Southern Cross To Pole Star:

Southern Cross to Pole Star Aimé Felix Tschiffely, 1982 Aime Tschiffely had an unlikely dream to ride 10 000 miles from Buenos Aires to New York City In April 1925 he set out on his epic journey with two native Argentine horses called Mancha and Gato The trio traversed the Pampas scaled the Andes and struggled through the crocodile infested rivers of Colombia and the jungles of Panama After two harrowing years the man who had originally been labelled mad by the press was accorded a ticker tape parade when he rode triumphantly through the streets of New York *Southern Cross to Pole Star*

OF EQUINE ADVENTURE In the early 1920s a peaceful Swiss schoolteacher accomplished one of the most extraordinary equestrian journeys in history Aim Tschiffely and his two trusty steeds Mancha and Gato traveled the incredible distance of ten thousand miles between Buenos Aires and New York Tschiffely s Ride recounts the dramatic story of that daring journey Along the trackless Pampas of Argentina over Peru s towering Andes Mountains through the malaria infested jungles of Central America across the deserts of Mexico and on to a rapturous welcome in faraway New York Tschiffely carries the reader along on an unforgettable quest Although many taunted him as a fool for daring to make a ride that had never been attempted the author was greeted as a hero by the president of the United States and given a ticker tape parade by the mayor of New York City Nearly a century later the modest Tschiffely is revered as the most influential Long Rider in history Tschiffely s journey has inspired five generations to swing into the saddle and seek their own equestrian adventure his beloved book remains the most famous and enduring equestrian travel tale ever written It is a fascinating personal narrative Tschiffely has told a romantic and adventurous tale Kirkus Reviews A ride that beats all the great rides of fact and fiction clean out of the field The Times **Tschiffely's ride** Aimé Felix Tschiffely, 1934 **North Star to Southern Cross** Will Kyselka, Ray Lanterman, 2021-05-25 Concise field guide to stars and constellations presented in a month by month selection of stars charts Explains celestial phenomena workings A gem *TSCHIFFELYS RIDE* Aime Tschiffely, 2001-10-01 No one knew they were looking at a hero and his two horses Instead the local press derided him as a lunatic proposing to ride overland to New York The time was 1925 The place Buenos Aires Argentina Standing on the threshold of equestrian travel history was a young Swiss Long Rider named Aime Tschiffely Next to him were his two faithful Criollo horses Mancha and Gato Their collective goal was to ride more than ten thousand miles from Buenos Aires to New York No one had ever attempted such a journey Everyone thought Tschiffely was mad Looking back on what would become the most famous equestrian journey of the modern age it is difficult to believe that anyone doubted the abilities of the legendary Long Rider

and his hardy horses Yet the school teacher who became an equestrian explorer had been told he was too inexperienced his horses too old and the journey too difficult What Aime Tschiffely was told was wrong This is the story of the greatest equestrian epic of the twentieth century a journey that came about because a man and his horses refused to quit ever During the course of their travels Tschiffely Mancha and Gato crossed deadly deserts passed through jungles traversed sky high mountain passes and rode on They were assailed by vampire bats mistaken for gods and navigated the Panama Canal but rode on Nothing stopped them No one since has rivalled their accomplishments Often imitated but never outdone this timeless book remains the most beloved equestrian travel classic of all time So saddle up for the ride of a lifetime But beware the story of Tschiffely s Ride has inspired five generations to take to the saddle in search of mounted adventure
