Souvenir Of Venice:

Souvenirs of Venice Liana Bellon, 2016 This dissertation is the first study of the three hundred year history of souvenir images of Venice produced by local Venetians for tourists from the eighteenth century to the twenty first century The project traces the changes and the elements of continuity in the Venetian spaces depicted and in the visual conventions used The Introduction explains why Venice is a significant subject for a study of souvenir imagery and outlines the theoretical ideas related to travel and souvenirs that inform the work that follows Chapter One focuses on the view paintings of Venice by Giovanni Canaletto and Francesco Guardi as well as Antonio Visentini s engravings of Canaletto s paintings within the context of both the Grand Tour and Venice s dwindling power leading up to the fall of the Republic in 1797 Chapter Two explores nineteenth century photographs of Venice made by local photographers Carlo Ponti Carlo Naya and Tomaso Filippi with the photographs organized into central and peripheral spaces in the city and with attention devoted to archival material in the little known Archivio Filippi Chapter Three considers the photographs in their serial form as images included in commercial souvenir albums Chapter Four analyzes twentieth century postcards of Venice which used the nineteenth century photographs for their images The Conclusion includes a study of a company in Venice that is continuing the tradition of producing postcard views of the city for visitors The chapters also call attention to how the figures of locals and foreigners are presented in the images to the tourist circuits through Venice implied in collections of images bound together which are read here as visual guidebooks and to spaces that brought tourists together to engage with the city s souvenir images specifically Joseph Smith s viewing gallery on the Grand Canal in the eighteenth century photographers shops in San Marco in the nineteenth century and the post office at the Fondaco dei Tedeschi in the early twentieth century This thesis shows how Venetian souvenir images participated in reinforcing and shaping the spaces of tourism in the city as in for example the emergence of the Bridge of Sighs as a significant tourist site Furthermore these reproduced views influenced not only which sites tourists visited and how they enacted their roles as tourists but also how they anticipated and remembered their travels However tourists were not passive recipients Arguing for a dynamic relationship between the producers and consumers of the tourist imagery this thesis incorporates travel writing guidebooks and literature of the eighteenth nineteenth and twentieth centuries to highlight that tourists were aware that their perceptions of the city were shaped by the representations they had seen Moreover tourists had a hand in shaping the souvenir views presented to them In the eighteenth century Canaletto and Guardi s patrons suggested subject matter size and viewpoints for the view paintings In the nineteenth century photographers took into account the Gothic and Romantic sensibilities of visitors when photographing Venice and tourists were able to choose the images included in the commercial souvenir albums they purchased This collaboration between producer and consumer is seen most tangibly in postcards in which the tourist s own words accompany the commercial image This project is at the intersection of art historical work on material culture in which a close

reading of visual conventions is at the fore and sociological work on tourism which explores the rituals associated with travel Engaging with the city one visits through texts and images has often been disparaged as diminishing travel In contrast this project suggests that such an experience is an integral aspect of travelling especially in Venice a city that has for centuries had a place in the minds of visitors through its representations in literature and art *Souvenir of Venice ...* Carl Marwis, Women's Educational and Industrial Union (Boston, Mass.), 1888 **Art Prices Current**, 1928 *Treasures of the Veneto: A Journey Through Italy's Northeastern Gems* Pasquale De Marco, 2025-03-23 In the heart of northeastern Italy lies the captivating Veneto region a treasure trove of art history and natural wonders *Treasures of the Veneto A Journey Through Italy's Northeastern Gems* is your ultimate guide to exploring this enchanting land Embark on a journey through the canals of Venice a city of unparalleled beauty and intrigue Discover the hidden gems tucked away in narrow alleyways and serene canals where history whispers in every stone and bridge Marvel at the architectural masterpieces of St Mark's Basilica and the Doge's Palace symbols of Venetian power and artistic prowess Venture beyond Venice to uncover the Veneto's rich cultural heritage Explore the romantic city of Verona where Shakespeare's Romeo and Juliet found their tragic love Admire the Palladian architecture of Vicenza a UNESCO World Heritage Site Stroll through the streets of Padua a vibrant university town with a fascinating history Indulge in the Veneto's culinary delights Savor the flavors of cicchetti Venetian tapas in traditional bacari small wine bars Treat your palate to authentic Venetian pizza a crispy and flavorful delight Embark on a wine tour through the vineyards of Valpolicella where renowned wines such as Amarone and Ripasso are produced Escape to the breathtaking natural landscapes of the Veneto Hike through the majestic Dolomites a UNESCO World Heritage Site and immerse yourself in its towering peaks and lush valleys Relax on the shores of Lake Garda Italy's largest lake and enjoy water sports picturesque villages and stunning sunsets Immerse yourself in the Veneto's unique festivals and traditions Experience the magic of the Venice Carnival a spectacle of masks costumes and exuberant celebrations Witness the historical regatta a thrilling boat race that showcases Venice's maritime heritage Take part in the Verona Opera Festival where world renowned opera singers perform under the stars in an ancient Roman arena With practical guidance and insider tips this book is your indispensable companion to the Veneto region Discover the best accommodation options from budget friendly hostels to luxurious palazzi Learn how to navigate Venice's unique transportation system including water taxis and vaporetti Indulge in the local cuisine with our restaurant recommendations and savor the flavors of Venetian specialties *Treasures of the Veneto* is more than just a travel guide it's an invitation to experience the Veneto region in all its glory Let this book be your guide as you uncover the hidden gems and unveil the stories that have shaped this captivating land If you like this book write a review **The Vienna Prater** Werner Michael Schwarz, Susanne Winkler, 2024-04-01 Das neue Wiener Pratermuseum die Publikation zur Ausstellung Mitten im Zentrum des Wiener Wurstelpraters am Standort einer ehemaligen Spielhalle entsteht 2024 das neue Pratermuseum einer der ersten öffentlichen Holzbauten Wiens Der Wiener Prater als
