Introduction to Mental Health for Child and Youth Care Patti Ranahan,Stanley Kutcher,Mina Hashish,2020-07-20 Specifically designed to meet professional practice needs *Introduction to Mental Health for Child and Youth Care* encourages practitioners to participate fully in integrated mental health teams knowledgeably advocate for accessible and quality care and understand mental health from different perspectives including Indigenous wellness attachment theory resilience trauma informed care and the Diagnostic and Statistical Manual of Mental Disorders The first half examines the practitioner s role in mental health care Indigenous perspectives on wellness and cultural safety the epidemiology of mental disorders the brain and its functions the ascertainment of diagnoses and suicide intervention The second half explores symptoms and interventions of various disorders common in child and adolescent populations including mood disorders anxiety disorders feeding and eating disorders psychotic disorders and autism spectrum disorders Additionally the text features links to

additional readings and online videos questions for reflection and activities Recognizing the importance of mental health literacy in the child and youth care field this pedagogically rich and practical resource is essential for students and practitioners in child and youth care as well as human services and social work *White Benevolence* Amanda Gebhard, Sheelah McLean, Verna St. Denis, 2022-05-28T00:00:00Z When working with Indigenous people the helping professions education social work health care and justice reinforce the colonial lie that Indigenous people need saving In *White Benevolence* leading anti racism scholars reveal the ways in which white settlers working in these institutions shape defend and uphold institutional racism even while professing to support Indigenous people White supremacy shows up in the everyday behaviours language and assumptions of white professionals who reproduce myths of Indigenous inferiority and deficit making it clear that institutional racism encompasses not only high level policies and laws but also the collective enactment by people within these institutions In this uncompromising and essential collection the authors argue that white settler social workers educators health care practitioners and criminal justice workers have a responsibility to understand the colonial history of their professions and their complicity in ongoing violence be it over policing school push out child apprehension or denial of health care The answer isn't cultural awareness training What's needed is radical anti racism solidarity and a relinquishing of the power of white supremacy Approaches to Cognition through Text and Discourse Tuija Virtanen, 2011-05-03 The purpose of this book is to explore the overlapping area of study that discourse linguists and cognitive linguists are interested in In doing so the volume contributes to bridging the gap between these two large groups of linguists who share an interest in discourse processing but approach the area from very different perspectives and frames of reference The starting point of this volume is text and discourse The book includes an overview section and a number of carefully selected contributions which highlight central issues in the study of text and discourse attempting to give them cognitive explanations In responding to the current interest in the area of discourse and cognition the volume has adopted a wide scope which allows its individual chapters to focus on textual and situational contexts as well as the context of culture and society at large The volume also provides its readership with a useful selection of methods used in the studies which form the basis of its chapters The contributions all by established linguists with highest qualifications present new findings which have important theoretical implications They offer unique and fresh analyses of central discourse phenomena in cognitive light and revealing discussions of the avenues opened to us at this stage of the development of the study of discourse and cognition This accessible research volume will be essential reading for scholars and advanced students of linguistics and languages **Walking This Path Together** Jeannine Carrière, Susan Strega, 2020-07-10T00:00:00Z *Walking This Path Together* is an edited collection devoted to improving the lives of children and families that come to the attention of child welfare authorities by demonstrating and advocating for socially just child welfare practices In this new updated edition authors provide special consideration to the historical and political context of child welfare in Canada and theoretical ideas

