Soviet Briefing Ben Eklof, 1989-01-01

Soviet Historians and Perestroika: The First Phase Donald J.

Raleigh, 2016-07-22 The Soviet historical profession is in ferment For decades it was relegated to the task of obfuscating the past gilding the status quo and papering over the blank spots in Soviet history events that defied even the most brazen attempts at falsification Today it is engaged in an often painful process of self examination Initially rather timid the internal discussion was soon propelled by external events the scuttling of history textbooks official disclosures of formerly classified facts and the explosion of candour in the depictions of the past in memoirs journalistic writing and fiction This volume gives voice to the lead actors in the first phase of this process the senior historians their journalistic challengers and those charged with responsibility for the institutions of research training and publication in the field of history

Soviet Constitutional Crisis Robert Sharlet, 2016-06-16 Moving from the adoption of the post Stalin Constitution of 1977 through its subsequent implementation under Brezhnev Andropov and Chernenko to the radical legal restructuring of the Gorbachev years Robert Sharlet traces the gradual evolution of a nascent constitutionalism in the erstwhile USSR Sharlet a noted authority on Soviet law and constitutional development demonstrates the gradual transformation of law from an instrument of Communist Party rule into the new rules of the game for nonauthoritarian political development In effect he argues one of Gorbachev's most durable achievements may be his redefinition of Soviet politics into a legal idiom along with his relocation of policymaking from behind the closed doors of Party conclaves into the more open emergent arena of constitutional government In analyzing the politics of law from the Brezhnev era to the rise of Yeltsin the author takes account of the war of laws the symbolic uses of the Soviet constitution and even the fact that the leaders of the failed coup attempted to justify their seizure of power on constitutional grounds Constitutionalism has sufficiently suffused Soviet public life the book concludes that most of the sovereign republics as successors to the former USSR have begun designing their futures to varying degrees in constitutional forms

Encyclopaedia of Soviet Life Ilya Zemtsov, 2017-09-08 A by product of the amazing changes now taking place within the Soviet Union is a change in rhetoric no less than reality Under Gorbachev the Russian language has been changing parallel with novoe politichaskoe myshenie new political thinking with the effect that such new expressions as have flooded the Russian language clash with the less yielding realities of Soviet economy and society The purpose of this volume is to clarify this dynamic in Soviet life in which stagnation and decay confront hopes and expectations for liberalization Zemtsov argues that the Soviet political language is self contradictory fractured into polarities of good and evil and thus depriving the Russian language of its basic subtlety coherence and inner logic This work brings to life the Orwellian world of double speak in a post totalitarian environment The Soviet language has two basic components fictions which Communist ideology proclaims as reality and realities that are portrayed in the guise of fictions In this sense Zemtsov undertakes to do for the Soviet language what the great H L Mencken achieved for the American language show the reality

of Soviet life by making plain the fictive qualities of Soviet ideology This is a basic library reference work a volume of indispensable utility for political scientists area experts and policy analysts It offers a taxonomy enriched by a deep personal knowledge of the Russian language by its author Encyclopedia of Soviet Life is at one and the same time a basic primer of Soviet contemporary politics a deep portrait of the psychology of totalitarian manipulation and a sensitive appreciation of the nobler aspirations of the Russian people that is part and parcel of their great language

The Impact of Perestroika on Soviet Law Albert J. Schmidt, 2023-08-28

Media Cultures of the Russian 1990s Maya Vinokour, 2025-10-14 Examining Russian language media from the long 1990s the period beginning with Mikhail Gorbachev's policy of glasnost openness and ending with the election of President Vladimir Putin Media Cultures of the Russian 1990s shows how post Soviet civil society emerged simultaneously with the explosion of new media especially a newly liberated television and internet A brief and contested period of media independence ensued as explosive creativity collided with rank commercialism journalistic integrity with burgeoning political ambitions and fringe with mainstream By the late 1990s however the media landscape had succumbed to economic and political exploitation The causes and nature of this shift which set the stage for Putin's crackdown on independent media after 2000 as well as Russia's slide into aggressive authoritarianism are embedded in the era's media artifacts Written by an interdisciplinary group of experts this edited collection addresses the mutual influence among disparate spheres of public life that enabled the media Wild West of the first post Soviet decade As a joint platform the volume and the associated Multimedia Sourcebook of the Russian 1990s present the decade's media cultures in a manner that reflects their historical interconnectedness and relationship to the global present Edited by Maya Vinokour with contributions from Bradley Gorski Courtney Doucette Fabrizio Fenghi Rita Safariants Daniil Leiderman Thomas Keenan and Pavel Khazanov

Gorbachev and His Reforms, 1985-1990 Richard Sakwa, 1991 This study looks at the scope and significance of the reforms in the Soviet Union under the leadership of Mikhail Gorbachev since his election as General Secretary of the Communist Party in March 1985 Based on a range of readings from Soviet and Western sources the book deals with a number of aspects of reform in the USSR under Gorbachev's leadership spanning question of leadership politics and ideological changes the perestroika of the economy and the new thinking in foreign policy

