The Healers Handbook A Journey Into Hyperspace:

The Healer's Handbook Stewart Swerdlow, 1999 Embraces colour healing dream analysis numeric values and symbols auric fields astral and hyperspace travel and radionics as well as offering exercises designed to unlock DNA sequences programmed within you since the beginning of your existence The ancient uniformly alluded to an arcane language sometimes described as Vril or Babylonian which was once common to all mankind connected to the mind of God and also served as an inter species and inter universal language Fully illustrated with exercises dream and hyperspace dictionaries and the most complete rendering of the hyperspace language available **Forthcoming Books** Rose Army, 2004 Plant Medicines, Healing and Psychedelic Science Beatriz Caiuby Labate, Clancy Cavnar, 2018-04-28 This is a book about the intersections of three dimensions The first is the way social scientists and historians treat the history of psychiatry and healing especially as it intersects with psychedelics The second encompasses a reflection on the substances themselves and their effects on bodies The third addresses traditional healing as it circles back to our understanding of drugs and psychiatry The chapters explore how these dimensions are distinct but deeply intertwined themes that offer important insights into contemporary healing practices The intended audience of the volume is large and diverse neuroscientists biologists medical doctors psychiatrists psychologists mental health professionals interested in the therapeutic application of psychedelic substances or who work with substance abuse depression anxiety and PTSD patients and practitioners of complementary and alternative medicine ethnobotanists and ethnopharmacologists lawyers criminologists and other specialists in international law working on matters related to drug policy and human rights as well as scholars of religious studies anthropologists sociologists and historians social scientists concerned both with the history of science medicine and technology and concepts of health illness and healing It has a potentially large international audience especially considering the increasing interest in psychedelic science and the growing spread of the use of traditional psychoactives in the West War of the Worldviews Deepak Chopra, M.D., Leonard Mlodinow, 2012-10-02 Two bestselling authors first met in a televised Caltech debate on the future of God one an articulate advocate for spirituality the other a prominent physicist This remarkable book is the product of that serendipitous encounter and the contentious but respectful clash of worldviews that grew along with their friendship In War of the Worldviews these two great thinkers battle over the cosmos evolution and life the human brain and God probing the fundamental questions that define the human experience How did the universe emerge What is the nature of time What is life Did Darwin go wrong What makes us human What is the connection between mind and brain Is God an illusion This extraordinary book will fascinate millions of readers of science and spirituality alike as well as anyone who has ever asked themselves What does it mean that I am alive **Healing Presence** JoEllen Goertz Koerner, 2011-03-23 Praise for the Previous Edition represents an act of passion for the profession The work's value comes from its integration of scientific creative and spiritual philosophies as a core context for the complex nurse patient interaction involved in the

promotion of a healing environment Recommended Choice At the center of professional nursing lies the authentic presence of the nurse the intention and commitment that brings us to the profession and unfolds as we develop as nurses In this new edition JoEllen Koerner explores the intersection of scientific creative and spiritual ways of knowing that inform and inspire this healing presence in caregiver and patient Revised updated and refocused the book integrates traditional nursing practice with cutting edge alternative and integrative medicine The author expands our awareness of Allopathic and alternative ways of healing as rooted in Native Healing practices The book also explores new models for transpersonal caring through the lens of philosophy spirituality and complexity science It is a profoundly important resource for nurse educators students and practitioners Key features Presents the Nursing Triad model nurse as scientist artist and healing presence Examines the bioenergetic body the five bodies that comprise our being and infuse our becoming Discusses the physiology and philosophy behind healing presence Analyzes the healing process between nurse and patient from embracing suffering to transcending polarities and enhancing capacity

Dreamgates Robert Moss, 2010-09-24 A world renowned authority on the history uses and power of dreaming Robert Moss guides neophyte and experienced adventurers alike to open their own dreamgates Through these gates await otherwise inaccessible realms of reality as well as soul remembering the recovering of knowledge that belonged to us before we came into this life experience Exercises meditations and the mesmerizing tales of fellow dream travelers outline Moss s Active Dreaming technique a kind of shamanic soul flight that offers frequent flyers a passport between worlds In this world beyond physical reality Moss points to wellsprings of healing creativity and insight As readers move into these different ways of seeing and knowing they may also communicate with spiritual guides and departed loved ones in ways that transform their everyday lives

The Illustrated Field Guide to DMT Entities David Jay Brown, Sara Phinn Huntley, 2025-02-25 Examines 25 of the most commonly encountered DMT entities from machine elves and fairies to insectoids Reptilians and divine beings such as Grandmother Ayahuasca Discusses each entity in depth including people s encounters with them from trip reports and scientific studies descriptions of how the entities appear and behave and communications or teachings they impart Features visionary art by Sara Phinn Huntley and other artists including Alex Grey Andrew Jones Luke Brown Juliana Garces Erial Ali and Harry Pack One of the features consistently noted by visitors to the hyperspace realm invoked by DMT is the existence of many different entities In this full color illustrated handbook for understanding the intelligent alien species of hyperspace psychedelic explorer David Jay Brown and visionary artist Sara Phinn Huntley explore 25 of the most commonly encountered DMT beings and ayahuasca spirits from self transforming machine elves ancestor spirits tricksters and metallic spheres to insectoid mantis beings reptilians gray aliens nature spirits and divine beings such as the Virgin Mary Gaia angels Grandmother Ayahuasca and deities from Hindu Egyptian and South American spiritual traditions Profiling the DMT entities in the style of a naturalistic field guide complete with evocative illustrations by Huntley and other artists such as Alex Grey Andrew Jones Luke Brown Juliana Garces Erial Ali and Harry

Pack the authors discuss the entities in depth including people's encounters with them descriptions of how they appear and summaries of the communications they impart They explore whether these beings are generated by our minds or if they exist independently of the DMT trip Providing a comprehensive exploration of this world this guide seeks to describe the alien residents of interdimensional space and help people who have encountered DMT beings integrate their experiences
