transform post Sovietological study of Soviet and Russian foreign policy into a more integrated part of the Social Sciences and International Relations Theory This book represents the first detailed and sustained synthesis international relations theory and Soviet Russian foreign and security policy in academic literature

Russia's Foreign Policy Andrei P. Tsygankov, 2010-03-16 A third edition of this book is now available Now fully updated and revised this clear and comprehensive text explores the past thirty years of Soviet Russian international relations comparing foreign policy formation under Gorbachev Yeltsin Putin and Medvedev Drawing on an impressive mastery of both Russian and Western sources Andrei P Tsygankov shows how Moscow's policies have shifted with each leader's vision of Russia's national interests He evaluates the successes and failures of Russia's foreign policies explaining its many turns as Russia's identity and interaction with the West have evolved The book concludes with reflections on the emergence of the post Western world and the challenges it presents to Russia's enduring quest for great power status along with its desire for a special relationship with Western nations

The Russian People and Foreign Policy William Zimmerman, 2009-02-09 Since the fall of communism public opinion in Russia including that of a now more diverse elite has become a substantial factor in that country's policymaking process What this opinion might be and how it responds to American actions is the subject of this study William Zimmerman offers important and sometimes disturbing insight into the thinking of citizens in America's former Cold War adversary about such matters as NATO expansion Drawing on nearly a decade of unprecedented surveys he conducted with a wide spectrum of the Russian public he gauges the impact of Russia's opening on its foreign policy and how liberal democrats orient themselves to foreign policy He also shows that insights from the study of American foreign policy are often portable to the study of Russian foreign policy attitudes As Zimmerman shows the general public which had a modest but real role in foreign policy decision making tended much more toward isolationism than did the predominant elites who steered Russia's foreign policy in the 1990s Interspersing smooth prose with a wide array of richly informative tables the book represents an invaluable opportunity to discern probable shifts in Russian foreign policy that domestic political changes would bring And it powerfully suggests that the West by forging its own policies toward Russia with more prudence can have a say in the outcome of the great choice facing Russia whether to forge ahead with democracy or slip back into authoritarianism

Routledge Handbook of Russian Foreign Policy Andrei Tsygankov, 2018-03-20 Providing a comprehensive overview of Russia's foreign policy directions this handbook brings together an international team of scholars to develop a complex treatment of Russia's foreign policy The chapters draw from numerous theoretical traditions by incorporating ideas of domestic institutions considerations of national security and international recognition as sources of the nation's foreign policy Covering critically important subjects such as Russia's military interventions in Ukraine and Syria the

handbook is divided into four key parts Part I explores the social and material conditions in which Russia's foreign policy is formed and implemented Part II investigates tools and actors that participate in policy making including diplomacy military media and others Part III provides an overview of Russia's directions towards the United States Europe Asia the Middle East Eurasia and the Arctic Part IV addresses the issue of Russia's participation in global governance and multiple international organizations as well as the Kremlin's efforts to build new organizations and formats that suit Russia's objectives The Routledge Handbook of Russian Foreign Policy is an invaluable resource to students and scholars of Russian Politics and International Relations as well as World Politics more generally Russian Foreign Policy and the CIS Nicole J. Jackson, 2003-09-04 This book investigates the options the debates and the ensuing policies of the fledgling Russian government It examines the evolution of policy from the collapse of the Soviet Union in December 1991 until the Presidential elections in June 1996 Analysing Russia's actions in the context of contemporary foreign policy theory Nicole J Jackson discusses and compares three key conflicts the separatist war between Moldova and Transdniestria the separatist war between Georgia and Abkhazia and the civil war in Tajikistan It will be of interest to students and researchers of international relations security foreign policy analysis and Russian studies *Russian Foreign Policy* Jeffrey Mankoff, 2011-09-22 Introduction the guns of August Contours of Russian foreign policy Bulldogs fighting under the rug the making of Russian foreign policy Resetting expectations Russia and the United States Europe between integration and confrontation Rising China and Russia's Asian vector Playing with home field advantage Russia and its post Soviet neighbors Conclusion dealing with Russia's foreign policy reawakening **Foreign Policy In A Transformed World** Mark Webber, Michael Smith, 2014-01-14 For 2nd and 3rd year courses in international politics and foreign policy This text examines foreign policy in relation to change and transformation It discusses traditional assumptions about foreign policy and foreign policy making and develops a framework to facilitate analysis of the challenges faced by foreign policy makers in the late 1990s The central elements of the framework are the foreign policy arena decision making and implementation The book then applies the framework to a set of regional case studies to explore the global and regional arenas and the challenges to which they give rise Finally specific case studies of two countries per region highlight the range of impacts for the changing global and regional context to focus on the analysis of decision making and implementation and to illustrate the benefits of comparative analysis Russian Nationalism and the Russian-Ukrainian War Taras Kuzio, 2022-01-26 This book is the first to provide an in depth understanding of the 2014 crisis Russia's annexation of Crimea and Europe's de facto war between Russia and Ukraine The book provides a historical and contemporary understanding behind President Vladimir Putin Russia's obsession with Ukraine and why Western opprobrium and sanctions have not deterred Russian military aggression The volume provides a wealth of detail about the inability of Russia from the time of the Tsarist Empire throughout the era of the Union of Soviet Socialist Republics USSR and since the dissolution of the latter in 1991 to accept

