Harper,2017-04-26 In The Gaithers and Southern Gospel Ryan P Harper examines songwriters Bill and Gloria Gaither s Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity      *Southern Gospel Music and Proud of It* Hal Leonard Corp,Hal Leonard Corp. of herself as a country mouse in comparison to other girls Especially since her hair was a plain mousy brown without any curl while her cousin Olivia and her sister Reba both were curly headed blonds So Mary withdrew and turned to books and a world of make believe However there are happy times too Once a month the Martins and Jeffersons go on a picnic to a local park where the children play on the playground equipment and go for exciting boat rides Another time they attend a war bond rally where The Sons of the Pioneers along with Roy Rogers and his horse Trigger are the main attraction And theres the Fourth of July picnic where one of the rockets went astray and caused all kinds of excitement Theres also travel One Christmas four families of the Martin relatives caravan by automobile to Texas to spend the holidays with the rest of the family Along the road they run into all types of excitement rain wind snow ice flooded roads and even a cattle drive Finally they reach their destination and its a whirlwind of new experiences for Mary The cousins join in building a snowman and then proceed to have a snowball fight Its a rare treat since there is no snow in It's All about Faith Teresa

*Servanthood of Song* Stanley R. McDaniel,2024-05-23 *Servanthood of Song* is a history of American church music from the colonial era to the present Its focus is on the institutional and societal pressures that have shaped church song and have led us directly to where we are today The gulf which separates advocates of traditional and contemporary worship Black and White Protestant and Catholic is not new History repeatedly shows us that ministry to be effective must meet the needs of the entire worshipping community not just one segment age group or class *Servanthood of Song* provides a historical context for trends in contemporary worship in the United States and suggests that the current polemical divisions between advocates of contemporary and traditional classically oriented church music are both unnecessary and counterproductive It also draws from history to show that to be the powerful component of worship it can be music whatever the genre must be viewed as a ministry with training appropriate to that *Servanthood of Song* provides a critical resource for anyone considering a career in

BOOK JACKET      *The Long Road to Nowhere* Mark Jones, 2009-05 One day while sitting on a park bench Mark was asked by an old man Why do you do what you do Why do you work where you work or live where you live Whether we agree or not life really is about a series of paths and decisions whereby even one small change can alter our lives forever We usually want to blame others including God for our decisions Only by examining the paths we have taken can we really see where we're at It is only when we look deep within ourselves we discover that as writers singers musicians interior decorators or even truck drivers we all have gifts Having them is not to question rather it is WHAT WE DO WITH THEM that really matters Wherever your passions lie you can erase your doubts and restore your joy Just imagine yourself on a park bench      *Billboard* , 1996-07-06
