# Soviet Dictatorship

**Theodore E. Kyriak**

## **Soviet Dictatorship:**

**The Soviet Dictatorship**, 1960      [The Rise and Fall of the Soviet Union](#) Richard Sakwa, 2005-08-17 Discusses the history of the Soviet Union from the revolution of 1917 through the Lenin and Stalin eras and the rule of such leaders as Khrushchev Brezhnev and Gorbachev up to the formal dissolution of the Soviet Union in 1991      [Psychiatric Abuse of Political Prisoners in the Soviet Union](#) United States. Congress. House. Committee on International Relations. Subcommittee on International Organizations, 1976      [The Rise and Fall of the Soviet Union](#) Martin Mccauley, 2014-01-14 An expert in probing mafia type relationships in present day Russia Martin McCauley here offers a vigorously written scrutiny of Soviet politics and society since the days of Lenin and Stalin John Keep Professor Emeritus University of Toronto The birth of the Soviet Union surprised many its demise amazed the whole world How did imperial Russia give way to the Soviet Union in 1917 and why did the USSR collapse so quickly in 1991 Marxism promised paradise on earth but the Communist Party never had true power instead allowing Lenin and Stalin to become dictators who ruled in its name The failure of the planned economy to live up to expectations led to a boom in the unplanned economy in particular the black market In turn this led to the growth of organised crime and corruption within the government The Rise and Fall of the Soviet Union examines the strengths weaknesses and contradictions of the first Marxist state and reassesses the role of power authority and legitimacy in Soviet politics Including first person accounts anecdotes illustrations and diagrams to illustrate key concepts McCauley provides a seminal history of twentieth century Russia      **Terror and Progress USSR** Barrington Moore, 1954 No detailed description available for Terror and Progress USSR      [Soviet Union](#) Theodore E. Kyriak, 1963      **The Soviet Union** United States. Congress. House. Committee on International Relations. Subcommittee on Europe and the Middle East, 1978

**National Communism in the Soviet Union, 1918-28** Baruch Gurevitz, 2010-11-23 The Jewish Communist Workers Party the Poale Zion provides a unique perspective on the question of how Marxism and the early Soviet Union dealt with issues of nationalism According to Bolshevik ideology when anti Semitism disappeared in the new Socialist society Jews would assimilate In reality such assimilation would be a very long slow process The Poale Zion supported the socialist struggle against oppression and exploitation of classes and nations but it called for the formation of an international organization that would recognize the right of Jews to emigrate freely to Palestine and work for the creation of a democratic republic where people could retain their national identities and have both autonomy and representation in the union Gurevitz analyzes the Soviet Poale Zion as representative of Jewish communism as nationalism in its purest form and he traces the complex contradictions between Jewish nationalism and the Communist ideal of assimilation in the early years of the Soviet Union      **Soviet Rule in Russia** Walter Russell Batsell, Bureau of International Research of Harvard University and Radcliffe College, 1929      **Women in the Soviet Union**, 1929      *The Stalinist Dictatorship* Christopher Edward Ward, 2018-10-24 From the late 1920s onwards forced collectivisation state directed industrialisation mass purging and the

party's control of culture refashioned Russia and gave birth to a new type of society. The second revolution and its aftermath remodelled the Soviet State and the Bolshevik party restructured all institutions and reconstituted all social relationships. Millions found their lives changed forever. Nothing was untouched and no one was unaffected. Presiding over these momentous changes was Joseph Stalin, one of the twentieth century's most disturbing figures. The Stalinist Dictatorship looks at the regime from three different perspectives. Section one focuses on interpretations of Stalin's character and attempts to explain the everlasting puzzle of the relationship between events and personality. Section two looks at Stalin's role within the Soviet Union and sees him as only one part, albeit an important one, of a complex culture of politics and administration. The final section examines the ways in which the Soviet people handled socialism and how Stalinism functioned on the ground. The vicissitudes in Stalin's reputation reflect the vicissitudes of the history of the twentieth century itself. Stalin became a symbol of a new system, a socialist alternative to the capitalist path. **The Soviet Union, 1933-1939** United States.

Department of State, 1952 **The Communist Party of the Soviet Union** Vyacheslav Mikhaylovich Molotov, 1929 The Soviet Union, the League of Nations and Disarmament: 1917-1935... [by] Wilbur Lee Mahaney, Jr. Wilbur Lee Mahaney, 1940

*Antireligious Activities in the Soviet Union and in Eastern Europe* United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe, 1965 Investigates activities of the Soviet Union and its allies regarding religious freedom especially relating to alleged Jewish persecution The Soviet Union in the Third World Robert H. Donaldson, 2022-12-28 The Soviet Union in the Third World 1981 analyses Soviet objectives in the developing world, the instruments of foreign policy employed and their success and failure, the implications of Soviet foreign policy for the international system in general and the US foreign and defence policies in particular. Twenty leading specialists examine Soviet involvement in Latin America, Africa, the Middle East and Asia and discuss the subject from both security and economic perspectives Substate Dictatorship Yoram Gorlizki, Oleg Khlevniuk, 2020-08-05 An essential exploration of how authoritarian regimes operate at the local level. How do local leaders govern in a large dictatorship? What resources do they draw on? Yoram Gorlizki and Oleg Khlevniuk examine these questions by looking at one of the most important authoritarian regimes of the twentieth century. Starting in the early years after the Second World War and taking the story through to the 1970s, they chart the strategies of Soviet regional leaders, paying particular attention to the forging and evolution of local trust networks. **The Soviet Union** Soviet Union Information Bureau, 1929 **Russia and the Soviet Union** Thomas R. Cantwell, Jan Brady, 2008 The latest addition to the McGraw Hill Modern History list addresses the HSC National Study: Russia and the Soviet Union 1917-1941. Written by the highly respected authors Thomas Cantwell and Jan Brady, *Russia and the Soviet Union: Autocracy to Dictatorship* examines the events, ideology and personalities of Russia and the Soviet Union during this intense period of social and political upheaval. The major issues and events are examined from all perspectives to provide students with the opportunity to analyse, interpret and develop their understanding of the topic. **A Normal Totalitarian Society** Vladimir

Shlapentokh, 2001 This study analyzes the ordinary functioning of the Soviet system from Stalin's death through the Soviet collapse and Russia's first post-Soviet decade Without overlooking the USSR's repressive character the author treats it as a normal system that employed socialist and nationalist ideologies
