Joseph Chinyong Liow

Southeast Asian Affairs 1985 Southeast Asian Affairs:

Southeast Asian Affairs, 1985 Lim Joo-Jock, 1986-03-01 **Southeast Asian Affairs 1984** Institute of Southeast Asian Affairs, 1984 Southeast Asia And The Enemy Beyond Robert O. Tilman, 2019-07-11 This book explores elite perceptions of the external threats facing the members of the Association of Southeast Asian Nations ASEAN drawing on Dr Tilman's interviews with senior political military and intellectual leaders in Indonesia Malaysia the Philippines Singapore and Thailand He supplements his interviews with an examination of their writings speeches and other public statements which he examines in the context of the history geography culture and governmental structures of each country He addresses the fundamental questions of the extent to which these perceptions differ and why His focus throughout is on subjective reality the world as it is perceived by the leadership of the ASEAN nations **Monarchy in South East Asia** Roger Kershaw, 2002-01-04 This title is the first study to relate the history and contemporary role of the South East Asian monarchy to the politics of the region today Comprehensive up to date Monarchy in South East Asia features an historical and political overview of Cambodia Thailand Malaysia Brunei Indonesia Laos as well as the region in general The excellent coverage of this fascinating subject should be of interest to general reader as well as to specialists focusing on region *The Making of Southeast Asia* Amitav Acharya, 2013-02-15 Developing a framework to study what makes a region Amitav Acharya investigates the origins and evolution of Southeast Asian regionalism and international relations He views the Association of Southeast Asian Nations ASEAN from the bottom up as not only a U S inspired ally in the Cold War struggle against communism but also an organization that reflects indigenous traditions Although Acharya deploys the notion of imagined community to examine the changes especially since the Cold War in the significance of ASEAN dealings for a regional identity he insists that imagination is itself not a neutral but rather a culturally variable concept The regional imagination in Southeast Asia imagines a community of nations different from NAFTA or NATO the OAU or the European Union In this new edition of a book first published as *The Quest for Identity* in 2000 Acharya updates developments in the region through the first decade of the new century the aftermath of the financial crisis of 1997 security affairs after September 2001 the long term impact of the 2004 tsunami and the substantial changes wrought by the rise of China as a regional and global actor Acharya argues in this important book for the crucial importance of regionalism in a different part of the world

Southeast Asian Affairs 2019 Daljit Singh, Malcolm Cook, 2019-04-10 *Southeast Asian Affairs* first published in 1974 continues today to be required reading for not only scholars but the general public interested in in depth analysis of critical cultural economic and political issues in Southeast Asia In this annual review of the region renowned academics provide comprehensive and stimulating commentary that furthers understanding of not only the region's dynamism but also of its tensions and conflicts It is a must read Suchit Bunbongkarn Emeritus Professor Chulalongkorn University Now in its forty sixth edition *Southeast Asian Affairs* offers an indispensable guide to this fascinating region Lively analytical authoritative

and accessible there is nothing comparable in quality or range to this series It is a must read for academics government officials the business community the media and anybody with an interest in contemporary Southeast Asia Drawing on its unparalleled network of researchers and commentators ISEAS is to be congratulated for producing this major contribution to our understanding of this diverse and fast changing region to a consistently high standard and in a timely manner Hal Hill H W Arndt Professor of Southeast Asian Economies Australian National University Historical Dictionary of Brunei Darussalam Jatswan S. Sidhu, 2016-12-20 After being a British protectorate for about 96 years since the 1888 Treaty of Protection the modern state of Negara Brunei Darussalam Abode of Peace eventually obtained its independence from Great Britain on 1 January 1984 Run by a royal family that established a kingdom in Brunei some 650 years ago the first sultan Muhammad Shah Alak Betatar was installed in c 1363 Sultan Hassanal Bolkiah the current ruler is the 29th sultan of the lineage and is one of the richest men in the world In spite of being called a mini state Brunei is well known around the world because its population enjoys one of the highest gross national income per capita in the world at an average of US 39 943 2015 a year This third edition of Historical Dictionary of Brunei Darussalam contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Brunei Darussalam *The Socialist Republic of Vietnam and the Law of the Sea* Epsey Cooke Farrell, 2021-09-27 The Socialist Republic of Vietnam and the Law of the Sea analyzes Vietnam s policies on the law of the sea in relation to the country s overall foreign policy goals and its position at the center of the South China Sea geostrategic region It examines Vietnam s claims in zones of maritime jurisdiction and its regulation of maritime activities in the context of the 1982 U N Convention on the Law of the Sea and against the backdrop of Vietnam s security interests economic development and regional leadership goals The author explores Vietnam s maritime boundary disputes with its Southeast Asian neighbors and China and assesses their impact on regional stability This is the first comprehensive study to trace the evolution of Vietnamese policy and participation in law of the sea development from the 1958 First U N Conference on the Law of the Sea to the present The book provides the background essential to an understanding of Vietnam s current maritime relations and of the challenge to incorporate Vietnam into a stable regional order Law of the sea specialists Southeast Asia area specialists and those interested in the development of Vietnam s hydrocarbon and fishery resources will find this a particularly valuable resource **Sultans, Shamans, and Saints** Howard M. Federspiel, 2007-01-31 By the fourteenth century the Islamic faith had spread via maritime trade routes to Southeast Asia where over the next seven hundred years it would have a continuing influence on political life social customs and the development of the arts Sultans Shamans and Saints looks at Islam in Southeast Asia during four major eras its arrival to 1300 the first flowering of Islamic identity 1300 1800 the era of imperialism 1800 1945 and the era of independent

