## **Southern Thunder A Story Of The Civil War 1861-1865:**

**Southern Thunder** R. Thomas Campbell, 1996 Southern Thunder follows the success of Gray Thunder with more exciting accounts of the exploits of the Confederate States Navy. Within these covers are described in vivid detail additional battles and engagements fought by the Southern navy against a well equipped and relentless foe. The Confederate navy has been greatly ignored in the accounts of the War Between the States; this second work in a series however helps to fill that void. Using selected episodes the author tells the fascinating story of the many victories and defeats of the South's navy as it struggled with sparse resources against unbelievable odds. *The Timberclads in the Civil War* Myron J. Smith, Jr., 2008-10-07 In the most detailed history ever of Union warships on the western waters of the Civil War, the author recounts the exploits of the timberclad ships Lexington, Tyler, and Conestoga. Converted to warships from commercial steamboats at the beginning of the conflict, the three formed the core of the North's Western Flotilla, later the Mississippi Squadron. The book focuses on the activities of these wooden warriors while providing context for the greater war, including accounts of their famous commanders, their roles in both large and small battles, ship-to-ship combat, and support for the armies of Gen. U. S. Grant and Gen. William T. Sherman. *The CSS Arkansas* Myron J. Smith, Jr., 2014-01-10 While the Monitor and Merrimack are the most famous of the Civil War ironclads, the Confederacy had another ship in its flotilla that carried high hopes and a metal hull. The makeshift CSS Arkansas, completed by Lt. Isaac Newton Brown and manned by a mixed crew of volunteers, gave the South a surge of confidence when it launched in 1862. For 28 days of summer, the ship engaged in five battles with Union warships, falling victim in the end only to her own primitive engines. The saga of the CSS Arkansas represents the last significant Rebel naval activity in the war's Western theater. **Confederate Ironclads at War** R. Thomas Campbell, 2019-02-15 Hampered by lack of materials, shipyards, and experienced shipbuilders, even so the South managed to construct 34 iron-armored warships during the Civil War, of which the Confederate Navy put 25 into service. The stories of these vessels illustrate the hardships under which the Navy operated and also its resourcefulness. Except for the Albemarle, no Confederate ironclad was sunk or destroyed by enemy action. Overtaken by events on the ground, most were destroyed by their own crews to prevent them from falling into Union hands. This account covers the design and construction and the engagements of the Confederate ironclads and describes the ingenuity and courage as well as the challenges and frustrations of their too little, too late service. *After Vicksburg* Myron J. Smith, Jr., 2021-11-01 This is the first published comprehensive survey of naval action on the Mississippi River and its tributaries for the years 1863-1865. Following introductory reviews of the rivers and of the U. S. Navy's Mississippi Squadron, chronological Federal naval participation in various raids and larger campaigns is highlighted, as well as counterinsurgency, economical support and control, and logistical protection. The book includes details on units, locations, and activities that have been previously underreported or ignored. Examples include the birth and function of the Mississippi Squadron's 11th District, the role of U. S. Army gunboats, and the war on the Upper

Cumberland and Upper Tennessee Rivers The last chapter details the coming of the peace in 1865 and the decommissioning of the U S river navy and the sale of its gunboats

**Voices of the Confederate Navy** R. Thomas Campbell,2013-10-15 This collection of writings by Confederate naval participants aptly tells the story of the hardships and trials faced by the men of the South on the seas and waterways The narratives include fond memories of skirmishes in beloved ships recollections of bitter defeats dispatches of officers claiming victory gritty excerpts from journals accounts of cunning blockade dodges and carefully worded reports of the loss of a ship Each entry lends valuable information and color as a modern reader tries to understand just what these men faced
