Kingdom Collisions David L. Smith,2024-07-23 Kingdom Collisions Heaven and Earth Collide unveils the mysteries behind the current age and the coming age of Christ s return This book reveals the visions which Jesus Christ opened to the author regarding the end times the coming of the Lord the fullness of time the abomination of desolation the day of wrath and the Day of the Lord Read the supernatural visions unveiling the man with the eyes of fire and the white horse visions of heaven s army The kingdom of heaven is invading the physical realm of all creation preparing the way for the revelation of Jesus Christ as King

of kings and Lord of lords The author gives the reader revelatory insight into the supernatural events of today as kingdom glory collides with the demonic kingdoms of the world The greatest battle between good and evil has begun Ancient Secret of Personal Power Hilton Hotema,1996-09 1960 Good Health is the very Foundation of Success and we have heard that Good Health is man s birth right That is another grievous error Good Health is the Reward received by him who earns it Contents Kingdom Within Perfection is Within Secr A Guide to Truth for the Jehovah's Witness Ron Abud,2025-10-09 Over the years from time to time Jehovah s Witnesses have stopped by the house Once two Witnesses came by during a busy Christmas season Being preoccupied I invited them to come back another time One of them did he came back twice Both times after I d invited him inside to chat something unrelated came up that required me with an apology to end his visit prematurely Following the second interruption I agreed to meet with him again after the holidays had passed His commitment was admirable it inspired me to do some research in expectation of his return He never did return but that research is the foundation of this book It is based on biblical texts supported at times by excerpts borrowed from historic Greek and Hebrew manuscripts The book demonstrates beyond a doubt that Jesus Christ is the Eternal Son of God In the New World Translation of the Holy Scriptures NWT the translations of these Greek and Hebrew excerpts are not correct They have been altered changed in ways which make it seem as if Jesus was created The author of the NWT the Watchtower Bible and Tract Society Watchtower Society justifies the alteration of these translations by alleging the early second century church changed their meanings and as altered they convey what was originally intended The book proves not only that this Watchtower Society allegation is without merit but shows how impossible what it alleges would have been for the early church to undertake and accomplish The NWT has been revised several times over the years Many of these revisions include changes the Watchtower Society made to its own doctrine It has done so all the while proclaiming itself to be Jehovah God s true prophet The irreconcilable problem here for the Watchtower Society is that God s truth does not change A true prophet of Jehovah knows this and would never change what that prophet previously declared had come from God If you will kindly pray for spiritual discernment and then read the book **Martin Luther on Reading the Bible as Christian Scripture** William M. Marsh,2017-07-17 Above all else that the sixteenth century German Reformer was known for Martin Luther was a Doctor of the Holy Scriptures One of the most characteristic features of Luther s approach to Scripture was his resolved christological interpretation of the Bible Many of the Reformer s interpreters have looked back upon Luther s Christ centered exposition of the Scriptures with sentimentality but have often labeled it as Christianization particularly in regards to Luther s approach of the Old Testament dismissing his relevance for today s faithful readers of God s Word This study revisits this assessment of Luther s christological interpretation of Scripture by way of critical analysis of the Reformer s prefaces to the Bible that he wrote for his translation of the Scriptures into the German vernacular This work contends that Luther foremost believes Jesus Christ to be the *sensus literalis* of Scripture on the basis of the Bible s messianic promise not enforcing a

dogmatic principle onto the scriptural text and its biblical authors that would be otherwise foreign to them This study asserts that Luther s exegesis of the Bible s letter i e his engagement with the biblical text is primarily responsible for his conviction that Christ is Holy Scripture s literal sense *Politically Incorrect Guide to Christianity* Michael P.