Russia's Great Reforms, 1855-1881 Ben Eklof, John Bushnell, Larissa Zakharova, 1994-06-22 The Great Reforms undertaken during the reign of Alexander II represented a unique attempt by the tsarist government to restructure virtually every aspect of Russian life beginning with the emancipation of the serfs and continuing through reforms of local government the judiciary the military education the financial system censorship and other domains This volume the work of an international group of scholars that includes historians from Russia maps out the major landmarks in the conceptualization and implementation of the Great Reforms during the reign of Alexander II and proposes a variety of perspectives from which to view them From publisher's description

From Vladimir Lenin to Vladimir Putin Vladimir N. Brovkin, 2023-10-13 This book integrates Soviet and

post Soviet Russian history into a coherent whole by focusing on the culture role models habits and behavior patterns that provide continuity between various political regimes systems and rulers from Vladimir Lenin to Vladimir Putin The unifying theme of all these periods is the central question of identity how the Russians have defined themselves their country and their values Why did the Bolsheviks try to erase any trace of Old Russia and with what did they try to replace it Why did Stalin wipe out the kulaks and the old Bolsheviks What were the political consequences of the Great Patriotic War on the Russians as people When post Stalin Russia slowly weakened and gave way to the humanism and Westernization that led to the collapse of the Soviet system why did the 1990s generate a resurgence of anti western nationalism And how to explain the slow and steady break with the West under President Putin This will be a core textbook for undergraduate and graduate students of Russian and European history and a valuable text for all those interested in how the Russian past influenced and shaped current politics and in the international East West divide in particular For YouTube discussions of the book see https://www.youtube.com/watch?v=lvG1G1cax_k https://www.youtube.com/watch?v=0W3V6nb3h18_t3s *The Zero Hour* Andrew Horton, Michael Brashinsky, 2021-03-09 Now faced with the zero hour created by a new freedom of expression and the dramatic breakup of the Soviet Union Soviet cinema has recently become one of the most interesting in the world aesthetically as well as politically How have Soviet filmmakers responded to the challenges of glasnost To answer this question the American film scholar Andrew Horton and the Soviet critic Michael Brashinsky offer the first book length study of the rapid changes in Soviet cinema that have been taking place since 1985 What emerges from their collaborative dialogue is not only a valuable work of film criticism but also a fascinating study of contemporary Soviet culture in general Horton and Brashinsky examine a wide variety of films from BOMZH initials standing for homeless drifter through Taxi Blues and the glasnost blockbuster Little Vera to the Latvian documentary Is It Easy to Be Young and the new wave productions of the Wild Kazakh boys The authors argue that the medium that once served the Party became a major catalyst for the deconstruction of socialism especially through documentary filmmaking Special attention is paid to how filmmakers from 1985 through 1990 represent the newly discovered past of the pre glasnost era and how they depict troubled youth and conflicts over the role of women in society The book also emphasizes the evolving uses of comedy and satire and the incorporation of genre film techniques into a new popular cinema An intriguing discussion of films of Georgia Estonia Latvia Lithuania and Kazakhstan ends the work **Twentieth Century Russia** Donald Treadgold, 2018-05-04 Donald Treadgold was one of the most distinguished Russian historians of his generation His Twentieth Century Russia a standard text in colleges and universities for several decades has been regularly revised and expanded to reflect new events and scholarship The present revision by Professor Herbert Ellison contains a major chapter on the Yeltsin era and brings the Russian story to the final year of the century Twice in the twentieth century the collapse of the Russian state and empire has been followed by an effort to build a democracy on the Western model The first effort succumbed within a few months to Lenin's communist revolution whose

ideas and institutions dominated the history of Russia and eventually much of the world during the succeeding seventy four years In August 1991 an attempt by Soviet leaders to suppress democratic and nationalist movements unleashed by the Gorbachev reforms and already victorious in Eastern Europe precipitated instead an anti communist revolution under the leadership of Boris Yeltsin The revolution and the sweeping transformation that followed are treated in the new edition which assesses the aims and scope of the first decade of Russia s second revolution The transformation included a new constitutional structure two fully democratic parliamentary elections and a presidential election with another of each soon to come a vigorous revival of political parties and political debate and major questions about Russia s political future Against the broad background of the Russian experience over a turbulent century it raises the major questions What are the prospects for Russian democracy Why are the communists following an anti communist revolution the most powerful parliamentary party in Russia s new parliament and what is their impact Why has the conversion to a market economy proved so difficult and painful and what are its prospects How has Russia related to the new states that were once fellow republics of the USSR Why has the foreign policy of the new Russian democracy moved from a vision of partnership with the US to a reality of conflict and confrontation Twentieth Century Russia poses these questions and many more for the student and the general reader alike against the fascinating background of Russia s experience before during and since the era of communist rule exploring the roots of current developments in the communist and pre communist past The End of the Communist Revolution Robert V. Daniels,2002-11-01 Daniels strives to put perestroika in its long term historical perspective by placing it in a broad theory of revolutionary process within the context of Leninism Stalinism and Brezhnevism

