The Tea Clippers David Roy MacGregor, 1983 **The Tea Clippers** David Roy MacGregor, 1983 The Tea Clippers Their History and Development 1833-1875 MacGregor, *The True History of Tea* Erling Hoh, Victor H. Mair, 2009-03-24 A lively and beautifully illustrated history of one of the world's favorite beverages and its uses through the ages World renowned sinologist Victor H Mair teams up with journalist Erling Hoh to tell the story of this remarkable beverage and its uses from ancient times to the present from East to West For the first time in a popular history of tea the Chinese Japanese Tibetan and Mongolian annals have been thoroughly consulted and carefully sifted The resulting narrative takes the reader from the jungles of Southeast Asia to the splendor of the Tang and Song Dynasties from the tea ceremony politics of medieval Japan to the fabled tea and horse trade of Central Asia and the arrival of the first European vessels in Far Eastern waters Through the centuries tea has inspired artists enhanced religious experience played a pivotal role in the emergence of world trade and triggered cataclysmic events that altered the course of humankind How did green tea become the national beverage of Morocco And who was the beautiful Emma Hart immortalized by George Romney in his painting The Tea maker of Edgware Road No other drink has touched the daily lives of so many people in so many different ways The True History of Tea brings these disparate aspects together in an entertaining tale that combines solid scholarship with an eye for the quirky offbeat paths that tea has strayed upon during its long voyage It celebrates the common heritage of a beverage we have all come to love and plays a crucial part in the work of dismantling that obsolete dictum East is East and West is West and never the twain shall meet *The India-China Opium Trade in the Nineteenth Century* Hunt Janin, 1999-01-01 From 1823 to 1860 a fleet of small fast brigs and schooners carried chests of opium from India to China often facing the challenges of pirates and typhoons along the way This shadowy trade conducted by American British and Indian firms thrived despite its moral and legal consequences Drawing largely on primary sources the story of the opium trade comes through in the voices of those who saw it firsthand Appendices describe a favorite shipboard recipe two of the ships involved in the trade and their crews excerpts from accounts of the Opium War and language equivalents for proper and place names A bibliography is included and maps and photographs help illumine this important and unusual period of history The Forbidden Orchid Sharon Biggs Waller, 2016-03-08 The adventures of a British girl in China hunting for the orchid that will save her family Staid responsible Elodie Buchanan is the eldest of ten sisters growing up in a small English market town in 1861 The girls barely know their father a plant hunter usually off adventuring through China more myth than man Then disaster strikes Mr Buchanan reneges on his contract to collect an extremely rare and valuable orchid He will be thrown into debtors prison while his daughters are sent to the orphanage and the workhouse Elodie can't stand by and see her family destroyed so she persuades her father to return to China once more to try to hunt down the flower only this time despite everything she knows about her place in society Elodie goes with him She has never before left her village but what starts as fear turns to wonder

as she adapts to seafaring life aboard the tea clipper The Osprey and later to the new sights dangers and romance of China She comes to find that both the world and her place in it are so much bigger than she d ever dreamed But now even if she can find the orchid how can she ever go back to being the staid responsible Elodie that everybody needs **Historical**

Dictionary of the U.S. Maritime Industry Kenneth J. Blume,2011-12-22 From the Spanish galleons of the 16th century to the cruise ships and crude oil tankers of the 21st maritime industries have been central to American economic political and cultural life Great American fortunes were built in the maritime industries and the workers in that industry both the sailors on board the ships and the dockworkers at the port contributed significantly to the nation s growing economy The development of interior waterways especially the canal system paved the way for a transformation of inland North America In the Historical Dictionary of the U S Maritime Industry author Kenneth J Blume provides a convenient survey of this important industry from the colonial period to the present day from sail to steam to nuclear power This concise new reference work captures the key features of overseas coastal lake and river shipping and industry An introduction provides an overview of the industry while the dictionary itself contains more than four hundred cross referenced entries on ships shipping companies famous personalities and major ports A number of appendixes including statistics on foreign trade maritime disasters famous ships and major ports supplement the dictionary and a comprehensive bibliography leads the researcher to further sources This book is an excellent access point for students researchers and anyone wanting to know more about the maritime industry in the United States **The Ghost of Namamugi** Robert Fletcher,2025-10-01 In 1862 a British merchant

