South America, Central America and the Caribbean 2025

Europa Publications, 2024-10-24 A unique combination of the latest data on and detailed analysis of a vast region. Scrupulously revised and updated, this definitive survey of the countries and territories of South America, Central America, and the Caribbean combines expert analysis and commentary up to date economic and socio-political data and extensive directory information. General Survey Essays by leading experts on the area cover issues of regional importance including an examination of the Caribbean Court of Justice on its 20th anniversary, the rise of the so-called pink tide in Latin American politics, the effects of climate change in the Caribbean, and Latin America moves towards republicanism and growing calls for reparations in the Caribbean, protests, democracy and institutional capacity in Latin America, and the cultural and political relevance of religion in Latin America. This in-depth analysis is complemented by extensive coverage of the activities of international organizations operating in South America, Central America, and the Caribbean, together with background information on the major commodities of the region. Also included are detailed listings of research institutes studying South America, Central America, and the Caribbean, and comprehensive bibliographies of books and periodicals relevant to the region. Country Surveys: Individual chapters on each country comprising a geographical overview and map, an essay on the history and the economy, an extensive statistical survey of economic and demographic indicators including area and population, health and welfare, agriculture, forestry, fishing, mining, industry, finance, trade, transport, tourism, communications, media, and education, a directory of names, addresses, and further key information on the constitution, government, election, commissions, political organizations, diplomatic representation, judicial system, religion, the media, finance, trade, and industry, transport, tourism, defence, and education. A bibliography is also provided for further research. Regional Information: full details of the main regional organizations active within Latin America and the Caribbean. A separate section is included on major commodities of the area. Also included is a directory of research institutes specializing in the region and bibliographies of books and periodicals covering the region.
