South The Endurance Expedition:

South! Ernest Shackleton, 2019-01-31 We had seen God in His splendours heard the text that Nature renders We had reached the naked soul of man In 1914 Ernest Shackleton set out on an 1 800 mile trek across Antarctica During the three year expedition his team overcame shipwreck treacherous glaciers and a bitterly hostile climate They faced the elements on this icy continent with extraordinary determination resourcefulness and courage This account by one of Britain's greatest explorers is at once thrilling harrowing and inspiring South Ernest Shackleton, Sir Ernest Henry Shackleton, 1999 In 1911 Roald Amundsen beat Robert Falcon Scott to the South Pole and Scott and his colleagues all died on the return journey Ernest Shackleton who had served with Scott on a previous expedition decided that crossing Antarctica from sea to sea was the last great unattempted journey on the continent His Imperial Trans Antarctic Expedition of 1914-17 was a failure But perhaps because it failed with Shackleton not only surviving but bringing his crew back alive the expedition became more famous than many of those adventurous voyages that succeeded After reaching the Weddell Sea off the coast of the Antarctic Peninsula Shackleton's ship the Endurance became trapped in pack ice and spent 1915 drifting northwards The Endurance was eventually crushed by the ice and sank leaving 28 men stranded on the ice They spent months sheltering from the subzero temperatures as the pack ice continued to drift Eventually Shackleton accepted they could not rely on rescue and had to help themselves so he led five men on an 800 mile voyage in an open boat to reach South Georgia from where he was able to mount a rescue of all of the men he had left behind on the ice Every one of them survived a remarkable tribute to his leadership courage and determination *South* is Shackleton's own account of the Imperial Trans Antarctic Expedition It is a true story of courageous endurance survival against the odds and an undeterred sense of adventure This special edition includes detailed maps so that the reader can see just how extraordinary Shackleton's achievement was **South** Sir Ernest Henry Shackleton, 1919 Sir Ernest Shackleton's *South* is one of the greatest survival stories of all time In 1914 Shackleton led a party of men hoping to be the first to traverse the Antarctic but when their ship became crushed by ice 350 miles from land the expedition soon became a matter of life and death This is the extraordinary account of treacherous seas glaciers and relentless cold and wonderfully encapsulates the heroic age of Antarctic exploration **South** Sir Ernest Henry Shackleton, 1920 South: The Story of Shackleton's Last Expedition, 1914-1917 Sir Ernest Henry Shackleton, 2023-09-10 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **South** Sir Ernest Henry Shackleton, 1921 South Ernest Shackleton, 2018-12-18 Firsthand account by Antarctic expedition leader of his crew's two year struggle to survive after the destruction of their ship A rousing read The New York Times South Sir Ernest Shackleton, Tbd, 2020-03-16 First appearing in 1919 *South The Endurance Expedition* is the gripping account of those who traveled with Sir Ernest Shackleton on his third expedition to Antarctica In August 1914 Shackleton set out with a crew of twenty eight aboard the ship

Endurance in an effort to become the first men to cross the vast Antarctic land mass a grand plan that was given the lofty title The Imperial Trans Antarctic Expedition At the same time the Endurance set out into the Weddell Sea so that a group of six including Shackleton could traverse the vast continent another ship called The Aurora landed on the other side of the continent to leave supplies for Shackleton's group Their adventurous and daring exploration soon became a struggle for survival however when the Endurance was trapped by solid ice which slowly crushed and disabled the ship and left the crew stranded in a barren snowy wilderness What would follow is one of the most gripping tales of heroism and survival in the face of almost certain death to have ever been told Drawing upon the first hand accounts of the men who lived to tell the tale South The Endurance Expedition is a harrowing and fascinating saga of polar exploration This edition is printed on premium acid free paper

