been a prolific source of commercial recording starting in 1923 with Henry Whitter's hillbilly music and continuing into the 21st century with such chart topping acts as James King, Ronnie Bowman and Doc Watson. Unrivaled in tradition, unequalled in acclaim and unprecedented in influence, the Central Blue Ridge can claim to have contributed to the musical landscape of Americana as much as or more than any other region in the United States. This reference work, part of McFarland's continuing series of Contributions to Southern Appalachian Studies, provides complete biographical and discographical information on more than 75 traditional recording major commercial label artists who are natives of or lived mostly in the northwestern North Carolina counties of Alleghany, Ashe, Avery, Surry, Watauga and Wilkes and the southwestern Virginia counties of Carroll and Grayson. Primary recordings as well as appearances on anthologies are included in the discographies. A chronological overview of the music is provided in the Introduction and the Foreword is by the celebrated musician Bobby Patterson, founder of the Mountain and Heritage record labels.

Peggy Seeger Jean R. Freedman, 2017-02-03 Born into folk music's first family, Peggy Seeger has blazed her own trail artistically and personally. Jean Freedman draws on a wealth of research and conversations with Seeger to tell the life story of one of music's most charismatic performers and tireless advocates. Here is the story of Seeger's multifaceted career from her youth to her pivotal role in the American and British folk revivals, from her instrumental virtuosity to her tireless work on behalf of environmental and feminist causes, from wry reflections on the U.K. folk scene to decades as a songwriter. Freedman also delves into Seeger's fruitful partnership with Ewan MacColl and a multitude of contributions which include creating the renowned Festivals of Fools, founding Blackthorne Records, masterminding the legendary Radio Ballads documentaries and mentoring performers in the often fraught atmosphere of The Critics Group. Bracingly candid and as passionate as its subject, Peggy Seeger is the first book-length biography of a life set to music.