and concrete practices that support practitioners educators and students who are looking for anti racist anti oppressive and anti colonial perspectives on child welfare practice *Gender and Rights* G. N. Devy, Geoffrey V. Davis, 2020-09-16 Part of the series Key Concepts in Indigenous Studies this book focuses on the concepts that recur in any discussion of nature culture and society among the indigenous This book the second in a five volume series deals with the two key concepts of gender and rights of indigenous peoples from all continents of the world With contributions from renowned scholars activists and experts across the globe it looks at issues of indigenous human rights gender justice repression resistance resurgence and government policies in Canada Latin America North America Australia India Brazil Southeast Asia and Africa Bringing together academic insights and experiences from the ground this unique book with its wide coverage will serve as a comprehensive guide for students teachers and scholars of indigenous studies It will be essential reading for those in gender studies human rights and law social and cultural anthropology tribal studies sociology and social exclusion studies religion and theology cultural studies literary and postcolonial studies Third World and Global South studies as well as activists working with Indigenous communities **Sixties Radicals, Then and Now** Ron Chepesiuk, 2007-12-26 Aroused by gains in civil rights and galvanized by the antiwar movement radical leaders of the 1960s sought to make revolutionary changes in American society Partly through their leadership a generation was awakened by the call for a counterculture That generation is now responsible for the same social and political structures they so adamantly and sometimes violently opposed How did the sixties affect the counterculture leaders And what are they doing now Paul Krassner Cleveland Sellers Jane Adams Dave Dellinger Bill Ayers Warren Hinckle Peter Berg Noam Chomsky Tim Leary Philip Berrigan Anita Hoffman Jerry Rubin Erica Huggins Jim Fouratt Bernadine Dohrn Barry Melton Peter Coyote and Abbie Hoffman reflect on the seminal events that dominated the sixties and discuss the major issues and problems facing America and them today **Wicihitowin** Gord Bruyere (Amawaajibitang), Michael Anthony Hart (Kaskitémahikan), Raven Sinclair (Ótiskewápiwskew), 2020-05-06T00:00:00Z Wicihitowin is the first Canadian social work book written by First Nations Inuit and Métis authors who are educators at schools of social work across Canada The book begins by presenting foundational theoretical perspectives that develop an understanding of the history of colonization and theories of decolonization and Indigenist social work It goes on to explore issues and aspects of social work practice with Indigenous people to assist educators researchers students and practitioners to create effective and respectful approaches to social work with diverse populations Traditional Indigenous knowledge that challenges and transforms the basis of social work with Indigenous and other peoples comprises a third section of the book Wicihitowin concludes with an eye to the future which the authors hope will continue to promote the innovations and creativity presented in this groundbreaking work Science, Women and Revolution in Russia Ann Hibner Koblitz, 2014-01-02 While the women's movement might seem like a relatively new concept Russian women of the 1860s deserve to be acknowledged as individuals who changed the direction of science and opened the doors of higher education to

women throughout Europe The 1860 s and 1870 s witnessed a rise in women s consciousness and the beginnings of the Russian revolutionary movement that saw women pursue and receive doctorates in many areas of science These same women went on to become some of the brightest in their fields This book provides a look at Russian women scientists of the 1860 s their personal independence and technical and literary achievements that made science the popular social movement of the time and changed the face of the Russian intellectual culture Reforming the Individuals with Disabilities Education Act

Committee On Education & The Workforce, House Of Representatives... 107th Congress, 2nd Session ,2003** **Indigenous Child and Youth Care** Cherylanne

James,2023-08-10 At its core Indigenous Child and Youth Care Weaving Two Heart Stories Together is about unity It seeks to create a heart to heart practice by bridging Indigenous ways of knowing with Western Child and Youth Care practices encouraging students to approach their work with a more open understanding of First Nations M tis and Inuit worldviews Author Cherylanne James guides students through self location by dismantling their pre existing biases regarding Indigenous Peoples understanding personal privilege and power educating themselves on Canadian and Indigenous history and contexts and learning about the pervasive impacts of colonialism Students will cultivate a practice that encourages ethical spaces of engagement while steering away from surface level or disingenuous interactions The text applies concepts and theories such as relational accountability interconnectivity resurgence community centred approaches wise practices relationship building anti oppression anti racist and social justice frameworks to enrich CYC practices and prepare students to engage with Indigenous children youth and families in an informed meaningful way Indigenous Child and Youth Care is designed as a journey wherein the student reflects while they learn and grow as a CYC professional It includes a variety of pedagogical features that catalyze thoughtful interaction with the material such as a glossary discussion questions reflective practice question boxes and additional resources for further learning This is a powerful and vital text for college and university students in Child and Youth Care and Human Services FEATURES Unites Indigenous worldviews histories and knowledge systems with western Child and Youth Care practices Exposes students to pre existing colonial and racist power structures while introducing them to Indigenous concepts and theories for inclusive practice Contains a broad variety of pedagogical features including a glossary reflective practice questions discussion questions activities and additional resources

