Deborah Barndt, 2007-12-06 Where does our food come from Whose hands have planted cultivated picked packed processed transported scanned sold sliced and cooked it What production practices have transformed it from seed to fruit from fresh to processed form Who decides what is grown and how What are the effects of those decisions on our health and the health of the planet *Tangled Routes* tackles these fascinating questions and demystifies globalization by tracing the long journey of a corporate tomato from a Mexican field to a Canadian fast food restaurant Through an interdisciplinary lens Deborah Barndt examines the dynamic relationships between production and consumption work and technology biodiversity and cultural diversity and health and environment A globalization from above perspective is reflected in the corporate agendas of a Mexican agribusiness the U S based McDonald s chain and Canadian based Loblaw's supermarkets The women workers on the front line of these businesses offer a humanized globalization from below perspective while yet another globalization is revealed through examples of resistance and local alternatives This revised and updated edition highlights developments since the turn of the millennium in particular the deepening economic integration of the NAFTA countries as well as the growing questioning of NAFTA's consequences and the crafting of alternatives built on foundations of sustainability and justice **The Globalisation of Nursing** Verena Tschudin, Anne Davis, 2023-03-31 Globalisation affects health health care and nursing and has the potential to change the very nature of what we now take for granted in health care and how we obtain it Nursing as a profession faces multiple challenges many of them because of globalization Nurses have always seen their profession as a passport to the world In the past the mov

The SAGE Handbook of Social Anthropology Richard Fardon, Oliva Harris, Trevor H J Marchand, Cris Shore, Veronica Strang, Richard Wilson, Mark Nuttall, 2012-07-25 In two volumes the SAGE Handbook of Social Anthropology provides the definitive overview of contemporary research in the

discipline It explains the what where and how of current and anticipated work in Social Anthropology With 80 authors contributing more than 60 chapters this is the most comprehensive and up to date statement of research in Social Anthropology available and the essential point of departure for future projects The Handbook is divided into four sections Part I Interfaces examines Social Anthropology s disciplinary connections from Art and Literature to Politics and Economics from Linguistics to Biomedicine from History to Media Studies Part II Places examines place region culture and history from regional area studies to a globalized world Part III Methods examines issues of method from archives to war zones from development projects to art objects and from ethics to comparison Part IV Futures anticipates anthropologies to come in the Brain Sciences in post Development in the Body and Health and in new Technologies and Materialities Edited by the leading figures in social anthropology the Handbook includes a substantive introduction by Richard Fardon a think piece by Jean and John Comaroff and a concluding last word on futures by Marilyn Strathern The authors each at the leading edge of the discipline contribute in depth chapters on both the foundational ideas and the latest research Comprehensive and detailed this magisterial Handbook overviews the last 25 years of the social anthropological imagination It will speak to scholars in Social Anthropology and its many related disciplines

Fast Food/Slow Food Richard Wilk,2006-08-25 Wilk and his colleagues draw upon their own international field experience to examine how food systems are changing around the globe The authors offer a cultural perspective that is missing in other economic and developmental studies and provide rich ethnographic data on markets industrial production and food economies This new book will appeal to professionals in economic and environmental anthropology economic development agricultural economics consumer behavior nutritional sciences environmental sustainability and globalization studies

Undocumented Immigrants in the United States Anna Ochoa O'Leary,2014-02-25 This two volume reference work addresses the dynamic lives of undocumented immigrants in the United States and establishes these individuals experiences as a key part of our nation s demographic and sociological evolution This two volume work supplies accessible and comprehensive coverage of this complex subject by consolidating the insights of hundreds of scholars who have studied the issues of undocumented immigration in the United States for years It provides a historical perspective that underscores the exponential growth of the undocumented population in the last three decades and presents a more nuanced more detailed and therefore more accurate portrait of undocumented immigrants than is available in general media Also included are recommended resources that will serve researchers seeking more information on topics regarding undocumented immigrants

Achieving Sustainable Communities in a Global Economy Ralph D. Christy,2004 This important book explores alternative strategies in agriculturaland rural development to address the impacts of globalizationprocesses on smallholder agriculturalists and marginalized ruralpeople Its goal is twofold 1 to identify and assess the keyprocesses by which globalization is affecting the smallholderagricultural and rural sectors and 2 to identify and propose bothmicro and macro level policies and other strategies to deal with theproblems that arise

Critical

Transnational Feminist Praxis Amanda Lock Swarr, Richa Nagar, 2012-02-01 Provocative timely and global this volume offers a critical and grounded engagement with transnational feminism through the lens of praxis the juncture of theory and practice In so doing it grapples with questions of power and representation while remaining deeply committed to radical critiques and agendas of transnational and postcolonial feminisms Long time activists and well known scholars speak to a wide range of issues and practices including women s studies curricula NGOs transnational and LGBTQ studies feminist methodologies and film These essays similarly conceptualize ways to more effectively theorize feminist collaborative practices while subverting such rigid established dichotomies as theory practice academic activist individual collaborative and the global North South A number of transnational projects are highlighted the Guyanese Red Thread collective the Ananya Dance Theater the Philippine Women Center of British Columbia the Filipino Canadian Youth Alliance the VIVA Project and the Indian organization Sangtin Comprehensive in scope and rigorous in critical scrutiny these powerful essays set the twenty first century agenda for political engagement through feminist scholarship The mix of styles makes for a lively read that is accessible for its extraordinary candor its combination of theory with firmly grounded empirical examples and an unflinching confrontation of pain and conflict It made me think about entirely new things and about familiar things in new ways and to make connections among them Louise Fortmann University of California Berkeley Amanda Lock Swarr is Assistant Professor of Women Studies at the University of Washington Seattle Richa Nagar is Professor of Gender Women and Sexuality Studies at the University of Minnesota Twin Cities She is the author with Sangtin writers of *Playing with Fire Feminist Thought and Activism through Seven Lives in India* *Consuming Mexican Labor* Ronald Mize, Alicia Swords, 2010-10-15 Mexican migration to the United States and Canada is a highly contentious issue in the eyes of many North Americans and every generation seems to construct the northward flow of labor as a brand new social problem The history of Mexican labor migration to the United States from the Bracero Program 1942 1964 to the North American Free Trade Agreement NAFTA suggests that Mexicans have been actively encouraged to migrate northward when labor markets are in short supply only to be turned back during economic downturns In this timely book Mize and Swords dissect the social relations that define how corporations consumers and states involve Mexican immigrant laborers in the politics of production and consumption The result is a comprehensive and contemporary look at the increasingly important role that Mexican immigrants play in the North American economy
