Queen Mary We see glimpses of Prince Waldemar of Prussia who enjoyed collecting fossils on the Isle of Wight and terrifying his grandmother with a pet crocodile Prince Christian Victor of Schleswig Holstein who was the first prince to attend public school despite enjoying cricket much more than education and Prince Louis of Battenberg who introduced the Katuf into his family and recorded his voice on a wax cylinder Contrasts are drawn between childhood at the English court and that of the Queen's descendants at European capitals as well as the differing attitudes of royal parents For example Queen Victoria found babies to be very froglike whereas Queen Alexandra still gave children's parties to her children when they were adults

The Queen Elizabeth Longford,1984-11 **The Artist** ,1984 **Vision on** John Wyver,2007 Vision On narrates the turbulent yet distinguished history of one of the fundamental pillars of British broadcasting the arts This volume chronicles the years of dynamic and often controversial collaboration between broadcasters and the Arts Council a key player in bringing art films to the wider public audience Beginning with the earliest TV documentaries the arts became central to the remit of public broadcasters and by the 1980s Channel 4 and the Arts Council were boldly redefining the relationship of the arts and the media by commissioning and airing exclusive and innovative films With detailed discussion of the cultural role of television programmes such as *Civilisation* 1966 and *Arena* 1974 onwards close analysis of over 25 films and exclusive access to the Arts Council's collection of the 450 films supported between 1953 and 1999 this volume illuminates the vanguard role the arts have played in the proud history of British public broadcasting and attempts to locate the place of arts broadcasting in today's multi channel multi media world **International Television Almanac** ,1969 *Oxford Dictionary of National Biography: Wellesley-Wilkinson* Henry Colin Gray Matthew,Brian Harrison,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 **The Listener** ,1981-07