Overwhelmed Brigid Schulte,2014-03-11 Can working parents in America or anywhere ever find true leisure time According to the Leisure Studies Department at the University of Iowa true leisure is that place in which we realize our humanity If that s true argues Brigid Schulte then we re doing dangerously little realizing of our humanity In Overwhelmed Schulte a staff writer for The Washington Post asks Are our brains our partners our culture and our bosses making it impossible for us to experience anything but contaminated time Schulte first asked this question in a 2010 feature for The

Washington Post Magazine How did researchers compile this statistic that said we were rolling in leisure over four hours a day Did any of us feel that we actually had downtime Was there anything useful in their research anything we could do A New York Times bestseller Overwhelmed is a map of the stresses that have ripped our leisure to shreds and a look at how to put the pieces back together Schulte speaks to neuroscientists sociologists and hundreds of working parents to tease out the factors contributing to our collective sense of being overwhelmed seeking insights answers and inspiration She investigates progressive offices trying to invent a new kind of workplace she travels across Europe to get a sense of how other countries accommodate working parents she finds younger couples who claim to have figured out an ideal division of chores childcare and meaningful paid work Overwhelmed is the story of what she found out , Theatre Worlds in Motion S.E. Wilmer,H. van Maanen,2024-04-02 Theatre Worlds in Motion aims to clarify the different theatre traditions and practices in Western Europe from a historical and sociological perspective The book grew out of a perceived need among theatre scholars who had recognised that while they understood the theatre system of their own country they often found it difficult to discover how it compared with other countries The chapters analyse the basic components and dynamics of theatre systems in seventeen Western European nations in order to elucidate how the systems function in general and how they vary in different cultures The book provides a sense of what has been happening recently in particular countries and indicates how the theatre systems have developed over time and have led to the current practices and structures Each national chapter considers the historical tradition and place of theatre within the country and analyses the role of the state in fostering theatre during the last fifty years Material from the national chapters has been used in two general chapters at the beginning and end of the book to provide an overview to developments in all Western Europe The introductory chapter on decentralisation discusses the tendency amongst governments to encourage cultural development outside the national capital by providing subsidy for regional theatre venues and theatre companies and in many cases by developing the decision making and budgetary powers for the theatre to regional and local authorities The epilogue on the functioning of theatre examines the common structures of theatre in society as described in the seventeen national chapters and it proposes areas for future research **Social Work's Histories of Complicity and Resistance** Vasilios Ioakimidis,Aaron Wyllie,2023-06-14 Social work is often presented as a benevolent and politically neutral profession avoiding discussion about its sometimes troubling political histories This book rethinks social work s legacy and history of both political resistance and complicity with oppressive and punitive practices Using a comparative approach with international case studies the book uncovers the role of social workers in politically tense episodes of recent history including the anti racist struggle in the US and the impact of colonialism in Australia New Zealand and Canada As the de colonisation of curricula and the Black Lives Matter movement gain momentum this fascinating book skilfully navigates social work s collective political past while considering its future *Sex & the 60s* Cissy Wechter,2006-10 Stranger in Baja takes the reader to sun struck and tawdry Cabo San Lucas the overdeveloped resort

outpost on Mexico's bone dry southern Baja peninsula and the setting for a street war between evangelical foreigners and local Catholics. Troubled by doubts and demons, naive missionary volunteer Rob Hudson arrives in Cabo on a soul seeking mission and finds a world of inept arsonists, wily healers, prying journalists, Machiavellian bosses, troubled hermits, hip hop bands, lunar rituals, drug gangs, and a music teacher who rocks his soul.