nation states 1945 2000 Ranging across the humanities and social sciences this balanced and accessible work emphasizes the historical development of Southeast Asia's accommodation of Islam and the creation of its distinctive regional character Each chapter opens with a general background summary that places events in the greater Asian Southeast Asian context followed by an overview of prominent ethnic groups political events customs and cultures religious factors and art forms Sultans Shamans and Saints will be of great value to students and researchers specializing in the study of Islam and the comparative study of Muslim societies and culture It will also be useful to those with a world systems approach to the study of history and globalization

Dictionary of the Modern Politics of Southeast Asia Michael Leifer, 2013-05-13 This comprehensive Dictionary provides descriptive and analytical coverage of the turbulent political history and striking changes which have occurred both regionally and in key countries since the end of the Second World War Substantially rewritten to take into account the dramatic political events and developments since 1995 the third edition of this acclaimed Dictionary will provide non specialists and specialists alike with an essential resource on this constantly changing and volatile region Including new entries updated country profiles on Indonesia Malaysia and Cambodia and a revised reading list leading authority and commentator on this rapidly developing region Michael Leifer has brought this Dictionary fully up to date Changes in government the rise of new leaders and the knock on effect on economy and society are covered including the death of key figures such as Pol Pot and the rise of a new generation of leaders dramatic changes of government in Indonesia Thailand and the Philippines and elections in Malaysia Countries covered include Brunei Burma Myanmar Cambodia Kampuchea Indonesia Laos Malaysia the Philippines Singapore Thailand and Vietnam Key features include Individual entries provide detailed information and authoritative commentary on the central figures political parties and organizations political systems and structures major events and key documents For each state covered an extended narrative analyses its recent history and political and social development Extensive cross referencing and a subject index lead the reader to the vital material Subject bibliographies refer researchers to source and secondary matter

Indonesia's Role in the Resolution of the Cambodian Problem M Nagendra Prasad, 2017-07-12 This title was first published in 2001 The author explores the role of peacemaker that Indonesia volunteered to play by way of resolving the complex Cambodian conflict He examines what motivated Indonesia how far the country lived up to ASEAN expectations and whether the country succeeded as a mediator

ASEAN and the Security of South-East Asia (Routledge Revivals) Michael Leifer, 2013-10-14 Problems of internal and external security in South East Asia have persisted as one set of competing global alignments has been succeeded by another with major impact on regional relationships This book first published in 1989 examines how the states of The Association of South East Asian Nations ASEAN have attempted to confront the problems of regional security It considers the nature and role of the Association intended to promote economic growth social progress and cultural development traces its institutional development from 1967 and identifies a basic structural weakness arising from the