Ukraine as an independent country and Ukrainians as a people distinct and separate from Russians The book highlights the sources of this lack of acceptance in aspects of Russian national identity In the Soviet period Russians principally identified themselves not with the Russian Soviet Federative Republic but rather with the USSR as a whole Attempts in the 1990s to forge a post imperial Russian civic identity grounded in the newly independent Russian Federation were unpopular and notions of a far larger Russian imagined community came to the fore A post Soviet integration of Tsarist Russian great power nationalism and White Russian migr chauvinism had already transformed and hardened Russian denial of the existence of Ukraine and Ukrainians as a people even prior to the 2014 crises in Crimea and the Donbas Bringing an end to both the Russian occupation of Crimea and to the broader Russian Ukrainian conflict can be expected to meet obstacles not only from the Russian de facto President for life Vladimir Putin but also from how Russia perceives its national identity

Coming in from the Cold War Sabrina P. Ramet, Christine Ingebritsen, 2002 Since the end of the Cold War U S relations with Europe have charted a new course influenced especially by the dissolution of the Warsaw Pact the expansion of NATO and the growing strength of the European Union This volume analyzes U S interactions with Britain France Germany Spain Russia Poland and Ukraine and examines the new role for NATO and the evolving dynamics in the U S EU partnership Through their assessment of mutual perceptions evolving interests and clashing agendas the contributors offer a fresh and thoughtful exploration of the U S relationship with the major European states

The Foreign Policy of Russia Robert H. Donaldson, Vidya Nadkarni, 2023-10-26 This text traces the lineage and development of Russian foreign policy with the insight that comes from a historical perspective Now fully updated the seventh edition incorporates new coverage of issues including relations with the major powers and with other post communist states with an emphasis on tensions with the United States and engagement with Ukraine Crimea and Syria International security issues including arms control sanctions and intervention continue to grow in importance Domestic and regional issues related to natural resource politics human rights Islamism and terrorism also persist Chronologically organized chapters highlight the continuities of Russia s behavior in the world since tsarist times as well as the major sources of change and variability over the revolutionary period wartime alliances and Cold War d tente the Soviet collapse and the first post communist decades The basic framework used in the book is a modified realism that stresses the balance of power and the importance of national interest and it identifies several factors both internal and external that condition Russian policy The interpretations are original and based on a mix of primary and secondary sources New to the Seventh Edition A new concluding chapter Russia Openly Confronts the Collective West Thoroughly updated coverage of Russia s bilateral relations with the United States and countries in Europe Asia Africa and Latin America Expanded discussion of Moscow s efforts to control the flow of information at home and abroad as it employs Russia s soft power assets Russian American relations especially with respect to continuing interference in the U S elections and to U S foreign policy concerns in the Far East Iran and Syria The full unfolding of the Ukraine crisis

culminating in Russia's invasion of Ukraine Vladimir Putin's escalated claims of the superiority of Russian cultural values and more openly imperialistic ambitions Expanded coverage of Russia's relations with China and India now in a separate chapter on this strategic triangle Greater attention to the impact of climate change on Russian foreign policy including its heightened activity in the Arctic Significant new developments in the Middle East including the collapse of the nuclear deal with Iran the expanded Russian role in the Syrian civil war and the growing complexity in Russian Turkish relations Changing Transatlantic Security Relations Jan Hallenberg, Håkan Karlsson, 2006-09-27 The strategic triangle is used as an organizing principle for the study of the security relationships among the United States the EU and Russia in the greater transatlantic sphere

Sources Of Russian Foreign Policy After The Cold War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sources Of Russian Foreign Policy After The Cold War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sources Of Russian Foreign Policy After The Cold War has opened up a world of possibilities. Downloading Sources Of Russian Foreign Policy After The Cold War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky

folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sources Of Russian Foreign Policy After The Cold War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sources Of Russian Foreign Policy After The Cold War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sources Of Russian Foreign Policy After The Cold War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sources Of Russian Foreign Policy After The Cold War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sources Of Russian Foreign Policy After The Cold War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sources Of Russian Foreign Policy After The Cold War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read

eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sources Of Russian Foreign Policy After The Cold War is one of the best book in our library for free trial. We provide copy of Sources Of Russian Foreign Policy After The Cold War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sources Of Russian Foreign Policy After The Cold War. Where to download Sources Of Russian Foreign Policy After The Cold War online for free? Are you looking for Sources Of Russian Foreign Policy After The Cold War PDF? This is definitely going to save you time and cash in something you should think about.
