South Asian Systems Of Healing:

South Asian Systems of Healing E. Valentine Daniel, Judy F. Pugh, 1984 **Health, Culture and Religion in South Asia** Assa Doron, Alex Broom, 2013-09-13 Health Culture and Religion in South Asia brings together top international scholars from a range of social science disciplines to critically explore the interplay of local cultural and religious practices in the delivery and experiences of health in South Asia This groundbreaking text provides much needed insight into the relationships between health culture community livelihood and the nation state and in particular the recent struggles of disadvantaged groups to gain access to health care in South Asia The book brings together anthropologists sociologists economists health researchers and development specialists to provide the reader with an interdisciplinary approach to the study of South Asian health and a comprehensive understanding of cutting edge research in this area Addressing key issues affecting a range of geographical areas including India Nepal and Pakistan this text will be essential reading for students and researchers interested in Asian Studies and for those interested in gaining a better understanding of health in developing countries This book was published as a special issue of South Asian History and Culture *Medical Marginality in South Asia* David Hardiman, Projit Mukharji, 2013-05-07 Examining the world of popular healing in South Asia this book looks at the way that it is marginalised by the state and medical establishment while at the same time being very important in the everyday lives of the poor It describes and analyses a world of subaltern therapeutics that both interacts with and resists state sanctioned and elite forms of medical practice The relationship is seen as both a historical as well as ongoing one Focusing on those who exist and practice in the shadow of statist medicine the book discusses the many ways in which they try to heal a range of maladies and how they experience their marginality The contributors also provide a history of such therapeutics in the process challenging the widespread belief that such traditional therapeutics are relatively static and unchanging In focusing on these problems of transition they open up one of the central concerns of subaltern historiography This is an important contribution to the history of medicine and society and subaltern and South Asian studies

Contributions to Asian Studies Brill Academic Publishers, 1973-12 *Decolonizing Science and Modernity in South Asia* Sahara Ahmed, Suvobrata Sarkar, 2024-09-19 This book offers a unique perspective on the colonial roots of modern science technology and medicine STM in South Asia The book questions the deconstruction of imperial visions and definitions of science and modernity in South Asia It presents an in depth analysis of the contested relationship between science modernity and colonialism It explores how new research can contribute to the diversification of perspectives in the history and sociology of modern South Asian studies The chapters in the book delve into various aspects of STM in South Asia It covers diverse topics including the social cultural and pedagogic context of early modern Bengal the popularization of science in colonial Punjab the Hindi science periodical Vigyan and the emergence of the Indian science community The book also examines the intersection of indigenous medical practices ayurveda Unani and medical revivalism and highlights

peripheral creativity in science The contributors engage with the existing historiography to raise new questions concerning the global circulations of scientific knowledge from the perspective of South Asia and the regional appropriation of the same It connects the history of science and modernity with South Asia s socio economic and cultural background It offers valuable insights into the decolonization of STM It greatly interests scholars and students of modern South Asian history sociology social anthropology and Science Technology and Society Studies STS Potter and Perry's Fundamentals of Nursing: Third South Asia Edition EBook Suresh Sharma,2021-03-15 Fully compliant to the new curriculum prescribed by the Indian Nursing Council Comprehensive presentation of historical background of nursing and health care policies in Indian Primary prevention of communicable diseases like H1N1 and COVID 19 Two new appendixes A Diagnostic testing and B First Aid and Emergencies New Topics added Personal Protective Equipment PPE Universal Immunization Program and Biomedical Waste Management regulations in India AYUSH and Accreditation agencies like NABH Organ donation confidentiality of patient records regulations in India Indian National Health Policy 2017 Code of Ethics for Nurses in India medicolegal issues in health care in India *Fluent Bodies* Jean Langford,2002 An ethnography of Ayurvedic medicine which argues the ills it cures are largely effects of postcolonial identity **Situating religion and medicine in Asia** Michael Stanley-Baker,2023-12-05 This edited volume presents the latest research on the intersection of religion and medicine in Asia It features chapters by internationally known scholars who bring to bear a range of methodological and geographic expertise on this topic The book s central question is to what extent religion and medicine have overlapped or interrelated in various Asian societies Collectively the contributions explore a number of related issues such as which societies separated out religious from medical concerns at which times and in what ways Where have medicine and religion converged and how has such knowledge been defined by scholars and cultural actors Are religion and medicine the best terms by which scholars can grapple with knowledge about the sacred and the self destiny and disease Semiotics of Cities, Selves, and Cultures Milton Singer,2012-05-02 No detailed description available for Semiotics of Cities Selves and Cultures Max Weber in Asian Studies Andreas E.
