aquatic society one that provided a degree of ecological autonomy for local residents enabling them to protect their communities integrity maintain their way of life and preserve many aspects of their cultural heritage While the area s ecology allowed for a wide array of socioeconomic and cultural continuities during colonial rule demographic change came to affect the ecological basis of the lakes pastoralism and new ways of using and modifying the lakes began to make a mark on the watery landscape and on the surrounding communities In this fascinating study Conway explores Xochimilco using native language documents which serve as a hallmark of this continuity and a means to trace patterns of change

Martial Spectacles of the Ming Court David M. Robinson,2020-10-26 Like most empires the Ming court sponsored grand displays of dynastic strength and military prowess Covering the first two centuries of the Ming dynasty 1368 1644 *Martial Spectacles of the Ming Court* explores how the royal hunt polo matches archery contests equestrian demonstrations and the imperial menagerie were represented in poetry prose and portraiture This study reveals that martial spectacles were highly charged sites of contestation where Ming emperors and senior court ministers staked claims about rulership ruler minister relations and the role of the military in the polity Simultaneously colorful entertainment prestigious social events and statements of power

martial spectacles were intended to make manifest the ruler's personal generosity, keen discernment and respect for family tradition. They were however subject to competing interpretations that were often beyond the emperor's control or even knowledge. By situating Ming martial spectacles in the wider context of Eurasia, David Robinson brings to light the commensurability of the Ming court with both the Mongols and Manchus but more broadly with other early modern courts such as the Timurids, the Mughals and the Ottomans. *Glen Canyon National Recreation Area (N.R.A.), General Management Plan (GMP) (AZ,UT) ,1979*