South Sir Ernest Henry Shackleton, 1919 **South!** Ernest H. Shackleton, 2010 Account of the Imperial Trans Antarctic Expedition attempted by Sir Ernest Shackleton and his crew The goal of making the first land crossing of the Antarctic Continent was never reached Instead the Endurance Shackleton's ship got trapped in pack ice and Shackleton's new aim was to rescue all his crew members in which he finally succeeded Originally released in 1919 **South** Sir Ernest Shackleton, 2009-01 Sir Ernest Henry Shackleton CVO OBE 1874-1922 was an Irish explorer of Anglo Irish ancestry He was a member of four Antarctic expeditions three of which he led After the Nimrod Expedition 1907-09 he was knighted for his achievement in establishing a record furthest south latitude at 88°23' S 97 nautical miles 180 km from the South Pole He is most noteworthy for leading the unsuccessful Imperial Trans Antarctic Expedition often known as the Endurance Expedition between 1914 and 1916 Although Shackleton failed to achieve his goal of crossing the Antarctic continent on foot he demonstrated the qualities of leadership for which he is best remembered when the expedition ship Endurance became trapped in the ice and was destroyed Shackleton known by his contemporaries as the Boss led his men to refuge on Elephant Island before heading across 800 miles 1 300 km of the Southern Ocean to South Georgia in an open boat with five other men Upon reaching the remote island Shackleton and two others crossed severe mountainous terrain to reach a whaling station from which he was able eventually to rescue his men on Elephant Island

South! Ernest Henry Shackleton, 2022-11-13 In **South** Ernest Henry Shackleton recounts the harrowing and ambitious journey of the Imperial Trans Antarctic Expedition of 1914-1917 blending adventure narrative with a rich reflection on human fortitude The literary style is evocative and immersive employing vivid imagery and suspenseful storytelling to convey the relentless cold and the psychological strains of survival Shackleton's account is not merely a tale of exploration it serves as a poignant exploration of resilience in the face of adversity all set against the stark and unforgiving backdrop of the Antarctic wilderness Shackleton a distinguished polar explorer was propelled by a deep seated passion for adventure and discovery which was shaped by his early experiences in the Arctic and Antarctic regions His leadership during the expedition marked by unparalleled courage and decision making under extreme pressure culminates in the remarkable story he shares in **South** This account bridges the gap between

scientific exploration and the profound human experience illustrating Shackleton's belief in the indomitable strength of the human spirit. A must read for adventurers and scholars alike. *South* transcends the boundaries of conventional exploration literature offering invaluable insights into leadership and perseverance. Shackleton's journey not only chronicles survival but also serves as an enduring testament to hope and camaraderie making it essential reading for anyone captivated by human endeavor against nature's might.

South Ernest Henry Shackleton, 2019-03-19 In 1914 the polar explorer Ernest Shackleton announced an ambitious plan to lead the first trek across Antarctica via the South Pole. The expedition would prove fraught with adventure and peril. *South* is the remarkable tale of the ill-fated expedition told in Shackleton's own words breathtakingly illustrated in this unique edition with photography from the expedition, modern images of the Antarctic and newly discovered photos from the Ross Sea Party. This edition first published in 2016 is presented in paperback to coincide with the 100th anniversary of the original publication and features images by expedition photographer Frank Hurley, modern color photography of the fauna and vistas the men encountered as well as long lost photos taken by the expedition's Ross Sea Party and discovered in 2013. The expedition's story begins on the eve of World War I when the ship *Endurance* departed England with Shackleton and his team of six men. The plan was to travel 1,800 miles across the icy continent from the Atlantic side while a second team aboard the *Aurora* would reach Antarctica's Pacific side and lay out supply depots for the advancing team. As the *Endurance* approached the continent however it became hopelessly locked in an ice floe beginning a series of harrowing travails. Today considered an adventure survival classic, *South* is the true story of a thrilling polar expedition. Never before has Shackleton's lively prose been so extensively and stunningly illustrated.

South Ernest Shackleton, 1999-04-01 In 1914 a party led by veteran explorer Sir Ernest Shackleton sets out to become the first to traverse the continent of Antarctica. Their initial optimism is short-lived however as the ice field slowly thickens encasing the ship *Endurance* in a death grip crushing their craft and marooning 28 men on a polar ice floe. In an epic struggle of man versus the elements Shackleton leads his team on a harrowing quest for survival over some of the most unforgiving terrain in the world. Icy tempestuous seas full of gargantuan waves, mountainous glaciers and icebergs, unending brutal cold and ever looming starvation are their mortal foes as Shackleton and his men struggle to stay alive. What happened to those brave men forever stands as a testament to their strength of will and the power of human endurance. This is their story as told by the man who led them.
