Sisters Wonderful Sisters:

My Beautiful Sisters Khalida Popal, 2025-05-27 Argo meets The Bookseller of Kabul in this incredible memoir from the Afghan women's soccer pioneer turned activist and feminist icon who has helped save more than 350 female soccer players from the dangerous rule of the Taliban. Riveting, heart-wrenching, and incredibly important, an inspirational story for girls and women everywhere. MALALA YOUSAFZAI Nobel Peace Prize laureate. A story of survival, sisterhood, and the fight for feminism in the age of the Taliban. In August 2021, Kabul fell under the control of the Taliban, a militant political and fundamentalist religious faction. For Khalida Popal, it signaled the beginning of the most important battle of an already extraordinary young life: to get female soccer players out of a city where they faced an imminent threat of execution simply for playing sports. Khalida first began playing soccer in a refugee camp in Pakistan after her parents fled Taliban rule. Returning to Afghanistan, she fell deeper in love with the freedom and comradeship soccer provides. As co-founder and first captain of the Afghan women's soccer team, Khalida began using sports to empower young women and was subjected to intensifying death threats in return. Hounded out of her own country, she continued to support the Afghan women's team, founding the organization Girl Power and exposing widespread sexual abuse of players. From her new home in Denmark, she watched Kabul fall and immediately knew the risk to the players still there. Assembling a small but mighty network of international allies, she began evacuating women whose lives were at risk simply for loving the sport she had done so much to promote. Her teammates, her sisters. **My Beautiful Sisters** is a gripping, important memoir and a compulsively readable one: a harrowing yet ultimately heartening story of survival and sisterhood.

Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21. **Mother Teresa's General Letters to Her Sisters** is a collection of Mother Teresa's circular letters to the members of her religious congregation, the Missionaries of Charity Sisters. Not intended for those outside her community, they were written informally and spontaneously, often with little editing. It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order. Seemingly of little interest, except for those to whom they were addressed, the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints, as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century. At the same time, and perhaps surprisingly, these letters may also prove to be worthwhile reading for a wider audience. Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels, giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous, but more often challenging. They are sprinkled with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw, which didn't escape her very observant eye. Sometimes she sounded just like a mother full of tender loving care, and at other times more like a commander in chief exhibiting an iron will and

uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God
