Lyford, 2013-05-31 In this book we look at the work and style of one particular tribe The Sioux The Sioux are a very large family who roamed in many directions and learned a variety of customs from their different neighbours Those who lived at the east like the Yankton and Sisseton did beadwork very much like that of the Woodland peoples even further east Those at the west the Oglala were like their western neighbours Crow Cheyenne and Arapaho This book applies in general to the last three tribes as well as the western Sioux Detailed instructions with lots of pictures and drawings accompanying them that are great for both beginners and the more experienced crafter Sioux Quill and Beadwork Carrie A. **Quill and Beadwork of the Western Sioux** Carrie Alberta Lyford, 1940 we have tried here to present designs known to be Sioux for use in Sioux schools The purpose of the book is a practical one Though we have striven for accuracy our aim has not been an exhaustive scientific study Rather it has been to bring together a representative collection of designs and to explain them so that practical workers both students and teachers may be able to recognize the bead and quillwork of the western Sioux and to make it for themselves The art has changed in the past and those who understand its style and uses may use their imaginations to develop it still more while keeping it Indian and Sioux Introduction page 9 **Sioux**