was killed by samurai at Namamugi a quiet village near Yokohama One year later a British fleet bombarded Kagoshima to extract reparations reducing much of this south western city to ash This captivating re telling locates the story firmly within the wider context of British imperial expansion in East Asia **Linking an Asian Transregional Commerce in Tea** Jason Lim,2010-07-12 Current historical work on the international tea trade has focused on the Sino British trade and the impact of capitalism and modern technology on tea production in India and Ceylon These studies have overlooked the changes that were afoot in the Fujian tea industry and the problems with conducting the trade with the overseas Chinese in Southeast Asia Using the Fujian Singapore trade as an illustration and drawing on Chinese language archival materials this book looks at the state of tea production in Fujian the overseas Chinese tea merchants and the fluctuations of the trade during the period of political instability in China the Sino Japanese War decolonisation in Singapore and the period of collectivisation in China and the Cold War **A Confederate Biography** Dwight Sturtevant Hughes,2015-12-15 From October 1864 to November 1865

the officers of the CSS Shenandoah carried the Confederacy and the conflict of the Civil War around the globe through extreme weather alien surroundings and the people they encountered Her officers were the descendants of Deep South plantation aristocracy and Old Dominion first families a nephew of Robert E Lee a grandnephew of founder George Mason and descendants of one of George Washington s generals and of an aid to Washington One was even an uncle of a young

Theodore Roosevelt and another was son in law to Raphael Semmes Shenandoah's mission commerce raiding guerre de course was a central component of U S naval and maritime heritage a profitable business and a watery form of guerrilla warfare These Americans stood in defense of their country as they understood it pursuing a difficult and dangerous mission in which they succeeded spectacularly after it no longer mattered This is a biography of a ship and a cruise and a microcosm of the Confederate American experience *Tancook Schooners* Wayne M. O'Leary,1994 The Tancook Schooners recounts the history of a remarkable yet neglected Atlantic Canadian watercraft The little Bluenoses as they were called formed the backbone of Nova Scotia's inshore fisheries and short run coastal trade in the early twentieth century The book also records the story of a unique although in many ways typical Maritime coastal community on the brink of the modern industrial age

A Thirst for Empire Erika Rappaport,2017-09-05 Introduction A soldier's tea party in Surrey Part I Anxious relations A China drink approved by all physicians setting the early modern tea table The temperance tea table making a sober consumer culture in the nineteenth century A little opium sweet words and cheap guns planting a global industry in Assam Packaging China advertising food safety in a global marketplace Part II Imperial tastes Industry and empire manufacturing imperial tastes in Victorian Britain The planter abroad building foreign markets in the fin de siècle Every kitchen an empire kitchen the politics of imperial consumerism Tea revives the world selling vitality during the Depression Hot drinks means much in the jungle tea in the service of war Part III Aftertastes Leftovers an imperial industry at the end of empire Join the tea set youth modernity and the legacies of empire during the swinging sixties *Cutty Sark* Eric Kentley,2019-01-10 An updated and expanded edition to celebrate the 150th anniversary of this iconic ship The narrative spans her construction at Dumbarton in 1869 her famous tea voyages as well as those with other cargoes her career under a Portuguese flag her subsequent return to the Thames Greenwich and the dramatic fire painstaking restoration and glorious reopening in April 2012 The book has been developed from the outset with the Cutty Sark Trust and takes the form of a chronological career narrative but also presents detailed features on crew accounts log entries pieces on seamanship ports and cargoes and broader tall ship culture as well as an opportunity to focus on artifacts and the fittings of the ship This unique opportunity allows the first publication of specially commissioned photography created as part of and subsequent to the clipper's restoration as well as the findings of resulting research **Tea in Australia** Peter D. Griggs,2020-03-26 Before 1950 Australians were the world's highest consumers of tea per capita This book tells the story of how tea emerged as the national beverage in the Australian colonies during the nineteenth century and explores why Australians consumed so much of the beverage for so long Special attention is devoted to analysing the evolution of the Australian tea distribution network especially the marketing strategies used by the tea traders to promote their products Other topics examined here include the development of tea rituals such as afternoon tea and high tea and their role in Australian society the local manufacture of teawares the establishment of tea rooms and the emergence of a tea growing industry in Australia after 1960 The first

