Sizzling Chops And Devilish Spins:

Sizzling Chops & Devilish Spins Jerome Charyn, 2001 **Howard Jacobson** David Brauner, 2021-01-12 This is a comprehensive and definitive study of the Man Booker Prize winning novelist Howard Jacobson It offers lucid detailed and nuanced readings of each of Jacobson's novels and makes a powerful case for the importance of his work in the landscape of contemporary fiction Focusing on the themes of comedy masculinity and Jewishness the book emphasises the richness and diversity of Jacobson's work Often described by others as the English Philip Roth and by himself as the Jewish Jane Austen Jacobson emerges here as a complex and often contradictory figure a fearless novelist a combative public intellectual a polemical journalist an unapologetic elitist and an irreverent outsider an exuberant iconoclast and a sombre satirist Never afraid of controversy Jacobson tends to polarise readers but love him or hate him he is difficult to ignore This book gives him the thorough consideration and the balanced evaluation that he deserves **Savage Shorthand** Jerome Charyn, 2007-12-18 Hailed as the first great Soviet writer Isaac Babel was at once a product and a victim of violent revolution In tales of Cossack marauders and flashy Odessa gangsters he perfectly captured the raw edgy mood of the first years of the Russian Revolution Masked reckless impassioned charismatic Babel himself was as fascinating as the characters he created At last in renowned author Jerome Charyn Babel has a portraitist worthy of his quicksilver genius Though it traces the arc of Babel's charmed life and mysterious death Savage Shorthand bursts the confines of straight biography to become a meditation on the pleasures torments and meanings of Babel's art Even in childhood Babel seemed destined to leave a mark But it was only when his mentor Maxim Gorky ordered him to go out into the world of revolutionary Russia that Babel found his true voice and subject His tales of the bandit king Benya Krik and the brutal raids of the Red Cavalry electrified Moscow Overnight Babel was a celebrity with throngs of admirers and a train of lovers But with the rise of Stalin Babel became a living ghost Charyn brilliantly evokes the paranoid shadowland of the first wave of Stalin's terror when agents of the Cheka snuffed out artists like candle flames Charyn's chilling account of the circumstances of Babel's death hidden and lied about for decades by Stalin's agents finally sets the record straight For Jerome Charyn Babel is the writer who epitomizes the vibrancy violence and tragedy of literature in the twentieth century In Savage Shorthand Charyn has turned his own lifelong obsession with Babel into a dazzling and original literary work **The Only Game in Town** David Remnick, 2010-06-08 For more than eighty years The New Yorker has been home to some of the toughest wisest funniest and most moving sportswriting around The Only Game in Town is a classic collection from a magazine with a deep bench including such authors as Roger Angell John Updike Don DeLillo and John McPhee Hall of Famer Ring Lardner is here bemoaning the lowering of standards for baseball achievement in 1930 John Cheever pens a story about a boy's troubled relationship with his father and the national pastime From Lance Armstrong to bullfighter Sidney Franklin from the Chinese Olympics to the U S Open the greatest plays and players past and present are all covered in The Only Game in Town At The New Yorker it's not whether you win or lose it

Ping-Pong Diplomacy Nicholas Griffin, 2014-01-02 It was one of the most significant developments of the post war era China finally abandoning its close relationship with the Soviet Union to begin detente with the USA Astonishingly the man who helped make it happen was a British aristocrat Ivor Montagu a Soviet spy who knew Stalin and dined with Trotsky Even more remarkably the means to this rapprochement was table tennis a sport loved by both Chairman Mao and Montagu For years Montagu had lived a dual life working to spread communism and also table tennis around the world Surprisingly the two strands of his career would come together in an event of global significance Nicholas Griffin weaves a compelling story to reveal the background to the famous occasion in 1971 when the USA's Glenn Cowan a 19 year old hippie befriended China's world champion Zhuang Zedong who was imprisoned during the Cultural Revolution Within days the Americans would be playing the Chinese in front of 18 000 fans in Beijing with the whole world watching It was the beginning of a thaw in Sino US relations that forced the Soviets into a crippling arms race that acted as a catalyst to pressuring them into errors that would draw the Cold War to an end Sometimes sport truly can have the biggest consequences **Tribe of Mentors** Timothy Ferriss, 2017 Life changing wisdom from 130 of the world's highest achievers in short action packed pieces featuring inspiring quotes life lessons career guidance personal anecdotes and other advice **Conversations with Jerome Charyn**

Sophie Vallas, 2014-09-30 This volume of fourteen interviews covers the prolific and rich career of author Jerome Charyn b 1937 Four of the interviews appear in English for the first time and two interviews appear here in print for the first time as well As one of his autobiographical volumes claims Jerome Charyn is a Bronx Boy a child born from immigrant parents who went through Ellis Island in the 1920s like so many other travelers without luggage a little werewolf who grew up on his own in the chaos of the Bronx ghetto I think I was defined by two things World War II and the movies His work remains deeply marked by this childhood largely forgotten by the American Dream If Charyn has spent much of his life in Paris he has paradoxically never left the Bronx El Bronx is there inside my head and I revisit it the way Hemingway would fish the Big Two Hearted River in his dreams His whole work is a long attempt at evoking his own history and celebrating his lifelong marveling at the power of language our second skin as well as his deep unflinching belief in the promises of fiction Since 1964 Charyn has published more than fifty books ranging from fiction to nonfiction and including short stories very popular crime novels graphic novels cowritten with European artists essays on American culture and cinema as well as on New York autobiography and biography an ever changing production that has made it difficult for critics to classify him And yet in many ways Charyn s writing thrives on constant currents the words voice song undersong or rhythm return frequently in his interviews as he explains what literature is to him and ceaselessly asserts that he is trying to find a music for a musicless world a language for people who cannot speak I Am Abraham: A Novel of Lincoln and the Civil War Jerome
