Talking With God The Many Faces Of Religious Delusion:

Talking With God Robert Alfred Clark, 1994-01-01 *The Many Faces of Faith* Michael Taylor, 2009-12-02 Faith is one of the most critical aspects of the Christian life because it is the means by which we receive all that God has secured for us yet the nature of faith is one of the most misunderstood concepts of Christianity Some conceptualize faith as some mental state that one must reach before they are able to tap into God's resources Others view faith as some sort of incorporeal substance that is out there for which we must reach All of these concepts of faith are deficient if not heretical and yet all of them are found in the church Others view faith as a mere fantasy or hope with no basis in reality and thus religious claims are excluded from the arena of knowledge For a number of years my heart has been troubled over the doctrine of faith as it is received and taught among evangelical Christians everywhere Great emphasis is laid upon faith in orthodox circles and that is good but still I am troubled Specifically my fear is that the modern conception of faith is not the biblical one that when the teachers of our day use the word they do not mean what Bible meant when they used it I also share the same concerns with A W Tozer when he said the cause of my uneasiness are these 1 The lack of spiritual fruits in the lives of so many who claim to have faith 2 The rarity of a radical change in the conduct and general outlook of persons professing their new faith in Christ as their personal Savior 3 The failure of our teachers to define or even describe the thing to which the word faith is supposed to refer 4 The heartbreaking failure of multitudes of seekers is they are even so earnest to make anything out of the doctrine or to receive any satisfying experience through it 5 The real danger that a doctrine that is parroted so widely and received so uncritically by so many is false as understood by them 6 I have seen faith put forward as an escape from reality a refuge from the necessity of hard thinking a hiding place for weak character natural optimism emotional thrills and nervous tics Therefore in the pages of this book I will endeavor to outline for your benefit the dynamics of faith What is faith How does faith work How to grow in faith The power of faith the Excellency of faith the demand of faith the perseverance of faith the challenges of faith the object of faith the effect of faith the response of faith the discipline of faith the necessity of faith and many more are discussed *Talking Seriously About God* Asle Eikrem, Atle O. Søvik, 2016 Talk about God is often the source of controversy Theists and atheists are equally passionate when making their stand for or against belief in God In this book a wide range of philosophers of religion have come together to discuss how serious talk about God ought to be conducted for theists and atheists alike in what should be their common pursuit for truth The essays both address methodological questions and provide a range of concrete samples of serious God talk spanning from political religion and classical proofs of God's existence to the problem of evil Series Nordic Studies in Theology Nordische Studien zur Atheism Vol 4 Subject Religious Studies **Conversation with God** David C. Wilson, 2020-08-07 David Wilson didn't know where to turn when his wife Chris was in the depths of clinical depression brought on by chronic fatigue syndrome and anorexia In despair he entered an empty church and said a simple prayer I have no power to affect anything in my life but you have the power If you help me I

will serve you From then on their lives began to change A prayer group contacted them and through the power of prayer Chris s condition began to improve At the same time she found herself developing remarkable gifts of prophecy The author embarked on a theology course enabling him to look at what had happened to him and to Chris with a new perspective Is there he wondered a link between depression and spiritual awareness The author looks at the lives of Elijah and other Old Testament prophets and notes how signs of depression coincided with spiritual insights This fascinating and thought provoking book is the story of a couple s spiritual journey as well as a profound meditation on the connection between depression and prophecy

God Talk L. Rodney Sheffer, 2010-04-09 *C.S. Lewis--On the Christ of a Religious Economy*, 3.2 P. H. Brazier, 2014-01-16 C S Lewis On the Christ of a Religious Economy II Knowing Salvation opens with a discussion of the Anscombe Lewis debate the theological issues relating to revelation and reason Christ the Logos This leads into Lewis on the Church the body of Christ and his understanding of religion how is salvation enacted through the churches how do we know we are saved This concludes with for Lewis the question of sufferance and atonement substitution and election deliverance and redemption heaven hell resurrection and eternity Christ s work of salvation on the cross What did Lewis say of humanity in relation to God now Immanuel God with us incarnate crucified resurrected and ascended for humanity What of Lewis s own death and that of his wife What does this tell us about the triune God of Love who is Love This volume forms the second part of the third book in a series of studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work
