South African English Pronunciation David Hopwood, 1929

The Standard in South African English and Its Social History Len W. Lanham, 1979-01-01 This study of the South African variety of English is an exercise in the sociology of language conducted mainly within the conceptual framework and methodology created by William Labov. It accepts that social process and social structure are reflected in patterns of covariation involving linguistic and social variables and in attitudes to different varieties of speech within the community. This premise is pursued here in its historical implications: linguistic evidence in present-day speech patterns of earlier states of the society and of the social, political and cultural changes that have brought about the present state. The second main focus in this volume is directed at the concept of standard variety that is the social attributes and functions of a formal speech pattern for which the status of standard might be claimed.

English Pronunciation in Use Advanced Book with Answers, 5 Audio CDs and CD-ROM Martin Hewings, 2007-02-26 Material in a range of accents. Available on audio CD.

A Dictionary of South African English on Historical Principles Rhodes University. Dictionary Unit for South African English, 1996 A Dictionary of South African English is the fullest ever study of the English language in South Africa. The result of 25 years of work, this dictionary has been researched and written according to historical principles. However, as well as recording examples of South African English going back to the sixteenth century, the dictionary also provides an insight into the dramatic political and cultural changes in South Africa's history by examining the country's ever-changing language right up to the present day. Research into language has involved the contributions of hundreds of individual South Africans as well as extensive research into all other forms of the written and spoken language. Diverse and informative entries include robot, a traffic light bakkie, a small truck, bond, a mortgage and brinjals, aubergines. The dictionary includes such areas as children's slang, the vocabulary of soldiers, the mines, local music, terms, the townships, food, and a detailed look at the complex language of apartheid. English words originating from all the country's groups are recorded, including words from Dutch, Afrikaans, the Malayo-Indonesian languages, the Indian, Khoisan, Nguni and Sotho languages.

Studies in the Pronunciation of English Susan Ramsaran, 2015-07-03 First published in 1990, this collection celebrates the life and work of Professor A. C. Gimson, four years after his untimely death in 1985. A. C. Gimson, Professor of Phonetics at University College London, 1966-83, was the most distinguished and influential phonetician of his day, concentrating specifically on English speech. This collection of essays on phonetics and phonology of English, written by linguists from all over the world, celebrates his life and work. The work is divided into five sections: prosody, phonology and phonetic description, accents of English, and RP, other accents of English, focusing on those non-native speakers and phonostylistics. The twenty-eight chapters cover a very wide range of topics, and the contributors offer a stimulating variety of approaches, with the emphasis on data-based objectivity. Balancing description and theory, with application, this volume provides a serious and coherent contribution to the academic study of English.

pronunciation **English in Multilingual South Africa** Raymond Hickey, 2020 An innovative and insightful exploration of varieties of English in contemporary South Africa **A Dictionary of South African English** Jean Branford, William Branford, 1991 This scholarly reference work is also an entertaining guide to the English spoken in South Africa It includes forms of English that are peculiarly South African as well as words adopted from Afrikaans African and Khoisan languages and from local Malay Indian and Jewish communities The fourth edition reflects the beginning of a new era in South Africa and contains quotations from a wide variety of sources including Steve Biko and Nelson Mandela among many others

Introducing Global Englishes Nico Hess, 2019-08-04 It is estimated that the number of native English speakers is 300 million to 450 million More than one billion people are believed to speak some form of English Although the numbers vary it is widely accepted that hundreds of millions of people around the world speak English whether as a native second or a foreign language English in some form has become the native or unofficial language of a majority of the countries around the world today In 20 to 30 countries around the world English is merging with native languages to create hybrid Englishes This comprehensive study of *Introducing Global Englishes* intended to be useful and popular among students because of the simplicity and directness of explanations of the various terms and concepts its wealth of illustrative examples enables the reader to assimilate the content without being intimidated by its range and scope Written in a very careful manner keeping in view of the course requirements it is aimed at familiarising students with the vibrant currents of thought that have enriched the literary enterprise of our time English Pronunciation for Speakers of Spanish María de los Ángeles Gómez González, Teresa Sánchez Roura, 2016-01-15 *English Pronunciation for Speakers of Spanish* fills a gaping hole in the market for books on English phonetics and pronunciation because it not only combines theoretical issues and applications to practice but it also adopts a contrastive English Spanish approach to better suit the needs of Spanish speaking learners of English SSLE enabling them to build gradually on the knowledge gained in each chapter The book covers the key concepts of English phonetics and phonology in seven chapters written in an accessible and engaging style 1 Phonetics and Phonology 2 The Production and Classification of Speech Sounds 3 Vowels and Glides 4 Consonants 5 Segment Dynamics Aspects of Connected Speech 6 Beyond the Segment Stress and Intonation 7 Predicting Pronunciation from Spelling and vice versa Features in text audio illustrations as well as over a hundred written and audio exercises with corresponding keys and different kinds of artwork Tables Figures illustrations spectrograms etc classic readings in the discipline in the Further Reading section of each chapter highlights the phonetic contrasts and specific cues that are more important to aid comprehension in English and offers guidelines on correct pronunciation habits to help SSLE sound as close as possible to native English The book's companion website EPSS Multimedia Lab can be used on computers smartphones and tablets and is useful for the self taught student and the busy lecturer alike The website of the EPSS Multimedia lab can be accessed here <http://www.usc.gal/multimlab> Features of the website a complete sound bank defining and illustrating the sounds of English

