well known myths of the AIF in World War I arguing that these spectacular legends simply serve to diminish the hard won reputation of the AIF as a fighting force Graham Wilson mounts his own campaign to rehabilitate the historical reputation of the force and to demonstrate that misleading and inaccurate embellishment does nothing but hide the true story of Australia's World War I fighting army Bully Beef and Balderdash deliberately tilts at some well loved windmills and for those who cherish the mythical story of the AIF this will not be comfortable reading Yet given the extraordinary truth of the AIF's history it is certainly compelling reading
