*The Soviet Crucible* Samuel Hendel, 1963      **The Soviet Crucible** Samuel Hendel, 1959      The Soviet Crucible; the Soviet System in Theory and Practice. 3d Ed Samuel HENDEL, 1967      *The Soviet Crucible 1917-1967* Samuel Hendel, 1967  
*The Soviet Crucible. The Soviet System in Theory and Practice. Ed. with Introductory Notes by S. Hendel. [With Contributions of W.H. Chamberlin, G. Vernadsky (G. Vernadskij), K. Marx A.o.]* S. Hendel, William Henry Chamberlin, Georgij Vladimirovič Vernadskij, Karl Marx, 1967      **The Soviet Crucible** Samuel Hendel, 1960      **USSR: Strategic Survey** United States. Department of the Army, 1969      *Rediscovering Fire* Guinevere Liberty Nell, 2010 In this book Guinevere Liberty Nell visits this historical laboratory of social science to study the lessons in basic economics that it teaches Nell observes that the founders of the Soviet experiment Lenin and other Bolshevik leaders wrote volumes of articles and books on Marxist theory and then proceeded to enact the very policies that they promised Therefore the Soviet experiment provides an ideal lens through which to view the consequences of various interpretations of economic theories and Marxist theories However despite the wealth of information available on the Soviet experiment few writers have closely analyzed this historical process and what lessons it might offer for market economies In this book Nell carefully considers Soviet theory and practice and draws out the lessons that Soviet planners learned Each chapter considers one theory the experience in the Soviet Union of policies based on this theory and the reforms that planners implemented as the system evolved as well as in response to changes in the local and international conditions and the lessons for market economies that this experience offers Nell's lessons capture the dynamic nature of the economy and illustrate insights from the debate between socialists and Austrian economists They should be useful and informative not only for readers interested in basic economics but also for economists interested in heterodox approaches to economic modeling and theory as well as for the citizen interested in rethinking the assumptions underlying mainstream policy debates      Constitution-making in the Region of Former Soviet Dominance Rett R. Ludwikowski, 1996 Contains texts of constitutions of various countries which were once part of the U S S R      *East Germany in Comparative Perspective* Thomas A. Baylis, Dr David Childs, Erwin L. Collier, Marilyn Rueschemeyer, 2002-09-11 As a new decade begins the popular demand for change has meant that the social and political fabric of the the Eastern Bloc countries has been irrevocably altered This book offers a comprehensive analysis of the key political economic and social areas of East German society such as the military and the church areas which will intrinsically involved with the movement for change      Contemporary Foreign Governments and Comparative Political Systems United States Air Force Academy. **A Slow Reckoning** Vassily Klimentov, 2024-02-15 A Slow Reckoning examines the Soviet Union's and the Afghan communists' views of and policies toward Islam and Islamism during the Soviet Afghan War 1979-1989. As Vassily Klimentov demonstrates, the Soviet and communist Afghan disregard for Islam was telling of the overall communist approach to reforming Afghanistan and helps explain the failure of their modernization project. A Slow Reckoning reveals how during most of the conflict Babrak Karmal, the ruler installed by the Soviets, instrumentalized Islam in support of his rule while retaining a Marxist-Leninist platform. Similarly, the Soviets at all levels failed to give Islam its due importance as communist ideology and military considerations dominated their decision making. This approach to Islam only changed after Mikhail Gorbachev replaced Karmal by Mohammad Najibullah and prepared to withdraw Soviet forces. Discarding Marxism-Leninism for Islam proved the correct approach, but it came too late to salvage the Soviet nation-building project. A Slow Reckoning also shows how Soviet leaders only started seriously paying attention to an Islamist threat from Afghanistan to Central Asia after 1986. While the Soviets had concerns related to Islamism in 1979, only the KGB believed the threat to be potent. The Soviet elites never fully conceptualized Islamism, continuing to see it as an ideology the United States, Iran, or Pakistan could instrumentalize at will. They believed the Islamists had little agency and that their retrograde ideology could not find massive appeal among progressive Soviet Muslims. In this, they were only partly right.