Western Perceptions Of Soviet Goals Klaus Gottstein,2020-01-23 This study investigates Western views on the potential future developments in the U S S R It traces the facts figures fears and ideological prejudices that have contributed to the mutual mistrust between the East and the West over long range political goals and recommends ways of reducing it

Post-communist Studies And Political Science Jr. Fleron,Erik P Hoffmann,2019-08-15 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world s territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism *A History of the Western Educational Experience* Gerald L. Gutek,1994-12-14 This comprehensive volume examines the impact on education of such momentous world events as the

ascendancy of neo Conservatism the collapse of the Soviet system the end of the Cold War the reunification of Germany and the resurgence of ethnonationalism It creates an historical perspective by identifying and analyzing the significant formative ideas and institutions that have shaped the Western educational heritage Subversive Imaginations Nadya Peterson,2019-06-26 In response to the profound changes in Soviet society in recent years the author considers the demise of Soviet literature and the emergence of its Russian progeny through the prism of the writers engagement with fantasy Viewing the mutual interaction of Soviet Russian literary output with aspects of the dominant culture such as ideology and politics Nadya Peterson traces the process of mainstream literary change in the context of broader social change She explores the subversive character of the fantastic orientation its Utopian and apocalyptic motifs and its dialogical relationship with socialist realism as it steadily gathered force in the latter Soviet decades The shattering of the mythic colossus did not put an end to these opposing forces but rather diverted them in various unexpected directions as the author explains in her concluding chapters on the new alternative literatures **Democracy In The Russian School** Ben Eklof,2019-08-22 Framed by an introductory essay by Ben Eklof the translated documents in this volume are crucial to understanding Russian educational reform efforts These primary sources based on previously unpublished statistical data and public opinion surveys depict current conditions in Russia s schools Reflecting the approach of the leading historian of education Edward Dneprov now the powerful minister of education serving under Boris Yeltsin the documents describe the radical reform philosophy and program first published in Teachers Gazette in 1988 which now serve as the operative legislation for all secondary schools The VNIK Temporary Scientific Research Collective on the Schools reform movement is a fascinating microcosm of perestroika in terms of goals mobilization and the complicated painful process of implementation This unique glimpse into Russian education in a period of turmoil will interest all those who follow Russian politics and society **Russian Culture At The Crossroads** Dmitri N Shalin,2018-02-12 The reexamination of values that began during the USSRs last years continues today in the search for a new Russian culture one rooted in the pre Soviet past but dynamic and evolving Multi textual polyphonic and contradictory the current Russian cultural discourse is richly reflected in these essays by a diverse group of authors from Russian and American academic and cultural circles The chapters explore specific cultural domains surveying Russian and Soviet beliefs and behaviors and highlighting the range of choices that Russians are facing at this critical juncture During the waning years of Soviet power glasnost laid bare the distress of people trapped in a system they despised but felt powerless to change The reexamination of values that began then continues today in the search for a new Russian culture one rooted in the pre Soviet past but dynamic and evolving enabling Russians to meet the challenges they face in the contemporary world Multi textual polyphonic and contradictory the current Russian cultural discourse is richly reflected in these essays by a diverse group of authors from Russian and American academic and cultural circles Each chapter focuses on a particular cultural domain surveying the historical origins of Russian beliefs and behaviors

exploring their Soviet and post Soviet permutations and highlighting the range of choices that Russians are facing at this critical juncture The decisions they make will shape their society and culture for generations to come Illuminating the universal significance of the Soviet experience this volume raises provocative questions about the social political and economic sources of cultural change **The Impact of Gorbachev's Reform Movement on the Soviet Military** United States. Congress. House. Committee on Armed Services. Defense Policy Panel,1989 **Mutual Perceptions Of Long-range Goals** Klaus Gottstein,2019-03-04 This book investigates perceptions including strategic normative and imagined perceptions of long range political goals both in the East and in the West discussing the arguments which are used to support each of these perceptions

As recognized, adventure as skillfully as experience approximately lesson, amusement, as competently as promise can be gotten by just checking out a books **Soviet Briefing Gorbachev And The Reform Period** along with it is not directly done, you could put up with even more concerning this life, approximately the world.

We have the funds for you this proper as skillfully as easy mannerism to acquire those all. We give Soviet Briefing Gorbachev And The Reform Period and numerous books collections from fictions to scientific research in any way. in the middle of them is this Soviet Briefing Gorbachev And The Reform Period that can be your partner.

Soviet Briefing Gorbachev And The Reform Period Introduction

In today's digital age, the availability of Soviet Briefing Gorbachev And The Reform Period books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Briefing Gorbachev And The Reform Period books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Briefing Gorbachev And The Reform Period books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Briefing Gorbachev And The Reform Period versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soviet Briefing Gorbachev And The Reform Period books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Briefing Gorbachev And The Reform Period books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Briefing Gorbachev And The Reform Period books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It

also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Briefing Gorbachev And The Reform Period books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Briefing Gorbachev And The Reform Period books and manuals for download and embark on your journey of knowledge?

FAQs About Soviet Briefing Gorbachev And The Reform Period Books

1. Where can I buy Soviet Briefing Gorbachev And The Reform Period books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
