writers diaries letters and essays quoting from them extensively in faithful translation or felicitous paraphrase In developing The Russian image of Goethe von Gronicka traces the course of Russian literature in the nineteenth and early twentieth centuries and provides not only a clear idea of how Russian writers viewed Goethe but an excellent introduction to that literature Both volumes of The Russian Image of Goethe are of interest to scholars of Russian German and comparative literature

*Geographers of the Ancient Greek World: Volume 2* D. Graham J. Shipley, 2024-04-18 Ancient Greek geographical writing is represented not just by the surviving works of the well known authors Strabo Pausanias and Ptolemy but also by many other texts dating from the Archaic to the Late Antique period Most of these texts are however hard for non specialists to find and many have never been translated into English This volume the work of an international team of experts presents the most important thirty six texts in new accurate translations In addition there are explanatory notes and authoritative introductions to each text which offer a new understanding of the individual writings and demonstrate their importance no longer marginal but in the mainstream of Greek literature and science The book includes twenty eight newly drawn maps images of the medieval manuscripts in which most of these works survive and a full Introduction providing a comprehensive survey of the field of Greek and Roman geography

Modern France and the World Darcie Fontaine, 2023-02-27 Modern France and the World provides an engaging global history of the key events of modern France and its empire It moves beyond the traditional political narrative of the development of the French Republican nation state to offer both national and international perspectives of its evolution The volume illustrates the integral exchanges that have taken place between France and the modern world from global trade in the eighteenth century to the impact of postcolonial immigration and globalization on French identity and on France s diverse population It includes the voices of women colonized populations and those who both embraced and challenged the spread of French ideas and values around the globe Drawing on methodologies of social cultural and gender history this textbook integrates a wide range of analytical tools to entice readers to engage more deeply in France s dynamic global history By presenting the history of France and its global engagements from the mid seventeenth century to the present this volume is an essential resource for all students who study the history politics and culture of modern France

**The School Journal ,1907      Perspectives on New Testament Textual Criticism, Volume 2** Eldon Jay Epp, 2020-11-30 Eldon Jay Epp s second volume of collected essays consists of articles previously published during 2006 2017 All treat aspects of the New Testament textual criticism but focus on historical and methodological issues relevant to constructing the earliest attainable text of New Testament writings More specific emphasis falls upon the nature of textual transmission and the text critical process and heavily on the criteria employed in establishing that earliest available text Moreover textual grouping is examined at length and prominent is the current approach to textual variants not approved for the constructed text for they have stories to tell regarding theological ethical and real life issues as the early Christian churches sought to work out their own status practices and destiny

**Early Buddhist Art of China and Central Asia, Volume 2 The Eastern Chin and Sixteen Kingdoms Period in China and Tumshuk, Kucha and Karashahr in Central Asia (2 vols)** Marilyn Martin Rhie, 2019-07-15 Volume two of Marilyn Rhie's widely acclaimed and formative multi-volume work presents a comprehensive scholarly and detailed study of the Buddhist art of China and Central Asia from 316-439 A.D. during the formative early periods of Buddhism in the Eastern Chin and Sixteen Kingdoms Period. Using texts translated from the Chinese together with stylistic and technical analyses, the chronology and sources of the art are more clearly defined than in previous studies for the regions of South and North China other than Kansu and the important sites of Tumshuk Kucha and Karashahr on the Northern Silk Route in eastern Central Asia. Furthermore, by incorporating extensive religious and historical materials, this work not only contributes to clarifying the regional characteristics of the art but also offers new insights into the broader interregional relationships of this politically fragmented period. *Sir Bartle Frere and His Times* Rekha Ranade, 1990