comprehensive account of the history of tea in Australia this book will be of particular interest to individuals interested in Australian history economic and social history and food history *Accounting for the Fall of Silver* Michael Schiltz,2020 Michael Schiltz analyses the efforts by nineteenth century banking to mitigate the effects of the depreciation of silver He shows that strategies for hedging exchange rate risk were created earlier than traditionally thought and explores the relationship between Great Britain and its colonies in Asia and the rise of Japan as a financial power Logistics and Power Susan Zieger,2025-09-09 From supply chains to surveillance how logistics drives modern power and its consequences Movement is the lifeblood of capital even more so than growth If goods people and information don't flow then profits don't either Ensuring that laborers shipping containers media commercially valuable data and much else are in the right place at the right time demands a subtle choreography Enter logistics Susan Zieger argues that logistics is the foundation of power in our time Blending detailed historical research with real life stories that crystallize the human and ecological consequences of supply chains Logistics and Power shows how the pursuit of efficient movement has come to organize economies while disordering societies and selves Logistics emerges as the key to consumerism and the experience of work It justifies corporate and police surveillance illuminates patterns of migration and exploitation and explains why the oceans are clogged with plastic It is in the sphere of logistics that capitalist motives are most dramatically in tension with planetary needs A headfirst encounter with the obscure forces subordinating all goals below those of capital Logistics and Power points the way to an alternative a mindful and politically attentive kind of movement compatible with human thriving **Ports Into the Next Century** Institution of Civil Engineers (Great Britain),1991 Industry professionals from all aspects of port administration design and operation together with consultants from Customs and Excise the fishing industry and engineering profession present the issues concerning the future of ports *Liverpool China Traders* Christina Baird,2007 Perhaps the most enduring image of the China Trade is the clipper ship carrying tea from China In 1869 the clippers were finally overshadowed by the introduction of steam vessels which could make passage through the Suez Canal significantly shortening the length of the voyage Letters journals and order books have survived which tell us about the traders their private trading activities motivation tastes and private lives This book examines the role played by the port of Liverpool in this time of great change The book examines Liverpool's early participation in the China Trade following the cessation of the British East India Company's monopoly of the trade in 1834 and maps the changes in artistic tastes that the commencement of free trade gave rise to These new tastes represented a true fusion of European and Chinese cultural influences and replaced the pastiche of The Orient that chinoiserie represented during the period of the monopoly Amazon.com

Afternoon Tea Julia Skinner,2019-04-05 Afternoon Tea A History explores the development of the afternoon tea meal diving deeper than the popular tale of the Duchess of Bedford's afternoon gatherings to find the meals that inspired those early afternoon teas Julia Skinner carefully separates the fact and lore around the meal and sets the story of afternoon tea

within its historic contexts Recognizing that a meal's birth and life never happen in a vacuum the book sets aside the already well documented conversations surrounding tea etiquette instead exploring the social contexts that made the meal possible and popular moving it from one small subset of the population to a widespread and beloved phenomenon one that nearly died out at the end of the 20th century before experiencing a resurgence in the 21st Afternoon tea is a meal that came of age during the British Empire's most aggressive expansion and as such became a meal that was transported to new continents with colonial forces The book explores how this movement took place and uncovers the different ways tea and colonialism intersect in both the colonial and postcolonial worlds It also looks at afternoon tea in America a country that broke from the Empire before the meal was established as a set ritual but which still has its own complex relationship with the beverage and a continuing fascination with the meal The book concludes by looking at afternoon tea today including a handful of interviews that show the range of perspectives about the meal and its place in society as well as its resurging popularity in the last decade

British & American Clippers David Roy MacGregor, 1993 The clipper's heyday lasted from the discovery of gold in California in 1849 until the opening of the Suez Canal 20 years later This book focuses on the ships of the two rival nations Britain and America built during a period of intense competition in the 1850s