differing strategic perspectives held by member governments Leifer explores in particular ASEAN's response to conflicts over Kampuchea renamed Cambodia in 1990 which was critical in exposing those differing perspectives and the limited role of a diplomatic community in coping with regional security problems This comprehensive work will be of particular value to students and academics with an interest in South East Asian diplomacy history and regional security Democratisation of Myanmar Nehginpao Kipgen, 2021-09-30 On February 1 2021 Myanmar's military coup abruptly ended a decade of a civilian military hybrid regime a massive setback for the democratisation process Citizens from all walks of life took to the streets and protests erupted over the following weeks and Myanmar became the centre of global attention This book brings up to date how the story of Myanmar's experiment with democracy unravelled over the last few years This second edition Traces the political transition of Myanmar from a military rule of nearly five decades to a short lived democratic experiment Outlines the factors that contributed to this transition and the circumstances in which it took place Shows how political groups especially Aung San Suu Kyi's National League for Democracy NLD and the military worked together and paved the way for democratisation and what led to the failure of the NLD government Examines the 2020 general election and the declaration of national emergency following the NLD landslide electoral win Bringing together a balance of primary ethnographic fieldwork and nuanced analysis this book will be of great interest to scholars and researchers of Asian and Southeast Asian Studies politics and political processes democratisation process and democratic transitions international relations and peace and conflict studies especially those concerned with Myanmar **The Quest for Balance in a Changing Laos** Søren Ivarsson, Thommy Svensson, Stein Tønnesson, 1995 **Singapore Studies** Beng Huat Chua, Basant Kapur, 1986 This edition brings up to date a decade of research work developments of the Faculty of Arts and Social Science National University of Singapore since the first volume was published in 1985 The state of the respective disciplines covered are reviewed in terms of notable theoretical and conceptual developments major benchmarks during the past decade and research lacunae that need to be addressed as well as their substantive developments and contributions in the Singapore context and possible future directions resulting in a collection of essays that places the Faculty's studies in an international comparative framework *Dictionary of the Modern Politics of Southeast Asia* Joseph Chinyong Liow, 2014-11-20 The past two decades since the end of the Cold War have been years of remarkable change and transformation for Southeast Asia Long seen as an arena for superpower rivalry Southeast Asia is increasingly coming into its own by locating itself at the forefront of regional integration initiatives that involve not only the Association of Southeast Asian Nations but major external powers such as the United States China India Japan and Australia as well At the same time the past two decades has seen the revival of old animosities as well as the emergence of new security challenges confronting the region Old animosities include unresolved territorial disputes while new challenges range from regional and global financial crises terrorism and pandemics Significant changes within the ten Southeast Asian countries covered in this book have also transpired that have affected not only the

complexion of domestic politics but have also impacted regional diplomacy as well such as the creation of potentially the eleventh Southeast Asian country Timor Leste Extensively updated and revised in light of these changes and developments this fourth edition of Dictionary of the Modern Politics of Southeast Asia contains profiles of each Southeast Asian country Following this it provides more than 450 alphabetically arranged individual entries providing detailed accounts and analyses on major episodes and treaties political parties and institutions civil society movements and regional and international organizations Biographies of significant political leaders and personalities both past and present are also provided Entries are comprehensively cross referenced and an index by country directs readers to all entries concerning a particular country The Dictionary also includes an extensive bibliography that serves as a guide to further reading It is an essential reference tool for all scholars and students of Asian politics and international affairs and a vital resource for journalists diplomats policy makers and others with an interest in the region **ASEAN and the Diplomacy of Accommodation** Michael

Antolik,2020-07-24 This book studies the activities undertaken by the ASEAN states and reflects the inspiration and support of many individuals The ASEAN phenomenon is about the successful consultative process the accommodation that these states used in managing tensions and dealing with external environments Communitarian Ideology and Democracy in Singapore Beng-Huat Chua,2002-03-11 The economic success of Singapore has established the country as a model for other nations Yet until now the ideas behind this accomplishment have not been critically examined Communitarian Ideology and Democracy in Singapore fills this gap The book outlines the policies the ruling party has adopted over the past three decades It charts the government's move away from Western concepts towards the evolution of Asian democracy The author analyses this anti liberal democracy and the government's motives for repackaging cultural heritage into a national ideology of Asian communitarianism This book avoids the polarization that has tended to characterise texts on Asian governments It neither concentrates on a history of authoritarian repression nor unequivocally praises the regime but critically examines its political success As such it provides a new and balanced account to the student of Singapore politics *Defect Or Defend* Terence Lee,2015 Why do certain militaries brutally suppress popular demonstrations while others support the path to political liberalization by backing mass social movements Although social movements and media can help destabilize authoritarian governments not all social protest is effective or culminates in the toppling of dictatorships Frequently the military's response determines the outcome In Defect or Defend Terence Lee uses four case studies from Asia to provide insight into the military's role during the transitional phase of regime change Lee compares popular uprisings in the Philippines and Indonesia both of which successfully engaged military support to bring down authoritarian rule with protest movements in China and Burma which were violently suppressed by military forces Lee's theory of high personalism and power sharing among the armed forces leadership provides a framework for understanding the critical transitory phases of democratization He uses this theory to review and assess Eastern Europe's democratization events in 1989 the Colored Revolutions of the

early 2000s and the protests and revolutions unfolding in the Middle East This book will appeal to students and scholars of comparative politics Asian studies security studies and international relations as well as defense policymakers Japan and South East Asia: The Cold War era 1947-1989 and issues at the end of the twentieth century Wolf Mendl, 2004-11