RP as compared with those of Peninsular Spanish written definitions and animated diagrams videos and original recordings by native speakers of English and Spanish showing the articulation of each sound alongside its most common spellings as well as pronunciation practice for individual words and whole sentences a comprehensive selection of over a hundred written and audio exercises with their keys for practice both at home or in the language lab audio files corresponding to the audio illustrations given in the written book a repository of useful resources by topics and a list of online glossaries and pronunciation dictionaries

English David Graddol, Dick Leith, Joan Swann, 2024-11-01 The story of English is often presented as one of progress from a set of Germanic dialects to a fully fledged national and international language The emphasis in this book is on the diversity of English throughout its history and the changing social meanings of different varieties of English

World Englishes □ Problems, Properties and Prospects Thomas Hoffmann, Lucia Siebers, 2009-09-23 World Englishes is a vibrant research field that has attracted scholars from many different linguistic subdisciplines Emphasizing the common ground of all research on World Englishes the 22 articles in this collected volume selected from more than a hundred papers presented at the 2007 conference of the International Association for World Englishes in Regensburg cover a broad range of topics which together reflect the state of the art of research in this field The volume focuses on regions as diverse as Africa the Caribbean the Antipodes and Asia but also promotes a globally comparative perspective by analyzing selected characteristics of the English language across a wide range of varieties Methodologically a number of different approaches are applied including corpus linguistic studies socio phonetics as well as historical discourse analysis Due to its wide scope the book is of interest not only to World Englishes scholars but also to sociolinguists as well as applied contact or corpus linguists

Routledge Library Editions: The English Language Various, 2021-07-28 This set reissues 29 books on the English language originally published between 1932 and 2003 Together the volumes cover key topics within the larger subject of the English Language including grammar dialect and the history of English Written and edited by an international set of scholars particular volumes employ comparisons with other languages such as French and German whilst other volumes are devoted to specific English dialects such as Cockney and Canadian English or English in general This collection provides insight and perspective on various elements of the English language over a period of 70 years and demonstrates its enduring importance as a field of research

English – One Tongue, Many Voices Jan Svartvik, Geoffrey Leech, 2016-01-19 This is the fully revised and expanded second edition of *English One Tongue Many Voices* a book by three internationally distinguished English language scholars who tell the fascinating improbable saga of English in time and space Chapters trace the history of the language from its obscure beginnings over 1500 years ago as a collection of dialects spoken by marauding illiterate tribes They show how the geographical spread of the language in its increasing diversity has made English into an international language of unprecedented range and variety The authors examine the present state of English as a global language and the problems pressures and uncertainties of its future online and offline They argue that in spite of the amazing variety and plurality of English it remains a single language

The Oxford Handbook of World Englishes Markku Filppula, Juhani Klemola, Devyani Sharma, 2017 This collection heralds a direct mutually constructive engagement with current linguistic theories questions and methodologies toward World Englishes It achieves this through areal overviews theoretical chapters and case studies its 36 articles are divided between four themes Foundations World Englishes and Linguistic Theory Areal Profiles and Case Studies Cumulatively it offers detailed accounts of the structure and social histories of specific varieties of English spoken across the globe

A Survey of Modern English Stephan Gramley, Michael Pátzold, 2003-10-04 A comprehensive scholarly and systematic review of modern English in one volume It presents a description of both the linguistic structure of present day English and its geographical social gender and ethnic variations

Literacy, Power, and the Schooled Body Kerry Dixon, 2010-11-15 What effects do space and time have on classroom management discipline and

regulation How do teachers practices create schooled and literate students To explore these questions this book looks at early childhood classrooms charting the shifts and continuities as four year old children begin preschool move from preschool into primary school and come to the end of the first phase of schooling at nine years The literacy classroom is used as a specific site in which to examine how children s bodies are disciplined to become literate This is not a book that theorizes space time discipline bodies and literacy in abstract ways Rather working from a Foucaultian premise that discipline is directed onto children s bodies it moves from theory to practice Photographs lesson transcripts interviews and children s work show how teachers practices are enacted on children s bodies in time and space In this way teachers are offered practical examples from which to think about their own classrooms and classroom practice and to reflect on what works why it works and what can be changed

Localizing Global English Hikyoung Lee, Bernard Spolsky, 2020-09-29 English is the most widely taught and learned language in the world and is used for communication among speakers from different language backgrounds How it can be effectively taught and learned what English means to and how it can be owned by non native speakers of English in Asia and elsewhere are all issues that warrant contemplation This edited collection addresses these issues and more by looking at a wide range of topics that are relevant and timely in contexts where English is taught as a foreign language The authors offer novel perspectives gleaned from theory and actual practice that can inform English language teaching in Asia and beyond This book will be of interest to researchers policymakers curriculum developers and practitioners in the field of English teaching and learning

FAQs About South African English Pronunciation Books

What is a South African English Pronunciation PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a South African English Pronunciation PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a South African English Pronunciation PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a South African English Pronunciation PDF to another**

file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a South African English Pronunciation PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
