Southern Writers, 1999 **Bibliographic Guide to Chicana and Latina Narrative** Kathy Leonard, 2003-08-30 There has been a dramatic increase in the amount of narrative work published by Chicana and Latina authors in the past 5 to 10 years. Nonetheless, there has been little attempt to catalog this material. This reference provides convenient access to all forms of narrative written by Chicana and Latina authors from the early 1940s through 2002. In doing so, it helps users locate these works and surveys the growth of this vast body of literature. The volume cites more than 2,750 short stories, novels, novel excerpts, and autobiographies written by some 600 Mexican American, Puerto Rican, Cuban American, Dominican American, and Nuyorican women authors. These citations are grouped in five indexes: an author title index, title author index, anthology index, novel index, and autobiography index. Short annotations are provided for the anthologies, novels, and autobiographies. Thus, the user who knows the title of a work can discover the author, the other works the author has written, and the anthologies in which the author's shorter pieces have been reprinted, along with information about particular works.

It sheds light on lesser-discussed Black women playwrights of the Harlem Renaissance and re-evaluates the turn-of-the-century concept Noble Womanhood in light of the Cult of Domesticity. **Teaching Information Literacy and Writing Studies**

Grace Veach, 2018-09-15 This volume, edited by Grace Veach, explores leading approaches to foregrounding information literacy in first-year college writing courses. Chapters describe cross-disciplinary efforts underway across higher education as well as innovative approaches of both writing professors and librarians in the classroom. This seminal work unpacks the disciplinary implications for information literacy and writing studies as they encounter one another in theory and practice during a time when fact or truth is less important than fitting a predetermined message. Topics include reading and writing through the lens of information literacy, curriculum design, specific writing tasks, transfer, and assessment. *Willie Morris* Jack Bales, 2015-06-14 William Weaks Morris was a writer defined in large measure by his Southern roots. A seventh-generation Mississippian, he grew up in Yazoo City, frequently reminded of his heritage. Spending his college years at the University of Texas and at Oxford University in England gave Morris a taste of the world and, at the very least, something to write home about. This volume is a comprehensive reference work dealing with Willie Morris's life and works. It is also a literary biography based on hundreds of primary sources such as letters, newspaper articles, and interviews. The principal focus is on Morris's literary legacy, which includes works such as *North Toward Home*, *New York Days*, and *My Dog Skip*.
