## Six Gun Pay Off:

*Boot Hill Payoff* Robert E. Howard, 2022-09-15 In *Boot Hill Payoff* Robert E Howard weaves a gripping narrative set against the rough hewn backdrop of the American West its brutal realities inked onto every page This adventurous novel deftly combines elements of the Western genre with Howard s hallmark vivid storytelling plunging readers into a lawless borderland where redemption and reckoning loom as large as the desert sky With robust unflinching prose Howard crafts a world where morality is as tenuous as a gunman s trigger finger offering a profound commentary on the struggle for honor in a land scrubbed raw by violence The novel stands as a testament to the transitory nature of justice and the enduring quest for redemption in the American mythos Robert E Howard renowned for his prolific contributions to the sword and sorcery genre breaks the mold with *Boot Hill Payoff* Driven by a fascination with the darker aspects of humanity and having created the iconic character Conan the Barbarian Howard channels his understanding of outcasts and antiheroes into the Western setting sculpting the character of Buck Laramie Howard s own history peppered with a keen interest in the history of outlaws and pioneers informs this tale imbuing it with authenticity and psychological depth This personal connection with the theme of redemption reveals a different facet of Howard s narrative capabilities showcasing his ability to traverse genre boundaries and explore morally complex landscapes For aficionados of the Western genre and admirers of Howard s broader oeuvre *Boot Hill Payoff* is an essential read It stands out as a compelling examination of legacy and redemption offering a poignant reflection on the indelible marks left by one s ancestors and the individual s relentless pursuit to shape their destiny The book is an evocative journey recommended for those who relish in stories where the spectres of the past must be faced down with nothing but nerve and a loaded gun Readers eager for an authentic American Western steeped in the trials of a bygone era will find in *Boot Hill Payoff* a profound narrative of inexorable spirit and survival *Paid Off (Western Novel)* Walt Coburn, 2022-01-04 Shorty Carroway s breath came in gasps from between a pair of bruised bleeding lips His weight resting on the heaving chest of the big man under him knees jammed into the bulging muscles of that beaten man s forearms Shorty s full swung slaps jolted the swollen battered face Then the little cowpuncher s hand gripped the shock of hair and raised the big head from the sawdust covered floor Got a plenty Shorty shifted his weight to one side and a sharp roweled long shanked spur raked the ribs beneath the big man s heavy mackinaw He grinned mirthlessly into the bloodshot eyes of the heavyweight champion of the Little Rockies *British Warships in the Age of Sail, 1714-1792* Rif Winfield, 2007-12-12 The 2nd volume in this comprehensive naval history details the design and employment of British warships through the 18th century The Hanoverian dynasty that came to power with the accession of George I in 1714 inherited the largest navy in the world In the course of the century this force would see a vast amount of action against nearly every major navy reaching a pinnacle of success in the Seven Years War only to taste defeat in the American Revolution This superb reference book outlines the service history of every ship that fought for the Royal Navy in the great wars of the eighteenth century well over 2000 vessels

The book is organized by Rate classification and class The technical and building data of each ship is followed by a concise summary of its career This includes commissioning dates refit periods changes of captain the stations where they served and details of any noteworthy actions in which they took part It will enable anyone to follow up a casual reference to any warship and will provide the researcher with a solid core of information on which to base further study With its unique depth of information this is a work of the utmost importance to every naval historian and general reader interested in the navy of the sailing era

**British Warships in the Age of Sail, 1793-1817** Rif Winfield,2014-09-30 The revised edition of this authoritative naval history provides a comprehensive illustrated guide to the Royal Navy of the Napoleonic Era A major contribution to naval history this third volume in Rif Winfield s British Warships in the Age of Sail covers every vessel that served in the Royal Navy between the outbreak of the French Revolutionary Wars and the Battle of Waterloo Revised to incorporate new research it details more than 2000 ships whether purpose built captured purchased or merely hired Providing comprehensive technical data on the ships this volume also includes commissioning dates refit periods changes of captain their stations of service as well as notes on any actions in which they took part The book is well illustrated with contemporary prints and drawings that show the wide variety of service required of naval vessels in late 18th and early 19th centuries Specially commissioned general arrangement drawings also depict the most significant classes In all it is a fitting tribute to a navy that at the zenith of its power in 1809 comprised one half of all the warships in the world

*British Warships in the Age of Sail, 1817-1863* Rif Winfield,2014-04-30 The publication of this book sees the completion of a monumental work listing the technical details and career histories of every significant British warship between 1603 and 1863 Following three earlier volumes this one carries forward the story from the post Napoleonic War reorganisation of the Royal Navy s rating system to the end of sail as the principal mode of propulsion Although apparently well documented this is a period of great complexity in the procurement and naval architecture of ships The introduction of steam radically altered the design of vessels under construction and was later retro fitted to others while many names lived a ghostly existence on the Navy List ships ordered but not started and in some cases having their intended draughts altered more than once before being cancelled entirely This book meticulously sorts out and clarifies these confusions a major contribution in itself but for the first time it also provides outline service histories for an era that is largely neglected Like its companion volumes the book is organised by Rate classification and class with significant technical and building data followed by a concise summary of the careers of each ship in every class With its unique depth of information this is a work of the utmost importance to every naval historian and general reader interested in the navy of the sailing era and the formative years of the steam navy that supplanted it
