**Women in Music** Karin Pendle, Melinda Boyd, 2012-07-26 Women in Music A Research and Information Guide is an annotated bibliography emerging from more than twenty five years of feminist scholarship on music This book testifies to the great variety of subjects and approaches represented in over two decades of published writings on women their work and the important roles that feminist outlooks have played in formerly male oriented academic scholarship or journalistic musings on women and music

Women Music Educators in the United States Sondra Wieland Howe, 2013-11-07 Although women have been teaching and performing music for centuries their stories are often missing from traditional accounts of the history of music education In Women Music Educators in the United States A History Sondra Wieland Howe provides a comprehensive narrative of women teaching music in the United States from colonial days until the end of the twentieth century Defining music education broadly to include home community and institutional settings Howe draws on sources from musicology the history of education and social history to offer a new perspective on the topic In colonial America women sang in church choirs and taught their children at home In the first half of the nineteenth century women published hymns taught in academies and rural schoolhouses and held church positions After the Civil War women taught piano and voice went to college taught in public schools and became involved in national music organizations With the expansion of public schools in the first half of the twentieth century women supervised public school music programs published textbooks and served as officers of national organizations They taught in settlement houses and teacher training institutions developed music appreciation programs and organized women's symphony orchestras After World War II women continued their involvement in public school choral and instrumental music developed new methodologies conducted research and published in academia Howe's study traces this evolution in the roles played by women educators in the American music education system illuminating an area of research that has been ignored far too long Women Music Educators in the United States A History complements current histories of music education and supports undergraduate and graduate courses in the history of music education American education and women's studies It will interest not only musicologists educational historians and scholars of women's studies but music educators teaching in public and private schools and independent music teachers

**Ojibwe Singers** Michael David McNally, 2009 In the early nineteenth century Protestant missionaries promoted the translation of evangelical hymns into the Ojibwe language regarding this music not only as a shared form of worship but also as a tool for rooting out native cultural identity But for many Minnesota Ojibwe today the hymns emerged from this history of material and cultural dispossession to become emblematic of their identity as a distinct native people Author Michael

McNally uses hymn singing as a lens to view culture in motion to consider the broader cultural processes through which Native American peoples have creatively drawn on the resources of ritual to make room for survival integrity and a cultural identity within the confines of colonialism

**From Soul to Hip Hop** Tom Perchard, 2017-07-05 The essays contained in this volume address some of the most visible durable and influential of African American musical styles as they developed from the mid 1960s into the 21st century Soul funk pop R B and hip hop practices are explored both singly and in their many convergences and in writings that have often become regarded as landmarks in black musical scholarship These works employ a wide range of methodologies and taken together they show the themes and concerns of academic black musical study developing over three decades While much of the writing here is focused on music and musicians in the United States the book also documents important and emergent trends in the study of these styles as they have spread across the world The volume maintains the original publication format and pagination of each essay making for easy and accurate cross reference and citation Tom Perchard's introduction gives a detailed overview of the book's contents and of the field as a whole situating the present essays in a longer and wider tradition of African American music studies In bringing together and contextualising works that are always valuable but sometimes difficult to access the volume forms an excellent introductory resource for university music students and researchers

*Indians of the Great Plains* Daniel J. Gelo, 2018-07-20 This book provides a thorough and engaging study of Plains Indian life It covers both historical and contemporary aspects and contains wide and balanced treatment of the many different tribal groups including Canadian and southern populations Daniel J Gelo draws on years of ethnographic research and emphasizes that Plains societies and cultures are continuing living entities The second edition has been updated to take account of recent developments and current terminology The chapters feature a range of illustrations maps and text boxes as well as summaries key terms and questions to support teaching and learning It is an essential text for courses on Indians of the Great Plains and relevant for students of anthropology archaeology history and Indigenous studies

*Reader's Guide to Women's Studies* Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors

*The Jesus Road* Luke E. Lassiter, Clyde Ellis, Ralph Kotay, 2002-01-01 In this highly original and moving volume an anthropologist a historian and a Native singer come together to reveal the personal and cultural power of Christian faith among the Kiowas of southwestern Oklahoma and to show how Christian members of the Kiowa community have creatively embraced hymns and made them their own Kiowas practice a unique expression of Christianity a blending that began with the arrival of missionaries on the Kiowa Comanche Apache Reservation in the 1870s In these pages historian Clyde Ellis offers a compelling look at the way in which many Kiowas

became Christian over the past century and have woven that faith into their identity The personal and cultural significance of traditional songs and their close connection to the power of hymns is then illuminated by anthropologist Luke Eric Lassiter Like traditional Kiowa songs Christian hymns help restore and minister to the community they also can be highly individualistic since many are composed and shared by church members themselves at different times in their lives In the final section of the book Kiowa singer Ralph Kotay tells of the personal meaning and value of the hymns and of the Christian faith in general This remarkable sensitive book makes an important contribution to our understanding of the complexity of Native lives today and offers a subtle yet penetrating look at the legacy of Christianity among Native peoples **An**

**Introduction to Native North America** Mark Q. Sutton, 2021-03-10 An Introduction to Native North America provides a basic introduction to the Native peoples of North America covering what are now the United States northern Mexico and Canada In this updated and revised new edition Mark Q Sutton has expanded and improved the existing text adding to the case studies updating the text with the latest research increasing the number of images providing more coverage of the Arctic regions and including new perspectives particularly those of Native peoples The book addresses the history of research the European invasion and the impact of Europeans on Native societies A final chapter introduces contemporary Native Americans discussing issues that affect them including religion health and politics The book retains a wealth of pedagogical features to aid and reinforce learning Featuring case studies of many Native American groups as well as some eighty four maps and images An Introduction to Native North America is an indispensable tool to those studying the history of North America and its Native peoples *Creation and the Environment* Calvin Redekop, 2003-04-01 Recent years have seen a shift in the belief that a religious world view specifically a Christian one precludes a commitment to environmentalism Whether as stewards of God's creation or champions of environmental justice church members have increasingly found that a strong pro ecology stand on environmental issues is an integral component of their faith But not all Christian denominations are latecomers to the issue of environmentalism In *Creation and the Environment* Calvin W Redekop and his co authors explain the unique environmental position of the Anabaptists in particular the Mennonites After a brief survey of the major forces contributing to the world's present ecological crisis *Creation and the Environment* explores the uniquely Anabaptist view of our relationship to what they see as the created order In rural Amish and Mennonite communities they explain the environment especially the land is considered part of the Kingdom God plans to establish on earth In this view the creation is part of the divine order with the redemption of humankind inextricably linked to the redemption and restoration of the material world The well being a purpose of creation and human history are thus seen as completely interdependent Contributors Donovan Ackley III Claremont Graduate School Kenton Brubaker Eastern Mennonite University Thomas Finger Claremont Graduate School Karen Klassen Harder Bethel College Kansas James Harder Bethel College Kansas Lawrence Hart Cheyenne Cultural Center Clinton Oklahoma Theodore Hiebert McCormick Theological Seminary Karl Keener
